RE: Freedom of Information Act (FOIA) Request No. BOEM-2019-00049

This letter is in reference to your FOIA request dated December 11, 2018 and received by the Bureau of Ocean Energy Management (BOEM) on the same date. Your request is assigned number BOEM-2019-00049. Please cite this number in any future communications with our office regarding your request.

Description of the Requested Records

You request:

[A] copy of the BOEM FOIA Case Log for calendar year 2017 and calendar year 2018.

Fee Category

We classified you as an “other-use” requester. As such, we may charge you for some of our search and duplication costs, but we will not charge you for our review costs; you are also entitled to up to 2 hours of search time and 100 pages of photocopies (or an equivalent volume) for free. *See* 43 C.F.R. § 2.39. You also agreed to pay up to \$25.00 for processing of this request. If, after taking into consideration your fee category entitlements, our processing costs will be less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected. *See* 43 C.F.R. § 2.37(g).

The Bureau’s Final Response to Your Request

Because you asked for the agency’s FOIA logs for calendar years 2017 and 2018, BOEM ran the “Bureau Log Report” in DOI’s electronic FOIA tracking system on December 20, 2018. The report was run for fiscal years 2017, 2018, and 2019 (to the date of the search) in order to capture all dates specified in your request.

Our search resulted in the retrieval of the attached FOIA Log Reports (39 pages total) that are responsive to your request. We are releasing it to you in full in the format in which it was generated in the electronic FOIA tracking system.

Mediation Services

The 2007 FOIA amendments created the Office of Government Information Services (OGIS) to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
