Re: Freedom of Information Act Request No. 2019USMS34172
Subject: Oldest FOIA Requests and Appeals and List of USMS Forms and Publications

Dear Requester:

The United States Marshals Service (USMS) is responding to your Freedom of Information Act (FOIA) request for the following: (1) the ten oldest pending FOIA requests as of July 25, 2019; (2) the ten oldest pending FOIA appeal letters as of July 25, 2019; and (3) the complete list of USMS numbered forms and publications.

Pursuant to your request, the USMS conducted a search for records responsive to your request within the Office of General Counsel's FOIA Division and the Management Support Division and located 20 pages of responsive documentation. These pages are released to you with portions withheld pursuant to Exemptions (b)(6), (b)(7)(C), and (b)(7)(E) of the FOIA, 5 U.S.C. § 552(b).

A search of the FOIA Division's records indicated that the following cases were the ten oldest pending FOIA cases on or around July 25, 2019:

1. 2014USMS26252
2. 2014USMS2527B
3. 2015USMS27291
4. 2015USMS27768
5. 2015USMS27903
6. 2015USMS29004
7. 2015USMS29105
8. 2016USMS29185
9. 2016USMS29516
10. 2016USMS29636

Regrettably, the original requests for 2014USMS2527B, 2015USMS27768, and 2016USMS29185 could not be located. However, USMS records indicate these 3 requests all

pertained to the same subject matter, Bitcoin.

FOIA Exemption (b)(6) allows an agency to withhold personnel, medical, and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Records that apply to or describe a particular individual, including investigative records, qualify as "personnel," "medical," or "similar files" under Exemption 6. FOIA Exemption (b)(7)(C) protects records or information compiled for law enforcement purposes to the extent that the production of such records or information could reasonably be expected to constitute an unwarranted invasion of personal privacy. A discretionary release of such records is not appropriate. See United States Department of Justice (DOJ) v. Reporters Committee for Freedom of the Press, 489 U.S. 749 (1989).

Finally, FOIA Exemption (b)(7)(E) exempts from release information that would disclose law enforcement techniques or procedures, the disclosure of which could reasonably be expected to risk circumvention of the law. Public disclosure of information such as internal URLs, codes, and internal identifying numbers could assist unauthorized parties in deciphering the meaning of the codes and numbers, aid in gaining improper access to law enforcement databases, and assist in the unauthorized party's navigation of these databases. This disclosure of techniques for navigating the databases could permit people seeking to violate the law to gain sensitive knowledge and take preemptive steps to counter actions taken by USMS during investigatory operations. The disclosure of this information serves no public benefit and would not assist the public in understanding how the agency is carrying out its statutory responsibilities.

Please be advised that we have referred part of your request to the Department of Justice Office of Information Policy (OIP) to complete a search and provide a direct response to you. USMS does not maintain appeal letters, and therefore would not have those files; however, OIP receives all appeals and therefore would be the likely custodian of those records. If you wish to contact OIP, you may do so at the following address:

Office of Information Policy
Department of Justice
6th Floor
441 G St NW
Washington, DC 20530

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with the United States Marshals Service (USMS) determination in response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account on the following website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

You may also contact Charlotte Luckstone or our FOIA Public Liaison at (703) 740-3943 for any further assistance and to discuss any aspect of your request. Additionally, you may

contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
