VIA ELECTRONIC MAIL

This is the Department of the Treasury's (Treasury) final response to your Freedom of Information Act (FOIA) request dated October 12, 2017. You requested "a copy of the index of historical circulars for the Department of the Treasury, listing them from the years 1913 - 1958." Your request has been processed under the provisions of the FOIA, 5 U.S.C. § 552. A reasonable search was conducted for records responsive to your request. A search for records resulted in locating a total of 108 pages. These pages, which are enclosed, are released to you in full and without redaction.

There are no fees assessed at this time since allowable charges fell below \$25.

If you would like to discuss this response you may contact me, the FOIA Public Liaison, for assistance via email at FOIAPL@treasury.gov, or via phone at (202) 622-8098.

A FOIA Public Liaison is a supervisory official to whom FOIA requesters can raise questions or concerns about the agency's FOIA process. FOIA Public Liaisons can explain agency records, suggest agency offices that may have responsive records, provide an estimated date of completion, and discuss how to reformulate and/or reduce the scope of requests in order to minimize fees and expedite processing time.

If you are unable to resolve your FOIA dispute through our FOIA Public Liaison, the Office of Government Information Services (OGIS) also mediates disputes between FOIA requesters and federal agencies as a non-exclusive alternative to litigation. If you wish to contact OGIS, you may contact the agency directly at the following address, emails, fax or telephone numbers:
