RE: Freedom of Information Act Request
FOIA Control No.: FI-467164

This letter is in response to your Freedom of Information Act (FOIA) request dated July 26, 2007. In your request, you requested a copy of the FOIA case logs for the Department of Housing and Urban Development for Fiscal Years 2006 and 2007, to the date of your request. In an email dated November 20, 2007, addressed to Sandra J. Wright of my staff, you narrowed your request for a copy of HUD's FOIA case logs for Fiscal Years 2007 and 2008, to the date of your request.

When responding to a FOIA request, HUD searches for responsive documents existing up to the date the request is received in the Department's FOIA Office. Your request was received on July 30, 2007. Your amended request was received on November 20, 2007.

Your request is granted in full at no cost to you. I am enclosing a copy of the Department's Automated Correspondence On-Line Response Network report, which is responsive to your request.

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal privacy information, such as home address, telephone number, or social security number, all of which are protected from disclosure under FOIA Exemption 6.

Thank you for your interest in the Department's policies and programs.

Sincerely,

A handwritten signature in cursive script that reads "Cynthia A. O'Connor".
