Re: Freedom of Information Act Request HQ-2017-00325-F

This is the Department of Energy (DOE), Office of Inspector General (OIG) response to the request for information you submitted under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested the following information:

“A copy or printout of the list of Department of Energy OIG investigations closed during calendar year 2015 and calendar year 2016.”

A review of the responsive documents and a determination concerning their release has been made pursuant to the FOIA, 5 U.S.C. § 552. Certain material has been withheld pursuant to subsections (b)(3), (b)(6) and (b)(7)(C) of the FOIA, hereafter referred to as Exemptions 3, 6, and 7(C), respectively.

Exemption 3 protects from disclosure information "specifically exempted from disclosure by statute;" in this case, the qui tam provisions of the False Claims Act, 31 U.S.C. § 3730(b), provides that False Claims Act complaints brought by individuals on behalf of the United States shall be filed in camera and remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The information being withheld under Exemption 3 remains under seal pursuant to 31 U.S.C. § 3730(b).

Exemption 6 protects from disclosure "personnel and medical and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. . . ." Exemption 7(C) provides that "records or information compiled for law enforcement purposes" may be withheld from disclosure, but only to the extent the production of such documents "could reasonably be expected to constitute an unwarranted invasion of personal privacy. . . ."

Names and information that would tend to disclose the identity of certain individuals have been withheld pursuant to Exemptions 6 and 7(C). Individuals involved in the OIG enforcement matters, which in this case include subjects, witnesses, sources of information, and other individuals, are entitled to privacy protections so that they will be free from harassment, intimidation and other personal intrusions.

To the extent permitted by law, the DOE, in accordance with Title 10, Code of Federal Regulations (C.F.R.) § 1004.1, will make available records it is authorized to withhold pursuant to the FOIA unless it determines such disclosure is not in the public interest.

In invoking Exemptions 6 and 7(C), we have determined that it is not in the public interest to release the withheld material. In this request, we have determined that the public interest in the identity of individuals who appear in these files does not outweigh these individuals' privacy interests. Those interests include being free from intrusions into their professional and private lives.

As required, all releasable information has been segregated from the material that is withheld and is provided to you. See 10 C.F.R. § 1004.7(b)(3).

This decision may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. 1004.8. Appeals should be addressed to the Director, Office of Hearings and Appeals, HG-1 /L'Enfant Plaza Building, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615 or by email to OHA.filings@hq.doe.gov, including the phrase "Freedom of Information Appeal" in the subject line.

Thereafter, judicial review will be available to you in the Federal district court either 1) in the district where you reside; 2) where you have your principal place of business; 3) where the Department's records are situated, or 4) in the District of Columbia.

If you have any questions about the processing of your request, you may contact our FOIA Public Liaison, Mr. Alexander Morris, who may be contacted by phone (202) 586-5955, or by email at Alexander.Morris@hq.doe.gov to discuss any aspect of your request. Also, please know that you have the right to seek dispute resolution services from the FOIA Public Liaison or the Office of Government Information Services (<https://ogis.archives.gov>) via telephone (202) 741-5770 / toll-free (877) 684-6448; fax: (202) 741-5769; or email ogis@nara.gov.

Sincerely,

A handwritten signature in blue ink that reads "John E. Dupuy" followed by "FOR" in a larger, more stylized font.

John E. Dupuy
Deputy Inspector General
for Investigations
