This letter responds to your Freedom of Information Act (FOIA) request (2017-009299) dated July 16. Your request sought records available in the National Airspace System Technical Library website located at the following Federal Aviation Administration's Employees-only website:

<http://nas.amc.faa.gov/phoenix/views/technicalLibrary.xhtml>

You requested the following:

1. A printout/listing of the Desk Guides (NAPRS, FSEP)
2. A printout/listing of the Maintenance Handbooks (MTHB)
3. A printout/listing of the Modification Handbooks (EEM or PEM)
4. A printout/listing of the Product Baseline Listing Index
5. A printout/listing of the Site Technical Bulletins (STB)
6. A printout/listing of the System Support Directives (SSM, SDR, STR, LOA)
7. A printout/listing of the Technical Instruction Books (TI)

A search was performed by Air Traffic Control Services in the National Airspace System Technical Library website and the responsive records are attached electronically.

If you owe fees for the processing of this request, an invoice containing the amount due and payment instructions will be enclosed with this letter.

Sincerely,

William Green, III  
Manager, Administrative Services Team 1
