"Rummaging in the government's attic"

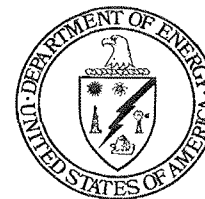

Description of document:	List of the technical reports from Los Alamos National Laboratory (LANL) in the LA-formal technical report series submitted for review 2002 – 2006
Requested date:	06-September-2008
Released date:	30-October-2008
Posted date:	13-March-2009
Title of Document	Los Alamos National Laboratory Authors System – LA Series log form (2002) LA Series 2003, 2004, 2005, 2006
Date/date range of document:	09-January-2002 - 27-October-2006
Source of document:	Department of Energy National Nuclear Security Administration Service Center P.O. Box 5400 Albuquerque, NM 87185

CERTIFIED MAIL – RESTRICTED DELIVERY – RETURN RECEIPT REQUESTED

This is in final response to your Freedom of Information Act (FOIA) request dated September 6, 2008 for a copy of the title page (the first page that contains the title) of each of the technical reports from Los Alamos National Laboratory in the LA-formal technical report series that were submitted for review in 2002, 2003, 2004, 2005 and 2006.

I contacted our Los Alamos Site Office (LASO), government oversight for the Los Alamos National Laboratory (LANL). LANL informed our office that fees for processing this request could be in excess of \$14,000. On September 24, 2008, I called you and you agreed on the phone to narrow the scope of your request, and that you would be willing to accept a list of the titles, authors, and report numbers of the 500 technical reports. You confirmed this by a letter to our office dated September 25, 2008.

LANL provided our office the SAFE-1 Classification Log(s) and they are enclosed in their entirety.

There are no fees chargeable to you for this request.

If you have questions concerning the processing of your request, please contact Ms. Shirley L. Peterson at (505) 845-6393 and reference Control Number FOIA 08-264-P.

Sincerely,

Carolyn A. Becknell
Freedom of Information Act Officer
Office of Public Affairs
