Subject: Freedom of Information Act (FOIA) Request

This letter is in response to your Freedom of Information Act (FOIA) request that was dated October 18, 2020, received yesterday in which you requested a copy of the INSIDENPS pages that show lists of program and regional office sites.

Upon review, your request is granted in full. Enclosed is one file containing two responsive pages.

Because the National Park Service creates and maintains law enforcement records, we are required by the Department of Justice to provide the following information, even though it may or may not apply to your specific request. Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that we are required to give all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Also as part of the 2007 OPEN Government Act FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a nonexclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation.

You may contact OGIS in any of the following ways:

I can be reached at the address above or by phone at 303-969-2959. My e-mail address is npsfoia@nps.gov.
