SUBJECT: Freedom of Information Act (FOIA) Request
OIG FOIA Request Number 2010-05

I am responding to your December 27, 2009, request for a printout of IG investigations closed since October 1, 2008.

My initial determination is to provide to you a redacted list of investigations closed between October 1, 2008, and January 6, 2010. The titles of investigations are being withheld where necessary to protect personal privacy under FOIA exemption (b)(7)(C). 5 U.S.C. §§ 552(b)(7)(C). Names and IP addresses for data processing systems implicated in computer crime investigations are being withheld under FOIA exemption (b)(2) to protect substantial internal matters, the disclosure of which would risk circumvention of a legal requirement. 5 U.S.C. § 552(b)(2).

You have the right to appeal this initial determination to the Inspector General. Under 14 CFR § 1206.605(b), the appeal must: (1) be in writing; (2) be addressed to the Inspector General, NASA Headquarters, Washington, DC 20546; (3) be identified clearly on the envelope and in the letter as an "Appeal under the Freedom of Information Act"; (4) include a copy of the request for the Agency record and a copy of the contested initial determination; (5) to the extent possible, state the reasons why you believes the contested initial determination should be reversed; and (6) be sent to the Inspector General within 30 calendar days of the date of receipt of the initial determination.

A handwritten signature in black ink, appearing to read "K. H. Winters".

Assistant Inspector General for Investigations
