Re: NASA FOIA Tracking Number 21-HQ-F-00179

This responds to your Freedom of Information Act (FOIA) request to the National Aeronautics and Space Administration (NASA), dated November 29, 2020, and received in this office on January 5, 2021. Due to COVID-19 precautions, we do not have regular access to postal mail. You seek:

I request a copy of the most recent NASA Real Property "Asset Management Plan", which is provided annually to OMB and GSA by the Senior Real Property Officer at NASA under Executive Order 13327.

In response to your request we conducted a search of NASA's Facilities and Real Estate Division (FRED). That search identified the enclosed records that are responsive to your request. For your awareness, this most recent report was created in 2019, as it was not required in 2020. We determined that all 20 pages and 1 Excel spreadsheet are appropriate for release without excision and copies are enclosed.

Appeal

If you believe this to be an adverse determination, you have the right to appeal my action on your request. Your appeal must be received within 90 days of the date of this response. Please send your appeal to:

Administrator
NASA Headquarters
Executive Secretariat
ATTN: FOIA Appeals
MS 9R17
300 E Street S.W.
Washington, DC 2054

Both the envelope and letter of appeal should be clearly marked, "Appeal under the Freedom of Information Act." You must also include a copy of your initial request, the adverse determination, and any other correspondence with the FOIA office. In order to expedite the appellate process and ensure full consideration of your appeal, your appeal should contain a brief statement of the reasons you believe this initial determination should be reversed. Additional information on submitting an appeal is set forth in the NASA FOIA regulations at 14 C.F.R. § 1206.700.
