RE: Freedom of Information Act Request NGC19-379

This is a response to your Freedom of Information Act (FOIA) request dated June 20, 2019 that we received in our office on the same date via FOIAonline. We assigned your request the above internal tracking number in addition to your FOIAonline tracking number NARA-NGC-2019-000566. In your request, you asked for:

An electronic copy (such as a pdf file) of the Master Location Record, also called MLR, Hierarchical Reference Report by Record Group, for Record Group 509.

We have located one record totaling 33 pages that we are releasing to you in full. I have attached it as a PDF file to your FOIAonline case number. It may not show up right away, so allow an hour or two before you check for it. Please let me know if you have any trouble downloading it.

This completes the processing of your FOIA request to us.

If you are not satisfied with our action on this request, you have the right to file an administrative appeal within ninety (90) calendar days from the date of this letter via regular U.S. mail or email. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. If you submit your appeal in writing, please address it to the Deputy Archivist of the United States (ND), National Archives and Records Administration, 8601 Adelphi Road, College Park, Maryland 20740. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." If you submit your appeal by e-mail please send it to FOIA@nara.gov, also addressed to the Deputy Archivist of the United States. Please be sure to explain why you believe this response does not meet the requirements of the FOIA. All correspondence should reference your case tracking number NGC19-379 and your FOIAonline tracking number.

If you would like to discuss our response before filing an appeal to attempt to resolve your dispute without going through the appeals process, you may contact our FOIA Public Liaison Gary M. Stern for assistance at:
