Falls Church, Virginia 22041

September 30, 2020

The United States Fish and Wildlife Service (FWS), Office of Law Enforcement received your Freedom of Information Act (FOIA) request dated February 10, 2020 and assigned it control number FWS-2020-00373. Please cite this number in any future communications with our office regarding your request.

You requested the following:

"A copy of the spreadsheet files describing and providing specifics on imports of live primates, exports of live primates, and importation of sport hunted primates, including also any primates shipped as live but arriving dead, with as many data fields as possible. I would like the data files for 2017, 2018 and 2019."

On September 10, 2020, you agreed to accept a standard declaration report tied to private citizens.

Response

This is a final response to your request. Enclosed is one CD containing one excel spreadsheet which is being withheld in part under exemptions 6, 7(C), 5 U.S.C. § 552 (b)(6), (b)(7)(C) as described below.

Exemption 6-43 C.F.R. §§ 2.23, .24

Exemption 6 allows an agency to withhold "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." 5 U.S.C. § 552(b)(6).

The phrase "similar files" covers any agency records containing information about a particular individual that can be identified as applying to that individual. To determine whether releasing records containing information about a particular individual would constitute a clearly unwarranted invasion of personal privacy, we are required to balance the privacy interest that would be affected by disclosure against any public interest in the information.

Under the FOIA, the only relevant public interest to consider under the exemption is the extent to which the information sought would shed light on an agency's performance of its statutory duties or otherwise let citizens know what their government is up to. The burden is on the requester to establish that disclosure would serve the public interest. When the privacy interest at stake and the public interest in

disclosure have been determined, the two competing interests must be weighed against one another to determine which is the greater result of disclosure: the harm to personal privacy or the benefit to the public. The purposes for which the request for information is made do not impact this balancing test, as a release of information requested under the FOIA constitutes a release to the general public.

The information that has been withheld under Exemption 6 consists of individual names, individual phone numbers, identification badge numbers, and address information, and we have determined that the individuals to whom this information pertains have a substantial privacy interest in withholding it. Additionally, you have not provided information that explains a relevant public interest under the FOIA in the disclosure of this personal information and we have determined that the disclosure of this information would shed little or no light on the performance of the agency's statutory duties. Because the harm to personal privacy is greater than whatever public interest may be served by disclosure, release of the information would constitute a clearly unwarranted invasion of the privacy of these individuals and we are withholding it under Exemption 6.

Exemption 7-43 C.F.R. §§ 2.23, .24

Exemption 7 protects from disclosure "records or information compiled for law enforcement purposes" if the records fall within one or more of six specific bases for withholding set forth in subparts (A) through (F). 5 U.S.C. § 552(b)(7)(A)-(F). We are withholding in full all the pages under Exemption 7 because they are protected under the following subpart 7(C).

Exemption 7(C) protects law enforcement records if their release could reasonably be expected to constitute an unwarranted invasion of personal privacy. It is regularly applied to withhold references to individuals in law enforcement files. For the materials that have been withheld under 7(C), we have determined that releasing them would constitute an unwarranted invasion of privacy because they identify individuals referenced in law enforcement records and the release of this information would not shed light on an agency's performance of its statutory duties.

We reasonably foresee that disclosure would harm an interest protected by one or more of the nine exemptions the FOIA's general rule of disclosure.

The decision to withhold this information was made by the undersigned and approved by Cathy Willis, FWS FOIA Officer, Division of Information Resources & Technology Management (IRTM). Larry Mellinger, Attorney-Advisor, in the Office of the Solicitor was consulted.

Fees

We do not bill requesters for FOIA processing fees when their fees are less than \$50.00, because the cost of fulfillment would be greater than the fee collected. See 43 C.F.R. § 2.37(g). Therefore, there is no billable fee for the processing of this request.

Appeal Rights

You may appeal this response to the Department's FOIA/Privacy Act Appeals Officer. If you choose to appeal, the FOIA/Privacy Act Appeals Officer must receive your FOIA appeal within thirty days.

Failure to include with your appeal all correspondence between you and the FWS will result in the Department's rejection of your appeal, unless the FOIA/Privacy Act Appeals Officer determines (in the FOIA/Privacy Act Appeals Officer's sole discretion) that good cause exists to accept the defective appeal.

Conclusion

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of FOIA. *See* 5 U.S.C. 552(c). **This response is limited to those records that are subject to the requirements of FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.**
