RE: NTIA FOIA 21-030 (DOC-NTIA-2021-000889)

On February 5, 2021, the National Telecommunications and Information Administration (NTIA), Office of the Chief Counsel, received your request pursuant to the Freedom of Information Act (FOIA), as amended (5 U.S.C. § 552). You requested the following:

- A copy of the records released in previous FOIA request case DOC-NTIA-2018-001831.

Pursuant to Department of Commerce FOIA regulations, NTIA is required to charge for fees for processing FOIA requests, 15 C.F.R. § 4.11(a). Since the total fee for processing your request is below the minimum threshold of \$20.00, there is no charge for processing your request.

Enclosed is the first and final response to your request. This response includes 318 records in one electronic file. All records are provided as they were originally released in the previous FOIA request and are released in their entirety without additional redactions.

This concludes the initial determination by the Department. You have the right to appeal an adverse determination of your FOIA request. See 15 C.F.R. § 4.10(a). An appeal must be received within ninety (90) calendar days of the date of this response by the Assistant General Counsel for Employment, Litigation, and Information (AGC-ELI), U.S. Department of Commerce, Office of the General Counsel, Room 5896, 1401 Constitution Ave., N.W., Washington, DC 20230. You may also send your appeal by email to FOIAAppeals@doc.gov or by FOIAonline if you have an account at <http://foiaonline.gov>.

The appeal must include the following: a copy of the original request; this response to the request; a statement of the reason why the withheld records should be made available; and the reason why denial of the records was in error. The submission (including email and FOIAonline submissions) is not complete without the required submissions. The appeal letter, the envelope, and the email subject line should be clearly marked "Freedom of Information Act Appeal." The email, FOIAonline, and office of the AGC-ELI are monitored only on working days during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday). FOIA appeals posted to the email box, FOIAonline, or the office of the AGC-ELI after normal business hours will be deemed received on the next normal business day.

You may also contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about FOIA mediation services. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001; email at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769. You may also reach the Department's Acting FOIA Public Liaison, Bobbie Parsons, at 202-482-3257 or via email at bparsons@doc.gov, for additional assistance.

If you have any questions regarding your FOIA request, please contact Stacy Cheney, Senior Attorney Advisor, at scheney@ntia.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy D. Smith".
