MANAGEMENT

OFFICE OF THE SECRETARY OF DEFENSE
1950 DEFENSE PENTAGON
WASHINGTON, DC 20301-1950

OCT 18 2007

Ref: 01-A-0624

This is in response to your January 9, 2001, Freedom of Information Act (FOIA) appeal. You are appealing the November 27, 2000, response by the Joint Personnel Recovery Agency (JPRA) in which you were denied information responsive to your November 8, 2000, FOIA request. On July 18, 2001, the Directorate for Freedom of Information and Security Review provided you with documents responsive to the first part of your request. Attached is a document responsive to the second part of your request.

I have reviewed your appeal at the appellate level and have determined that the deleted information within the attached document remains exempt from release because it is currently and properly classified in accordance with Executive Order 12958, as amended, Section 1.4(a), concerning military plans, weapons systems, or operations. This information is also exempt from release because it solely concerns the rules and practices of JPRA, the release of which would cause circumvention of those rules and practices.

You are advised that you have a right to judicial review of this decision in a United States District Court in accordance with 5 U.S.C. § 552(a)(4)(B).

Sincerely,

A handwritten signature in black ink, appearing to read "Michael L. Rhodes", is positioned above the printed name.
