BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON, D. C. 20551

DIVISION OF MONETARY AFFAIRS

March 3, 2021

This letter is in response to two Freedom of Information Act ("FOIA") requests you submitted to the FOIA Service Center of the Federal Open Market Committee ("FOMC").

On November 13, 2020, pursuant to the FOIA, 5 U.S.C. § 552, you requested "any lists of FOMC memos that can be located within a 2.5 hour (two and a half hour) time period."

On November 13, 2020, pursuant to the FOIA, 5 U.S.C. § 552, you also requested "a copy of any listings or inventories of restricted FOMC documents that can be located within a 2.5 hour time frame. By restricted, I generally mean Class I or Class II Restricted FOMC documents. I understand that a limited search would not necessarily locate any sort of comprehensive lists – I am looking for any lists or inventories that can be located relatively quickly. [...] My request is not intended to obtain any sensitive information – rather I am trying to get an idea of the age and types of records designated as still-restricted Class I and Class II and which are more than 5 years old."

Given that the FOMC's "lists of FOMC memos" (the topic of your first request above) are included in the FOMC's "listings and inventories of FOMC documents" referred to in your second request above, we have administratively combined your two requests above.

Staff members searched FOMC records covering the period of 1936 through 2015 and found responsive material. The attached list of FOMC documents contains approximately 332 pages of responsive information. This responsive information includes the document dates, security classifications, and document categories for approximately 15,265 documents (please note that the security classifications listed may not fully reflect the current classification and status of the documents listed).

Your request is hereby granted in full.¹ Please let me know if I can be of further assistance.

¹ If you have any questions, you may contact the FOMC FOIA Public Liaison at (202) 973-7400.
