Exemption(s) Used:

(b)(5) and (b)(7)(E)

Exemption (b)(5) permits withholding documents that reflect the analyses and recommendations of EEOC personnel generated for the purpose of advising the agency of possible action. This exemption protects the agency's deliberative process, and allows nondisclosure of "inter-agency or intra-agency memorandums or letters which would not be available to a party other than an agency in litigation with the agency." 5 U.S.C. § 552(b)(5). The exemption covers internal communications that are deliberative in nature. National Labor Relations Board v. Sears, Roebuck & Co., 421 U.S. 132 (1975); Hinckley v. United States, 140 F.3d 277 (D.C. Cir. 1998); Mace v. EEOC, 37 F.Supp. 2d 1144 (E.D. Mo. 1999). The purpose of the deliberative process privilege is to "allow agencies freely to explore alternative avenues of action and to engage in internal debates without fear of public scrutiny." Missouri ex. rel. Shorr v. United States Corps of Eng'rs., 147 F.3d 708, 710 (8th Cir. 1998).

Comments

This is in response to your Freedom of Information Act (FOIA) request. You request a copy the District Complement Plan for each EEOC District Office. Your request is granted in part and denied in part.

Information withheld under Exemption (b)(7)(E) cited above includes technical instructions for investigators on investigatory best practices, derived from years of investigative experience and resulting expertise acquired by the agency, such as: what types of information to look for and how to obtain it, how to recognize systemic and class issues, procedures to be used in building a class, and negotiation and conciliation strategy. If these techniques and procedures became public, respondents would be able to use their newfound knowledge of our investigative strategies and tactics to thwart our investigations and/or prevent us from obtaining the information needed in order to determine whether a violation has occurred.

Attached for your review is the District Complement Plan (75 pages) as requested.

Office of the Chair January 19, 2017 TO: James Lee, Deputy General Counsel Nicholas Inzeo, Office of Field Programs Director **District Directors** Regional Attorneys Jenny R. Yang, Chair 9 2.9. FROM: Approval of Updated District Complement Plans SUBJECT: I am pleased to approve the attached District Complement Plans (DCPs) to support implementation of the Commission's Strategic Enforcement Plan (SEP) for Fiscal Years 2017-2021. Thank you for your work in updating these plans, and please convey my appreciation to all of the staff who contributed to the development of the plans. The updated SEP and DCPs are critical to ensure the agency focuses its efforts on those activities likely to have strategic impact in advancing equal opportunity and freedom from discrimination in the workplace. The new SEP adds a priority focused on Strategic Impact and also emphasizes the importance of integrating the SEP and PCHP to achieve this objective. Clearly defined substantive area priorities allow the agency to consistently allocate resources where government enforcement is needed and impactful. Thus, the new SEP revised four of the priority areas (Vulnerable Immigrant and Migrant Workers, Selected Emerging and Developing Issues, Equal Pay Protections for All Workers, and Access to the Legal System) for EEOC's efforts. (b)(5)Your leadership in implementing the SEP and DCPs is critical to the development of cases with strategic impact and to the efficient management of the charge workload. The Commission is relying on you and your management teams to ensure that staff understand how the updated SEP and DCPs work to achieve both objectives. For example, the national focus of the SEP is on

Office of the Chair January 19, 2017 TO: James Lee, Deputy General Counsel Nicholas Inzeo, Office of Field Programs Director **District Directors** Regional Attorneys Jenny R. Yang, Chair 9 2.9. FROM: Approval of Updated District Complement Plans SUBJECT: I am pleased to approve the attached District Complement Plans (DCPs) to support implementation of the Commission's Strategic Enforcement Plan (SEP) for Fiscal Years 2017-2021. Thank you for your work in updating these plans, and please convey my appreciation to all of the staff who contributed to the development of the plans. The updated SEP and DCPs are critical to ensure the agency focuses its efforts on those activities likely to have strategic impact in advancing equal opportunity and freedom from discrimination in the workplace. The new SEP adds a priority focused on Strategic Impact and also emphasizes the importance of integrating the SEP and PCHP to achieve this objective. Clearly defined substantive area priorities allow the agency to consistently allocate resources where government enforcement is needed and impactful. Thus, the new SEP revised four of the priority areas (Vulnerable Immigrant and Migrant Workers, Selected Emerging and Developing Issues, Equal Pay Protections for All Workers, and Access to the Legal System) for EEOC's efforts. (b)(5)Your leadership in implementing the SEP and DCPs is critical to the development of cases with strategic impact and to the efficient management of the charge workload. The Commission is relying on you and your management teams to ensure that staff understand how the updated SEP and DCPs work to achieve both objectives. For example, the national focus of the SEP is on

ADDITIONAL DISTRICT ENFORCEMENT PRIORITIES

The Miami District encompasses all of Florida (with the exception of 11 counties in the Florida Panhandle), Puerto Rico and the U.S. Virgin Islands. The District has an extremely diverse workforce with specific issues related to the national SEP, but still unique to MDO. The following are additional MDO enforcement priorities with an explanation of how each complements the national SEP.

Florida's Gulf Coast is home to a significant amount of retirees living in "over 55" communities. Many of these older individuals want to remain in the workforce, or need to work to supplement their income. Given this unique demographic, (b)(7)(E) | | | | |
