1278-FOIA (640)
FOIA# 2017-00425

This letter is in response to your Freedom of Information Act (FOIA) request, dated March 14, 2017. The tracking number is 2017-00425. In your letter, you asked for the following:

- “1) The complete listing of BLM Manual sections, found on the internal BLM website at: http://web.blm.gov/internal/wo-500/downloads/Manual_Pages_in_Effect_Update.docx
- 2) The IRM Manuals page available internally at:
<http://web.blm.gov/internal/wo-500/directives/dir-manu/manu-dir.html>
- 3) The IRM Handbooks page available internally at: <http://web.blm.gov/internal/wo-500/directives/dir-hdbk/hdbk-dir.html>.”

In our search for responsive documents, we have located the enclosed material. We are providing 46 pages being released in its entirety.

As part of the 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

Office of Government Information Services
National Archives and Records Administration
Room 2510
8601 Adelphi Road
College Park, MD 20740-6001
E-mail: ogis@nara.gov
Telephone: 301-837-1996
Facsimile: 301-837-0348

Toll-free: 1-877-684-6448

Please note that using OGIS services does not affect the timing of filing an appeal with the Department's FOIA & Privacy Act Appeals Officer.

You also may seek dispute resolution services from our FOIA Public Liaison, Ryan Witt at (202) 912-7562.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this request, please contact Maritiza Harris, BLM WO FOIA Specialist, at (202) 912-7650 or via email at BLM_WO_FOIA@blm.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Krauss', with a long horizontal flourish extending to the right.

Jeff Krauss Chief
Division of Intergovernmental and
External Affairs

BLM HANDBOOK SECTIONS

Some Handbooks are non-public information and are not to be released to the public without clearance by your Freedom of Information Act (FOIA) Coordinator. Handbooks containing non-public information either contain sensitive information or may be withheld under a FOIA exemption. Contact your FOIA Coordinator if you are considering sending a copy to someone who is not an employee of the Federal Government. The letter "P" indicates that the Handbook may be released to the Public. The letter "i" indicates that the Handbook is internal and may not be released to the Public without clearance through your FOIA Officer. The letter "R" indicates that the Handbook is restricted and may not be accessible to everyone within the BLM.

New materials should be coming online every few days. If you need a copy of a document or attachment that is not available here, contact your local or State Records Manager.
