Re: FOIA ID: LR-2017-0344

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, dated October 30, 2016 and received on November 8, 2016, in which you requested a copy of the Freedom of Information Act Appeals Log for the NLRB for the time period since 2009 in electronic format. You agreed to assume financial responsibility for the processing of your request.

We acknowledged your request on November 8, 2016. An interim response was sent on November 9, 2016. We regret the delay in this response.

In a telephone conversation with a member of my staff on December 29, 2016, you modified your request to be seeking the following columns of information in the log: appeal number, requested material, date received and date closed.

I have attached a copy of the requested FOIA Appeal Request log. The document was generated using the Agency's FOIA Tracking System. Redactions have been made to portions of the requested document to protect the privacy interests of individuals named in the log. These redactions were made pursuant to FOIA Exemption 6, which pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy, and FOIA Exemption 7(C), which pertains to records or information compiled for law enforcement purposes, the release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. 5 U.S.C. § 552(b)(6) and b)(7)(C).

For the purpose of assessing fees, we have placed you in Category D, the "all other requesters" category, because you do not fall within any other of the fee categories. Consistent with this fee category, you will be assessed charges to recover the full reasonable direct costs for searching for the requested

documents and the duplication of those documents. As a requester in this category, you will not be charged for the first two hours of search time or the first 100 pages of duplication. NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(2)(ii)(D). Charges for all categories of requesters are \$3.10 per quarter-hour or portion thereof of clerical time and \$9.25 per quarter-hour or portion thereof of professional time. 29 C.F.R. § 102.117(d)(2)(i).

Less than two hours of professional time was expended in searching for the requested material. Accordingly, there is no charge for this request.

You may contact Teresita Sanabria, FOIA Specialist at (202) 568-3531 or by email at teresita.sanabria@nrlb.gov, who processed your request, as well as our FOIA Public Liaison at (202) 273-0902 or by email at FOIAPublicLiaison@nrlb.gov, for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, email at ogis@nara.gov, telephone at (202) 741-5770, toll free at (877) 684-6448, or facsimile at (202) 741-5769.

You may obtain a review of this determination under the NLRB Rules and Regulations, 29 C.F.R. § 102.117(c)(2)(v), by filing an appeal by mail to the Division of Legal Counsel, National Labor Relations Board, 1015 Half Street, S.E., Washington, D.C., 20570, or by email to DLCFOIAAppeal@nrlb.gov, within 90 days of the date of this letter, such period beginning to run on the calendar day after the date of this letter. Any appeal should contain a complete statement of the reasons upon which it is based. Should you have questions concerning this letter, you may contact Denise Meiners, FOIA Supervisor, at (202) 273-2935 or by email at denise.meiners@nrlb.gov.

Sincerely
