NATIONAL RECONNAISSANCE OFFICE

14675 Lee Road
Chantilly, VA 20151-1715

27 August 2010

This is in response to your letter dated 25 April 2010, received in the Information Management Services Center of the National Reconnaissance Office (NRO) on 3 May 2010. Pursuant to the Freedom of Information Act (FOIA), you are appealing the NRO's response your request for "...a copy of the agency log or listing of Mandatory Declassification Review Requests at the National Reconnaissance Office." Specifically, you limited the scope of your appeal to information withheld from release in "the field designated as 'Requester'" in the documents that were provided to you in our 9 April 2010 response to your initial request.

As the Appellate Authority, and after a complete review, I have determined that application of FOIA exemption (b)(6) to the information that was withheld in the "Requester" field in the responsive documents is not appropriate in the case. Our initial determination with regard to this portion of the responsive documents has been overturned, and the previously-denied information in the "Requester" field is being released to you. Revised versions of the affected documents, incorporating the changes in the portion specified in your appeal, are enclosed.

Sincerely,

Brian A. Malone

Enclosure:

- 1) Closed Cases Report (revised release)
- 2) Open Cases Report (revised release)
