Centers for Disease Control  
and Prevention (CDC)  
Atlanta GA 30333

March 1, 2017

*SENT VIA EMAIL*

This letter is in response to your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request of February 26, 2017, for the following information:

1. "A copy of the CDC Intranet home page <http://intranet.cdc.gov>"
2. "A copy of each page connected by one click / one link to the CDC Intranet page (i.e. one level down)."

Your request has been assigned #17-00336-FOIA.

This is the first interim release in response to item 1.

Enclosed are 2 pages of responsive records released in full.

For item #2, your request is overly broad, and we seek your clarification regarding the subject matter of the records you seek. The FOIA allows the public to request access to "reasonably described" existing agency records (subject to any applicable FOIA exemptions to disclosure). This means you must describe the category of records you are seeking or the actual document(s), and provide sufficient details to permit a search with reasonable effort, utilizing existing indices and search tools.

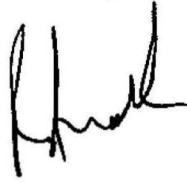

The enclosed copy of the CDC Intranet home page contains multiple links covering numerous subjects. Some of the links are unique only to the employee processing your request.

To assist the agency in conducting a reasonable search, please provide our office with additional information such as identifying the specific links of interest to you.

At this time, your request has been placed on hold until we receive the information requested. If you have any questions regarding your request, please contact Leigh Davidi at 770-488-6298.

If we do not receive a response from you by March 16, 2017, we will consider the second part of your request withdrawn and it will be closed.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Andoh', written in a cursive style.

Roger Andoh  
CDC/ATSDR FOIA Officer  
Office of the Chief Information Officer  
(770) 488-6399  
Fax: (404) 235-1852
