FOIA Case: 61052A
19 April 2010

This is a final response to your Freedom of Information Act (FOIA request of 11 March 2010 for "a copy of a list of all the Environmental Assessment (EA) reports prepared by NSA. In the event that a list of NSA EA reports does not exist, I request a copy of the title page to each of the most recent 20 NSA EA reports." As previously provided to you on 25 March 2010, your request has been assigned Case Number 61052. In that letter, we also explained that no list of the EA reports prepared by NSA exists, however, we would search for the 20 title pages.

Your request has been processed under the provisions of the FOIA. Enclosed is the material you requested. Some of the documents are poor in quality, but are the best copies that we have available.

As we previously informed you, we estimated our search cost at \$88.00. On 7 April 2010 we received your statement indicating your willingness to pay all assessable fees for processing this request. The final costs assessable to you total \$66.00 (3.5 hours search @ \$44.00 = \$154.00 less \$88.00 for two hours of free search equals \$66.00). Costs are computed in accordance with DoD Regulation 5400.7-R, which assesses \$44.00 hour for search. There are no charges for duplication since you are entitled to 100 free pages.

Please remit to the FOIA office (see below for address) a check or money order made payable to the Treasurer of the United States in the amount of \$66.00. Please include the number assigned to your case on any correspondence to assure that your account is properly credited. If we do not receive payment within 30 days of the date of this letter, we will close your case and we will not process any future FOIA requests you submit until past-due fees have been paid.

FOIA Case: 61052A

Payment of fees for your request should be sent to National Security Agency, FOIA Office (DJP4), 9800 Savage Road STE 6248, Ft. George G. Meade, MD 20755-6248. Should you have any questions, the telephone number of the FOIA office is 301-688-6527.

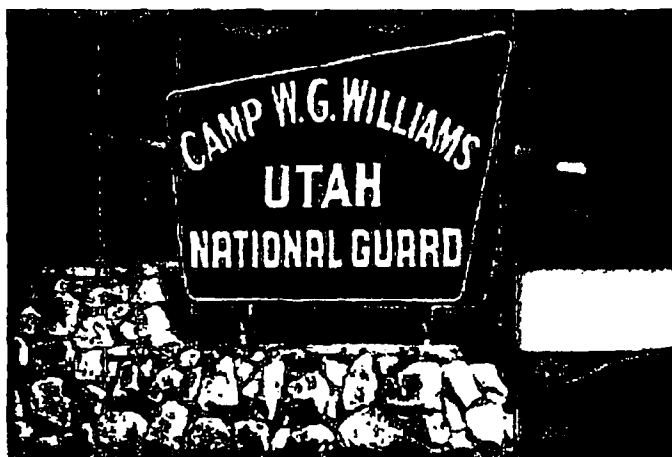

Sincerely,

for Marianne Stupar
