SBA-2020-002810	Mr. James Beasley	<p>I believe I am the victim of identity theft involving a loan program administered by the US Small Business Administration. On Saturday August 8, I was notified by a credit monitoring service that the US SM Bus Admin Oda initiated a new inquiry with the Experian credit bureau. Having not filed such an application, I immediately froze my credit reports and called the US Sm Bus Admin Call Center located in Fort Worth TX (800-366-6303) on Sunday August 9. After talking with a customer service representative, I learned that a loan application for \$150k was filed for James P Beasley Rentals using my DOB, SSN, and current/prior addresses. I learned that a loan application number was (b) (6) and that two unaffiliated phone numbers were listed with the application (401-883-8738 and 240-983-8283). For the record, I own no such business as I only work for the state of Rhode Island. On August 10, I contacted the RI District Office of Small Business Administration and was told the loan application was stopped and to FOIA the application. I am requesting this fraudulent application filed under my name so I can give it to local police department for additional investigation.</p>	8/11/2020	9/9/2020	Closed	9/11/2020	Full Grant

SBA-2020-002785	Mr. Scott M Schulte	I want all of the information that the Small Business Administration has on a small business loan inquiry with my information and social security number released to me so I can pass it on to the authorities. A person used all of my information and stole my identity trying to obtain a small business loan through the SBA last week. I will attach two picture files from My ID care credit monitoring company that I use that alerted me to this credit inquiry with my information used in it illegally. I did not submit this loan application. I contacted the SBA and had that loan inquiry stopped and their fraud department is investigating the case. I want all information used in the loan application released to me. I want their email information, any computer Identification information of theirs, mailing address used, cellphone number used, banking information used, date of birth, full name used, and anything else used all released to me so the police can file a report to help catch this person. I have requested the Office of Senator Tammy Duckworth (copied) make an inquiry to the SBA regarding this situation, which they have done. I also understand that an inquiry to the Office of the Inspector General and the Office of Disaster Assistance has been made by a Deputy District Director of the U.S. Small Business Administration on my request. Finally, I sent an email to what I believe to be the email address for Inspector General Hannibal Ware (hannibal.ware@doioig.gov) (copied) regarding this situation. I am a journalist employed by the Des Moines Business Record and am requesting information pursuant to Iowa's public records law found in Iowa Code Chapter 22. The information I am requesting is related to the federal Paycheck Protection Program. Specifically, I am requesting:
Data that shows the total number of Iowa businesses and nonprofit organizations that applied for relief under the Paycheck Protection Program but whose loan applications were denied. Ideally, I would like this information broken down by the county or city in which the business or organization is located. Also, if available, the reason for the denial and the number of workers employed by the businesses and nonprofits organizations whose applications were denied.
Chapter 22.8 states that most requests should be responded to within at least 10 business days.
If there are any fees for fulfilling this request PLEASE INFORM ME IN ADVANCE. Iowa law says that fees shall not exceed the actual cost of providing the service,
Thank you for attention to this matter.
Please contact me at the email or telephone number below if you have questions.

		RE: fraudulent SBA COVID-19 EIDL Loan Application (b) (6)					
		I am the victim of identity fraud. On Friday 7/31/2020, I received a notification from Experian indicating a credit inquiry from "US SM BUS ADMIN ODA" was made against my credit report. I subsequently added a "security freeze" and a "fraud alert" to my credit report on Experian, Equifax, and TransUnion.					
		On Tuesday 8/4/2020, I sucessfully contacted the Fraud department at the SBA office in Ft Worth, TX at (800)366-6303 x7688 (I tried on Monday 8/3 but I could not get thru). I spoke with a representative named Diane. I explained that I DID NOT APPLY for an SBA loan. Diane took my name and SSN. She found a fraudulent COVID-19 EIDL Application (b) (6) which had my name, address, birth date, SSN, and phone number. Only the email address was not accurate . Diane assured me the loan application would be closed, marked fraudulent, and forwarded to legal for possible investigation and prosecution.	8/4/2020	9/2/2020	Closed	8/8/2020	Full Grant
		Diane also advised me that I could submit this FOI request for any records relative to SBA LOAN APPLICATION (b) (6) so I have documentation referencing I was the victim of Identity Theft; it has been flagged as fraudulent; and the application was STOPPED. Can you please provide me with any all documentation as is available to me?

Under the Freedom of Information Act we request the following information regarding the COVID-19 EIDL Loans Program.

SBA-2020-002569 Patricia Coffman	Our company received a loan from the COVID-19 EIDL Program in the amount of \$150,000.00. We have requested more funds but received a letter indicating there is currently a cap on the loans in the amount of \$150,000.00. We enrolled in the program in March before the cap was in place. Due to several problems with the SBA processes our application was not processed in a timely manner. Our original application was numbered 2000157220 and our second application number was 3302095935. We contend that if our original application would have been timely processed we would have received more funds. We want to appeal the decision regarding the cap limit but need further information from the SBA.	7/31/2020	8/28/2020	Closed	9/11/2020	Partial	Ex. 6

She said the loan not approved on 7/13 and she will put a note on loan# on loan stop.
She said somebody from SBA Fraud department will contact me once I file the complaint.
As I have not got any call from SBA Fraud complaint, I contacted SBA on (Name(LITRSEE ?) on 7/17 to get an update.
She said the complaint department will get back to me this week and I have to wait until I get a call.

SBA-2020-002423	Mr. Andrew R Lashombe	<p>Hello,</p> <p>I'm hoping to learn more about American Cocktail Company. I'm interested in understanding what kind of liquor licensing request (if any) American Cocktail has made. The company, based out of 224 W. 35th Street 11th Fl, New York, NY 10001 appears to be circumventing New York State alcohol distribution/sales laws. What I would like to see are ABC (Alcohol Beverage Control) or food processing related license filing requests made to the New York State Liquor Authority, which are not currently available on the Declaratory Rulings section of NYSLA.gov. I greatly appreciate your help in this matter, to understand if a business is illegally selling liquor without a license over the internet.</p> <p>Please reach out to me at (b) (6) if further clarification is needed.</p> <p>Website of the company in question: https://www.americancocktailclub.com/</p> <p>Best Regards, Andrew Lashombe</p> <p>Request for a copy of EIDL application (b) (6)</p>	7/22/2020	Closed	7/23/2020	Not an Agency Record

As part of the City's plan to disperse its CDBG-CV funds, the City of Lake Charles plans to offer forgivable loans to qualified businesses. To determine the award and to prevent duplication of benefits, HUD requires that we verify the amount businesses have received from PPP and EIDL to avoid duplication of benefits. SBA-2020-002337	Lawrence Schmidt	<p>Research Objectives</p> <p>I request data on the balance and payment history of loans issued by the SBA for an academic research project. I would like to have historical information at the loan level, and at a relatively high frequency, of the balance outstanding and, if possible, loan statuses and payment amounts for SBA loans. I do not require any business identifying information, only SBA GP numbers would be sufficient for my analysis.</p> <p>Data Requests</p> <p>Dates and time frame: I am requesting data for the universe of SBA loans from 1992 to present (or as far back as is feasible). If making very recent data available creates a confidentiality concern , it is sufficient to only include information through 2018.</p> <p>Subject and data requests: The following information, listed below, from the SBA form 1502, in electronic, machine-readable form.</p> <p>I have already examined the publicly available data (e.g. the frequently requested reports that are posted on the website) and spoken with a few staff members at the SBA. The data we request above is not available in the publicly available data, which is why we are submitting a request for further detail. That said, that most sensitive component of these dataâ€”historical loan status and charge off informationâ€”has already been placed in the public domain at somewhat irregular intervals via the FOIA datasets that have been made available on the SBA website. Some interest rate information is also reported.</p> <p>Request for a copy of EIDL application (b) (6)</p>	7/17/2020	8/14/2020	Closed	8/18/2020	Full Grant

SBA-2020-002278	Alexander Dunn		I'm small business gym owner left out of the funding of the PPP program due to being a newly opened and recently expanded business with a net loss in 2019 and no employees. I would like the list of names of borrowers and business names receiving \$150k or more in the state of New York, as we are still responsible for our lease payments out of pocket. We need to prove our property manager (with nearly 25 warehouses) has received PPP funds so we can dispute making monthly lease payments during the pandemic. Our gym has been completely closed for nearly 4 months with zero income all while our landlord receives PPP, stimulus and still demands lease payment. 		<p>Dear Chief, SBA Programs, Field offices and FOI/PA Office Someone whom I believe who is in Calhoun State Prison filed A FRAUDL. LENT SBC Loex APPLICATION in my son Lonnie Reed's name. I have the Power of Attorney and a Release of Information to speak to you please call me at 47A 497 6342. My son is in state prison and he did not file any application., plus he never owned nNv business. My son has asked me to contact you, the warden, and the prison commissioner for help. My son and I are very worried. I learned last week that someone is going to receive a \$52000.00 thousand fraudulent mailed or an electronic deposit using my son's name. I do not know what address was used on the application. Nor do I know what telephone number was used on the application. Neither do I know the username nor password that were fraudulently set up to apply for the SBC loan. I sent an email to SBC at disastercustomerservice@sba.gov to tell them "Do not sent out any check with my son's name on it." My son told me an inmate named maybe Fred Thomas asked him for his GDC number and stayed he needed my son's GDC number to jpay email him. It is believe that Fred Thomas inmate in Calhoun State Prison is asking inmates for their GDC number, then I was told that a guard gets the inmate social security number and then Fred Thomas applies for SBC loans in the inmates rurmes. I was later told that Fred Thomas makes accounts while he is in prison using Cash App, Chimes.com and Greeddot.com.</p>

Hi Melissa,

I’d like to request a FOIA on the materials used for the selection process. Specifically, I’d like to request access to copies of the qualifications and anything in writing or electronic format that shows these qualifications of the candidates referred and or selected.

I am requesting this information and that this information should be made available to me because of the precedent set forth in CORE vs. USPS that stipulates there is no substantial invasion of privacy and information identifying successful federal job applicants which includes the qualifications that I am requesting today.

Thank you for your time.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

I do need a protection on reporting this issue (Company Identity Theft on SBA COVID19 EIDL Grant/Loan and PPP Loan fraud) but as Company President and CEO, I also need to know who or at least how much SBA EIDL Grant, EIDL Loan and PPP Loan were funded with my company EIN: (b) (4) (Carfie Inc). This suspects also falsified non-existing Payroll information to obtain PPP and caused Dishonored Payroll Tax and damaged my IRS record (see attached).

Please email or mail me the information so I can further hire Criminal Lawyer for my company.

For my company Carfie Inc (EIN: (b) (4) Please see attachment for IRS Determination/Verification Letter written to President of Carfie Inc which is Jeeha Kim and Address stated above)

SBA-2020-002234	CARLOS D. RODRIGUEZ-BONETA, ESQ. Precisely, due to the inconsistency of the information we have received, it is important for us to obtain a copy of the loan documents to know what the applicant's representations were before the SBA and if said information and / or documentation is pertinent to sustain any of our defenses. (Due to the claim that is made against my client, it is essential for us to have complete information and documentation on the loan application and the documents that the defendant had to deliver to SBA). 		<p>I understand that the SBA is refusing to provide this information to the public. Our tax money goes to these payments, and we the public are entitled to know who is receiving the money. There is no basis whatsoever for Secretary Mnuchin to refuse to provide this basic information. I am not asking to see the complete applications, but surely the SBA maintains some sort of electronic list of all entities that have received the money, and how much each of them have received. 			<p>To whom it may concern,</p> <p>We are professors of finance at the University of San Francisco. We would like to obtain loan-level data of US small businesses for academic use in a study on the Paycheck Protection Program (PPP) during the COVID-19 pandemic. Dear SBA FOIA Officer,

I hope that you are well and healthy in this time.Â

I am writing to request a dataset of loan-level information for the SBA 7(a) program for loans originated between 2010 and the present. I very much appreciate the available dataset made available on your website's FOIA page. However, I would like to receive the same loan-level data set with additional fields related to borrower demographic information, specifically: (1) veteran status, (2) gender, (3) race, (4) ethnicity, (5) whether the prospective borrower was arrested in the past 6 months for any criminal offense, (6) whether, for any criminal offense other than a minor vehicle violation, the borrower has ever: 1) been convicted; 2) pleaded guilty; 3) pleaded nolo contendere; 4) been placed on pretrial diversion; or 5) been placed on any form of parole or probation (including probation before judgment). These are all fields that the borrower must include on Form 1919.

As I anticipate that I am requesting these records as an "Other (general public)" requestor category, I understand that I am subject to search fees above and beyond the first two hours of work. As a result, at this point in time, I am requesting that search only be performed for the first two hours (or under conditions such that my search fees are \$0). To the extent that additional search time is required, I am requesting that I be notified in advance of the estimated

We would like a comprehensive list of Paycheck Protection Program (PPP) loan recipients, along with their locations (preferably their addresses, or alternatively down to the county level), application dates, and the loan amounts applied for and received. We would like the results in Excel format, if possible. Additionally, as a data-analytics firm working on COVID-19 research, we believe that we are a noncommercial scientific institution as defined by 13 CFR Â§102.8(b)(2).

SBA-2020-002012	Mr. Shawn J Pallagi	CP Dreamworks Pizza LLC.	By way of background, I am currently in a dispute regarding my ownership interest in a Texas limited liability company called CP Dreamworks Pizza LLC. The manager of CP Dreamworks Pizza LLC, Christopher J. Pallagi, claims that I do not have any ownership interest in the company because my equity contribution was, according to him, a loan. My understanding is that CP Dreamworks Pizza LLC obtained two Small Business Administration 7(a) loans-one on March 10, 2016 and another on September 28, 2017. I am investigating whether he disclosed my equity contribution as a loan on his loan application with the SBA. I need to know what is happening with this investigation since it is somewhat urgent! I am without a home due to the illegal acts by the lender bank....SONABANK. As a senior in my seventies- this is atrocious and any delay is causing extreme anxiety. I have already waited years for a resolution- I hope that one is reached now but I will have to follow up with the investigator so that it is not set aside and forgotten about!!</p>	<p>6/25/2020 8/7/2020 Assignment Determination</p>

3A-HQ-2020-0019:	(b) (6), (b) (7)(C)	Documents sufficient to determine the current status of complaint number (b) (6), (b) (7)(C)--- My request as an individual who had my personal information used by another person is to have the date the application was made, who made the application (who was to receive results of application), confirmation that my personal information was used by another person in the application in order to attempt to get the loan/grant approved. A copy of the completed application would confirm the information I am requesting. I did not apply for a loan or grant for myself nor my business. I have never given anyone the right to use my social security number or any identifiers about me to apply for any loans or grants. I believe that a Reid Renicker used my name, and my social security number without my permission to apply for an SBA loan or grant. This is what I am needing proof of is that my internal hunch/gut indicates that Reid Renicker applied using my name and personal identifiers such as social security number when completing an application for a loan or grant through the SBA. If you need me to verify my birthdate or last 4 digits of social security in order to validate who I am, please let me know.	6/22/2020	8/3/2020	Closed	8/5/2020	Partial Grant/Partial Denial	Ex. 7(A)

Dear madam/sir,

I would like access to loans made under the The Paycheck Protection Program (PPP) that began on April 3rd, 2020 as part of the 2020 CARES authorizing \$349 billion in forgivable loans to help small businesses pay their employees.

Specifically, I am interested in very same data provided to Granja, Yannelis, Makridis, and Zwick authors paper available at https://papers.ssrn.com/sol3/papers.cfm?abstract_id=3585258&download=yes

Thus, I would like to ask information on the number and amounts of approved PPP loans from the Small Business Administration by each lender as well as amounts and number of loans received by small businesses in each state, and total amounts and number of PPP loans received by small businesses in each congressional district as of April 15, 2020.

I plan to use this data in a research project that looks at effects of the current crisis on small businesses and will likely contribute significantly to public understanding of government operations or activities and effects on small businesses in the US.

I will not disclose any individual bank or individual business information, but rather will use aggregated statistics and regression results.

Please see letter attached.

Dear FOIA Officer:

In earlier requests to this office (SBA-2020-000555, 557, 620, 622, 910, 911, 1018, 1019, 1167, 1168, 1299, 1300, 1398, 1399, 1471, 1472, 1822, 1823, 1847, 1848) I requested loan-level data from the SBA's coronavirus loan programs for certain time periods. The SBA has responded to some of these requests by stating that it plans to turn its efforts to providing loan-specific data at a future date.

This letter simply extends the time period of data requested up to 6/17/20, and is otherwise identical to the earlier requests.

SBA-2020-001861	Mr. Scott Michael Graham	Luke Adams Glass Inc.	I am concerned that a former employer (Luke Adams Glass Inc.) who opted to not have me return from a military service agreement may have forged my signature on a document required to have been signed by an employee stating that it was the employees choice not to return to work upon the procurement of a PPP loan. I was the only employee who was not brought back to work upon restart of PPP loan, while I was on military orders. Upon my return the employer requested I sign a form saying that my not returning to work was my own choice. It was not my choice to return to work, I fulfilled my requirements under USERRA and I have a clam in with the DOL V.E.T.S for failure to reinstate a protected class employee, as well as potential wrongful termination of a protected class employee. I want to ensure that the Employer did not submit a form in my name, with my signature as they would need to submit that document in order to have loan forgiven, as I did not make the decision to return to work when I returned.	6/15/2020	Closed	7/9/2020	Improper FOIA Request for Other Reasons

My name is Jonathan Powers, and I am submitting this FOIA request on my own behalf and for noncommercial use.

My mailing address is (b) (6)
my email address is (b) (6), and my telephone number is (b) (6)

I am requesting a list of businesses that received a loan under the Paycheck Protection Program established by section 1102 of the Coronavirus Aid, Relief, and Economic Security Act. In particular, I am seeking the name, address, and loan amount for each recipient.

I would like to receive any responsive records in electronic format, preferably in a comma separated values (CSV) file or other tabular format (e.g., Excel) or structured format (XML, JSON, etc.). But any electronic format would be acceptable.

I am willing to pay fees but please contact me if the SBA estimates that the total fees for processing this request will exceed \$25 so that I may have the opportunity to narrow my request in order to reduce the fees. My requester fee category is Other (general public).

Please let me know if you have any questions.

I am requesting the following documents from the SBA:

1. A copy of any and all communications between the Small Business Association (SBA) and the Wisconsin Cooperative Educational Service Agency #6, often referred to as CESA6 or CESA#6, in 2020. Because the Paycheck Protection Program (PPP) is newly established, there is a relatively short timeframe and documentation we are asking you to review and produce for us.

a. For background, a CESA is not a state agency, but is a governmental subdivision. CESAs are intended to promote cooperation among member school districts and to serve as a means through which districts can purchase goods and services more economically and efficiently than could be obtained by acting individually. CESAs may also contract to provide services to private agencies and schools within their geographical boundaries, provided the service was developed for and has been provided to public schools and the service will have no negative effect on the agency's ability to serve public schools.

2. A copy of any and all documents, including application materials, bank approvals, relating to any award of a PPP loan to CESA #6, this would include any application to the SBA for a PPP loan, any documentation supplementing an application, any documentation from the SBA to CESA 6 approving the loan, and any and all documentation relating to the amount

SBA-2020-001781	Gary Corona		<p>Hello,</p> <p>I am respectfully requesting any information including, but not limited to, my application for a forgivable disaster advance. I have requested help for several weeks, as I have not received the advance in a timely manner. The automated response I continually receive from the SBA states my application will be processed in the order it is received. This is not true, as many applicants from my industry applied after me and have received their advance. I APPLIED NEARLY 3 MONTHS AGO! I contacted the ACLU as well as a local attorney and they would like to see my application, as well as any other information that apparently caused denial of my advance. You would think that during this unique and trying time, that a Federal Agency such as the SBA would extend courtesy, compassion and understanding but unfortunately I have been treated with disrespect and discrimination. I am not going away regarding this matter and will pursue with any means necessary to correct this injustice.</p>	6/8/2020	7/7/2020	Closed	8/1/2020	Request Withdrawn

Re: Freedom of Information Act Request

This is a request under the Freedom of Information Act.

I request that a copy of the following documents, in excel format, be provided to me: all Paycheck Protection Program loans awarded to any and all businesses with an Ohio address, including, but not limited to name of business, address, total number of employees, total loan amount

In order to help to determine my status to assess fees, you should know that I am a representative of the news media affiliated with WEWS-TV (News 5 Cleveland) and this request is made as part of news gathering and not for a commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of how taxpayer dollars are being used during the COVID-19 pandemic to assist businesses affected by the economic consequences of the shutdowns.

Thank you for your consideration of this request.

Sincerely,

Sarah Buduson

However, this loan has a lien as to a second mortgage and needs to be removed as such. This was tied specifically to home contents only. I have tried to contact the realty department and there is no answer with numerous calls. Thanks.

I am seeking PPP loan information regarding Elmhurst Academy of Early Learning located at:
212 W Lake St #1507
Elmhurst, IL 60126

I request information per my rights via the FOIA as to whether Elmhurst Academy applied for and received a loan from the SBA by way of the Paycheck Protection Program (PPP) recently enacted as part of the CARES Act set forth by Congress. Colleen Odegaard is the director and is likely the party responsible for applying for and acquiring the loan. I would like to know specifically:

- 1. Whether a loan was granted through the PPP through the SBA
- 2. What amount was granted via the PPP through the SBA

5/14/2020 6/15/2020 Closed 6/30/2020 Full Grant

Any specifics you're able to provide would be appreciated. My children attend Elmhurst Academy and the Academy has not at all been forthright about tuition expectations throughout their closure due to Covid-19. They have continued to charge tuition claiming the tuition is funding Teacher salary. The spirit of the PPP loans is to help cover the burden of employee salaries during Covid closures and to help small businesses continue to pay and retain their employees. I am requesting this information in an effort to discover if the Academy and therefor the Director (Colleen Odegaard) are double dipping by collecting Tuition and PPP

I'm asking, is there any documentation that I can see about how much was received? I only want what's fair and legally responsible. My name is Wesley Hirman. My complete mailing address is (b) (6). My telephone number is (b) (6). My email address is (b) (6). The small business that I work for and that I am requesting information about is Minute Men Professional Movers. The address is 10740 Lyndale Ave S, Bloomington, MN 55420. I am only requesting information on the payroll protection program loan. If I could get some kind of documentation or information on this that would be greatly appreciated. I only want to keep my employer honest and upstanding. Thank you for your time

To whom it may concern:

This is a request under the Freedom of Information Act. I am requesting the complete list of businesses to receive Payroll Protection Program loans from the Small Business Administration, in the following Pennsylvania counties:

Philadelphia; Montgomery; Delaware; Bucks; and Chester.

In order to help to determine my status to assess fees, please note that I am a staff writer at Philadelphia magazine, and that this request is made as part of the news gathering process, not for a commercial use.

SBA-2020-001038 Mr. David Murrell

Philadelphia
Magazine

To that end, I am requesting a waiver of all fees associated with this transaction. This request is made in order to inform the public which businesses have received taxpayer support through the Payroll Protection Program, which is a matter of legitimate public interest. The list of recipients of PPP loans is not widely reported, and this information will contribute significantly to the public's knowledge of government operations and spending. As a writer at Philadelphia magazine, I intend to report a story disseminating this information, relevant to the local community surrounding Philadelphia.

If possible, I request that the list of businesses be provided to me electronically. If you are to determine there are to be fees

SBA-2020-001014 Abraham Ituah	<p>Unfortunately, the SBA headquarter listed phone number is not working and voicemail is full. I waited to be answered the call dropped. The email link is not working. Hence, I sent the email message from my personal computer.</p> <p>However, I am compared to request that your office should release the application to apply for EIDL loan/grant. It is very disappointing that the small business administration office are denying citizens the opportunity to apply for EIDL. Some of us who failed to apply within the few days the application was opened have reasons. For instance, I was unable to apply because illness. It is troubling that SBA decision not to reopens the application after more money is voted to complete the exercise is unfair and unjustifiable. After all, IRS have the list of most or all active small businesses in the nation.</p> <p>I hereby request for a link to apply for the EIDL application because it is my right to apply as a small business owner. Dear SBA administrators,

My name is Jun Chen. I am an academic researcher associated with the Social Science Division at Caltech. I am planing a research project to study Venture Capital (VC) financing in the US. As I am aware, the SBIC program provides an important source of capital for venture capital funds. Therefore, it will be extremely useful for me to access to the information on venture capital funds that participate in the SBIC program. So I would like to make a FOIA request from SBA on such data that spans a sample period as long as possible (the earliest year I learned is 1976), and contains as much information as possible including VC fund name, location, type, status, entry and exit from the SBIC program.

Thank you very much for your response to this request at this unusual times.

Best,
Jun

SBA-2020-000929	Mr. Roger D Sago		Receive a breakdown of all loans issued by banks via the CARES Act, for the Payroll Protection Program, where loans in excess of \$340 Billion were issues, where banks were allowed to collect from 1 to 5% processing fees for the loan. There is no justification in this world, where \$20M could have been issues to Ruth's Chris Steak House, and the bank make a 1% processing fee (\$200,000). These monies could have been better served going to companies directly needing the money, rather than putting these fees into the banks hands. America has a right to know who got these fees as it is with our public tax dollars that it was paid.	4/24/2020	5/22/2020	Closed	5/5/2020	Full Grant

I am a reporter at the Associated Press. I'm writing to request the following information in an electronic format, preferably a CSV file or delimited file, even an Excel spreadsheet or Access database file: * the name of each individual/entity approved for a Covid-10 Economic Injury Disaster Loan (aka borrower); * the street address of the damaged property; * the city of the damaged property; * the state of the damaged property; * any unique identifier the agency uses for the damaged property in its electronic records system; * the verified losses by total, by real estate and by content; the dollar amount of the loan approved by total, by real estate, by content and by EIDL; and the date of the loan's approval. I would like to get this information via email Zip file, but if the size is too large to email, you may also upload into a data-file sharing site from which I can download the files remotely. This information is a matter of public record, because the loans are taxpayer-backed. Your agency has historically released such information, and within the last few days, released aggregate statistics on this loan program: <https://www.sba.gov/sites/default/files/2020-04/EIDL%20COVID-19%20Loans%204.20.20.pdf>. The purpose of the request is to determine whether the bank is preferentially choosing larger loan sizes at the expense of smaller borrowers because the economic gain from fees and interest is higher with the larger loan sizes as opposed to lower loan size with the smaller borrowers, thus excluding smaller size small businesses.

Hi there,
Your FOIA site requests a number of pieces of information about me as a requester, so let's start there:

Nicholas Evans

I am requesting the following as a member of the media:

Please provide the following information about the Ohio recipients of loans under the Paycheck Protection Program:

The business name, its address, the amount of the loan, the loan terms (if they vary), the application date, the approval date, and the banking institution through which the business applied.

I'd like the above provided in an electronic, searchable format. If there is one spreadsheet that contains substantially all of these that you can provide more quickly than attempting to gather all of the data points please let me know so I can consider altering my request.

			2. Amount of the loan for each recipient. 3. Location of the recipient: full address or city and state. 4. Industry category for each recipient. 5. Number of employees of each recipient. All Paycheck Protection Program loan applications, approvals, and lender agreements, and related applied for and granted and/or denied from April 3, 2020 until the date this request is processed [the request was filed on April 17, 2020]. As you know, The Paycheck Protection Program loan application clearly states: "SBA must supply information reflected in agency files and records to a person requesting it. Information about approved loans that will be automatically released includes, among other things, statistics on our loan programs (individual borrowers are not identified in the statistics) and other information such as the names of the borrowers (and their officers, directors, stockholders or partners), the collateral pledged to secure the loan, the amount of the loan, its purpose in general terms and the maturity."

I am a reporter at the Associated Press. I'm writing to request an electronic copy of the database that SBA maintains for its disaster loan program. The time frame for this request is loans approved and declined between Jan. 1, 2020, and the date of this request.

I have reviewed the data files SBA makes available online (find those here: <https://www.sba.gov/about-sba/sba-performance/open-government/digital-sba/open-data/open-data-sources>). While I wish to receive the fields of information in those publicly available files as part of this request, I am also seeking through this request several additional fields from the underlying database the agency maintains. Those additional fields I request are:

			Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I request access to Small Business Administration figures describing how much of the Paycheck Protection Program (PPP) funds that have been approved for small business owners have actually been disbursed to those business owners. Specifically I would like a breakdown of how much money was disbursed to business owners each day, beginning with the program's inception on April 3rd (the date on which business owners could first apply for the PPP funds). SBA provides reporters with a figure almost daily for how much PPP money has been "approved" for small business owners but has yet to answer any questions on how much business owners have actually received. I would like the receive this information in an electronic report, either e-mail, PDF, or .DOC file.					

Dear James,

I hope all is well with you and your family in these difficult times.

I work with a collection of large financial institutions, and we are all extremely concerned about the condition of the U.S. and global economies. To help alleviate these concerns and improve the functioning of the capital markets, we believe that timely access to SBA data on EIDL and PPP loans would be extremely informative. A key ingredient creating panic today is the lack of timely data on the state of the economy. Having insight into the extent to which small businesses are applying for EIDL and PPP loans would be a step in the right direction.

Would it be possible to gain access to this data as quickly as possible? Even aggregate numbers would be helpful. I believe that such data would normally eventually be made available here:

<https://www.sba.gov/offices/headquarters/oda/resources/1407821>

Any way to speed up the process, even simply by sending CSV files via email attachments, would be highly appreciated. If you are not the right person to contact regarding this, please point me in the right direction.

SBA-2020-000579	Donald Vivier		<p>I want records pertaining to how the SBA came to the determination on how the EIDL grants would dispersed during this Covid-19 crisis. The SBA has not followed the law regarding the 3 day payment of a \$10,000 grant, of which amount was to be decided by the borrower and not the SBA. For whatever reason the SBA has decided go against the law and disperse the funds at the rate of \$1000 per employee, up to 10 employees. Again NOTHING in the law says this is how it should or will work.</p> <p>In addition I want to know how these funds have currently been utilized, the amount that has been paid out, and a full listing of the businesses who have been paid.</p>	4/13/2020	5/11/2020	Closed	6/10/2020	Fee-Related Reason

Dear Officer,

I am a finance professor from the University of Hong Kong and I am doing research on how the current epidemic affect small business access to credit in the US. Given this I am writing to ask if data on the SBA lending records (e.g. program 7(a) or 504 or disaster loans) in recent months is available (and if not by when will it be) and if we can apply for access to the data? This data would be very helpful for us to understand the financing problems that SMEs are facing and what interventions can help them. Thank you very much for helping with this in advance!

Best regards,
Mingzhu TAI

Dear Records Officer,

I am interested in getting access to SBA disaster loans made to businesses in the aftermath of Hurricane Katrina/Rita. Specifically, I'd like to collect data both on loan applications and on loans made by the SBA as part of this program. I am a Professor at the University of Pennsylvania and will be using this information for academic research.

This paper has similar data to what i am interested in:

			<p>I inquire about working with your team to process a FOIA request to use SBA loan-level data to study several questions at the intersection of macroeconomics and finance. A summary of our request is attached below (please confirm receipt, as I’ve run into issues sending emails to others at SBA). I already spoke with Marybeth Kerrigan and Bob Carpenter and they suggested I reach out to your team to talk about next steps. Also, my understanding is that SBA has indeed tracked and stored this information for a considerable amount of time.</p>

We will not disclose confidential information from the data or use the data for financial purposes. If necessary, we are open to setting up a formal data use agreement to clarify the terms and conditions about sharing with other and confidentiality protection. Indeed, one primary objective is to merge these data with confidential microdata from the Census Bureau (we have already obtained permission from Census to do so), which would imply that any analysis would be subject to strict confidentiality protection standards and a formal disclosure review process.</p>	3/17/2020	4/20/2020	Closed	4/15/2020	Full Grant

			Dear SBA members,						
			My name is Jun Chen. I am an academic researcher associated with the Social Science Division at Caltech. I am currently working on a research project that studies the financing constraints of small businesses across the country. To make my study possible, I would like to access to the SBA loan data. In particular, if possible, I would like to make a FOIA request on the SBA loan data that contain every loan made under the SBA's flagship 7(a) lending program from 2000 till present. If possible, I would also like to have as much loan and firm information as possible for each loan issued, such as firm employment, job supported, revenue and industry codes.

SBA-2020-000422	Roy F Ewers		<p>I am seeking to obtain the names of the SBA lenders investigated in the OIG Report Number 18-21 of August 15, 2018. The lender names of two loans specified in the initial review and the names of any other lenders that are being reviewed under this process. I am requesting this as the numbers used in the loan amounts and the default process leads me to believe that my SBA complaint (b) (6), (b) (7)(C)) and the hundreds of pages of documents and CD that I provided to the SBA were used. In addition my OCC (office of controller of the currency) complaint (OCC - 2528295) and the subsequent emails received from the lender requesting my LOAN SETTLEMENT DOCUMENTATION as they had MISSING pages in their records. Under advice of counsel I did not give them the data. It was requested by the lender about the same time the OCC was investigating. Travis Farris in the SBA has been my contact for the complaint. As the report states the lenders did not sufficiently prove that they open and closed the loan within SBA requirements. I therefore would like to obtain the name of the original lenders that were reviewed and the names of lenders that are to be reviewed.</p> <p>I am willing to pay any fee to obtain this information</p> <p>I would like it sent in PDF or Word form.</p> <p>Respectfully Roy F. I need the verification of payments for my 2019 FTR. I've never had to pay for this information, so I'm not sure if (or what) a fee amount would be. Please advise. I do not want to slow down the response since my CPA needs these records to file my returns. Thank you in advance for your assistance.

It is our understanding that the SBA has been providing High Country News with the form 1010 and tribal ID cards for companies that qualified for the 8(a) program by claiming to be Native American-owned, and that several batches of documents have been provided so far.

We would like to be provided with these same records. Given that these documents have already been vetted for exemptions and compiled for disclosure, would we be able to obtain them this week?

I look forward to hearing from you.

All the best,

Dear Sir or Madam,

I am writing with regard to a FOIA request with regard to the Small Business Administration.

More specifically, I seek information pertaining to the administration of the SBA "Economic Injury Disaster Loan." ("EIDL")

SBA Form 1368 (OMB No.3245-0017) provides a description of basic qualification requirements.

However, we would like to learn more about the actual underwriting and lending guidelines that will be employed in determining whether or not an applicant will qualify for a loan. This underwriting process is often referred to as the calculation of a "risk rating" that would be attributed to the applicant.

Essentially, I would like to receive information that explains how applicants are reviewed, and what factors are employed, and in what manner, in order to determine a risk rating for an applicant, which would determine whether or not a loan request is approved.

We are a law firm located in Miami, Florida, which did receive an Economic Injury Disaster Loan (EIDL) from the SBA in the wake of hurricane Irma in late 2017. We are in the process of applying for an increase to that loan (SBA EIDL #

Good morning SBA:

My name is Elizabeth Hecker, and I live in Agoura Hills, California.

My credit report shows that someone tried to take out a SBA loan in my name.

I can assure you that I did NOT apply for an SBA loan. This is fraudulent, and I have notified the credit report people at EXPERIAN.

The file number for your reference is: (b) (6)

I would like to FOIA this loan application please. It was done fraudulently in my name - I had no part of it. As you can see from this email address, I actually work for the Federal Government. I do not currently and I never have owned a business.

Please respond as soon as possible.

Elizabeth Hecker

I am requesting this information under the Freedom of Information and Privacy Acts (FOIA/PA.)
Loan number (b) (6)

Earlier this month I asked for a copy of the loan application (see email attached.) I am submitting a SECOND request for this to be urgently completed. I am requesting the following:

*copy of application
*any other documents related to this loan (I spoke with Kourtlen Asberry from the SBA Fraud Department) and I am aware that there is at least a fraudulent tax return in my name on file)

Detective Lebo is working on my case and he will be emailing this email address as well. He has already issued several search warrants and has identified the fraudster and her IP address from another transaction that was made fraudulently in my name. The Detective would really like to link the SBA loan to the case but urgently needs details about the loan application

Regards,

Jennilyn Calvert

Good afternoon,

I am writing with regards to the fraud complaint lodged in October under complaint ID (b) (6), (b) (7)(C). We believe a SBA loan was taken out fraudulently under our Company name. We found out about the loan when the attached bill was sent to us for payment. Can you please advise the status of the investigation?

Dear Sir;

On December 29 an attempt to gain a SBA loan under my name was reported to me by my credit reporting agency. This attempt is fraudulent, I have communicated with your SBA fraud team member from Fort Worth on December 30th. He advised the application # for this loan attempt is (b) (6). To whom it may concern,

I requested a copy of the application, Case# (b) (6), back in October (see below) and I have still not received anything. I called today and they said the email to request this.. is now the FOIA@SBA.gov

Please send me a copy of the application, case (b) (6), as soon as possible.

I have filed a police report on this. I have also received a letter addressed to someone in my old address (b) (6) with a name I have never seen in the 5+years I have had the POB. and wondering if it could be a lead and support your investigators in finding the culprit. Contact me for more information. My sister, whose address I was told was on the application experienced a violent break in at their condo building around that time, where someone ripped the entire mailbox with everyone's mail in it off the wall looking for something.. I wonder if it's related... (first break in at that building ever).

Why aren't investigators working with the victims? To me, it would seem they could get some possible leads and solve this problem.

Sincerely

Lenai Smith

I am inquiring on the status of me reporting fraud on loan number (b) (6).

I have made multiple attempts to contact someone about this including completing the online fraud as well as emailing in multiple times. I have not received any return contact or acknowledgement to my communication. I continue to receive bills to make payments on the loan.

My original fraud complaint was submitted via toll free SBA Fraud Hotline #1-800-767-0384 in late October 2020, after receiving a suspicious and official payment reminder letter dated 10/20/2020 for a SBA disaster loan that I did not apply for. The letter referenced SBA Loan # (b) (6). I did not apply for, nor receive proceeds from a SBA disaster loan. THIS IS A FRAUDULENT ACT.

Subsequently, on 11/8/2020, I filed a local police report #20-0499 with Fair Oaks Ranch Police Department, located at 7286 Dietz Elkhorn, Fair Oaks Ranch, TX 78015. Responding FORPD officer Matthew Drexler. (b) (6)

On 11/19/2020 I received a 2nd official payment reminder letter from SBA referencing the same fraudulent loan (b) (6).

Determination

Other than the two official payment reminder letters (statements) from SBA, I've received no further communication from SBA regarding my October fraud complaint submission. Furthermore, the SBA Fraud Hotline no longer accepts calls to their toll free hotline and directs all inquiries to SBA.gov/oig/hotline. My online submissions to this portal have, to date, gone unanswered.

Since I continue to receive SBA payment reminder letters, and since I've received zero follow up communication from SBA regarding my October fraud complaint, I can only assume that SBA has taken no action toward finding remedy for this fraudulent SBA disaster loan that is still active and erroneously attached to my name (b) (6). This matter is unresolved and unacceptable. Application number (b) (6).

A fraudulent loan application was recently submitted in my name. Please provide me with a copy of this information. Thank you Amy Guhr.

I submitted a complaint with ID (b) (6), (b) (7)(C) to the Office of Inspector General regarding my company (KDTIX) not receiving any funds from SBA after submitting a request for EIDL and submitting a request for the Paycheck Protection Program to Bank of America.

SBA sent a letter on 11.26.2020 regarding a loan number (b) (6) of \$150,000.00 with a Loan Service Center contact information from Fort Worth Texas. We were never notified of receiving this loan and have not received any funds as of the date of this letter. My company did not receive any funds from SBA. Bank of America Small Business told me that my company was not eligible to receive the funds I had initially requested for COVID-19. The letter from SBA stated that "Your loan is in deferment status. No payment amount is currently due, however, interest is accruing on the amount you have received." Once I read this statement I called the Small Business Administration Service Office Phone number at (800) 659-2955 that was on the letter to notify them that my company has not received any funds and was told by Bank of America that we did not qualify for the loan. I was directed by SBA customer service to contact OIG immediately and to file this complaint online and to call the (800) 767-0385 OIG hotline to report this. I called the OIG hotline and received a recording saying that all representatives were not available to receive my call and to go online to fill out this complaint.

This request is our second attempt to receive an update of our complaint to the Office of Inspector General.

FOIA REQUEST - SBA OIG COMPLAINT, ID# (b) (6), (b) (7)(C)

TO WHOM THIS MAY CONCERN:

My name is (b) (6). My contact information is as follows:

(b) (6)

By this email, I am composing and requesting a FOIA request, as I am seeking information/resolution of a fraud committed on my person and personal credit last August, 2020, which was reported that SBA did an inquiry for an SBA loan. I DID NOT SUBMIT ANY APPLICATION NOR HAVE I RECEIVED ANY FUNDS FROM THE SBA FOR ANY TYPE OF LOAN. However, I have received several SBA statements mailed to an unknown entity at my home address, identifying the loan as (b) (6). I have attached the most recent statement I received on 12/26/20. I have sent that back through the mail to the sender, stating there is no such entity at my address that this needs to go to the SBA Fraud department.

I have spoken to several people affiliated with the SBA:

Warren Givens, SBA Portland OR office (b) (6), who has provided different contacts for me to send my fraud complaint to.

Michael Burchfiel, Attorney for Jovita Carranza Administration Small Business Administration

(b) (6). Mr. Burchfiel has advised me that this fraud is listed as a Stolen Identity fraud, and that's how it is listed in their paperwork.

I have also spoken to our local Winston Police Department, Officer Gomez, and filed a police report # 20-0901. I am told that the County District Attorney's office has also sent a subpoena to SBA inquiring as to specific information.

I would like to request, documents sufficient to determine the current status of my Complaint number

(b) (6), (b) (7)(C)

I began receiving monthly statements in October for repayment of a loan I did not apply for, nor receive. I am an individual (retired) and have never had any dealings with the SBA. Isn't there a way to track where the fraudulent loan was sent? address, bank account, something?

To Whom It May Concern,

On 12/26, I discovered that I was the victim of identity theft by means of an alert that was emailed to me from my bank. At that time I called their fraud department and filed a claim and at their suggestion also call SBA and filed a dispute with you since I have NEVER applied for any SBA loans and at that time, received the above application number.

I have also placed a freeze on my credit with all three credit bureaus.

I am hereby requesting a copy of this application for my records as well.

Please feel free to contact me for any additional information you may have.

Sincerely,

James A Owiecki

To whom it may concern,

Good morning. My name is John Scott McElhenney. My personal information was used in an attempt to obtain a small business loan in the amount of \$137,000. I do not know from where as I found out about this through my Experian credit file. I did not and have not requested a small business loan through any company, ever. I have contacted the SBA and advised them of this fact. They gave me an application number of (b) (6) to give to the credit bureaus for removal which I have done as of this email.

I am requesting any and all information (names, SSN, DOB, addresses, phone numbers, location of origin of loan and address, name, address m phone numbers of the business loan was attempted and any other names and information associated with this fraudulent loan attempt) regarding this fraudulent loan application so that I may pursue action against the person or persons who have or are using my personal information fraudulently.

Please provide documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C) .

Hello,

Please let me know if you require additional information. Thank you!

Would like the status of the SBA investigation into a fraudulent loan application submitted on behalf of Valicoff Fruit Company, Inc. (VFC) using Robert Valicoff's (owner of VFC) personal identity information (including his SSN). VFC received a statement from the SBA for a SBA Disaster Loan (b) (6)) which VFC never applied for. The SBA was unable to disperse the loan amount (due to erroneous banking information) and VFC never received any loan funds. According to the statement, there is currently a \$100 principal balance (SBA says this is the loan origination fee) and payment of \$480 due on 8/1/21. VFC has requested the SBA close this loan and forgive the associated fees. The SBA has opened an identity theft investigation and stated VFC can disregard any future loan statements. We would like to be informed of the status and result of this investigation.

Please provide me information on request # (b) (6) . I believe this is a fraudulent, unauthorized inquiry into my credit report.

To Whom It May Concern,

App# (b) (6)

I was alerted that the US Small Business Admin had tapped my credit for a loan. I did not submit this application. I have reported it to the phone number given to me on my credit report 1-800-366-6303. They informed me if I wanted to request a copy of the application to contact this email. I would like to formally request a copy of the application so I may continue my search to find the source and press charges against the party responsible.

I was alerted in October by a letter for an application (b) (6) that was also fraud. I had called and reported it as well. If I could get a copy of this application as well I could see if its the same person or group.

I would like to stop whomever is trying to continuously take a loan in my name or business.
Thank you,
David Williams

		I am requesting all documents used to make this fraudulent loan in my name. I do not own a business, and once I say this isn't my loan, no one at the SBA will give me any information / insight on this fraudulent loan. I am a federal government retiree and do not own a small business. I did not make or guarantee this application or any other application for an SBA loan. I only became aware of this application after being notified by my bank and Experian that the SBA had made a hard inquiry for information on my creditworthiness. I believe my name, address, SSN and possibly other personal information has been illegally obtained and used to perpetuate a fraud.

On 12/18/2020 I spoke with both Experian and Agent 7209 Basiru at the SBA. Experian has subsequently deleted the record and Agent Basiru immediately cancelled the loan application. He told me he could not provide any details regarding the application but suggested I could obtain additional information through the FOIA process.

The responsive information is very important to me personally and would be needed should I wish to file a police report against the business owner who illegally used my identity. I hope you will expedite the request given its personal nature and will not charge any fees. However, I am willing to pay a fee if I'd like documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C).

SBA-2021-002498	(b) (6), (b) (7)(C)	New Age Consultants LLC	"Documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C)". I previously filed a complaint back on the 22nd of September 2020 and no one has responded. The original case# with SBA OIG is (b) (6), (b) (7)(C). And No Response. Back in September I was contacted by Experian letting me know that someone had filed for a SBA EIDL underneath my name/business. Immediately, I contacted SBA EIDL and spoke with Nicole Rep ID# 2181. She stated she flagged that loan as Identity/Theft Fraud and stopped it from processing. Then she gave me the Fraud Number and the website to file a complaint. (We even came up with a Security Word, so when someone called me, I could tell if it was the real SBA or a Scam call, since I was a victim. I filed a complaint with SBA OIG by leaving a message on the phone number 800-767-0385 and I also filed the complaint by submitting SBA OIG Complaint Submission Form which I have attached for proof. I also filed a police report with North Las Vegas Police Department, which I also have attached for you. Then I filed a complaint with the FTC (Federal Trade Commission) also attached. There (3) months later, I personally decided to file a loan for my business do to being hospitalized with COVID Double Pneumonia, which caused an additional financial hardship, thinking that the Original Fraud Case had been resolved. To my surprise the SBA EIDL that I filed correctly was denied as a duplicate and I received an email indicating that they are going to process the earliest SBA EIDL application, which was the Identity/Theft Fraud Application. If someone can please contact me, as I know there are a lot of Fraud/Identity Theft Cases, but it has been three months and I haven't heard from anyone. I filed a new OIG Case ID (b) (6), (b) (7)(C). I attached the Police Report, the original SBA OIG Case proof, and also the Federal Trade Commission Complaint Report.	12/21/2020	12/21/2020	Assignment Determination

As mentioned in the email string below, it appears that someone has used my personal information to make an application for a SBA loan.

I live in Anchorage, Alaska and not Texas and have never applied to the Texas office of the SBA for a loan.

I received notice from Experian that the SBA ODA in Fort Worth Texas ran a credit check on me through Experian. I then sent the Dallas/Fort Worth SBA office the email below and received an answer from Elsie Collins, Deputy District Director, also set forth below.

I called the 800-366-6303 number for the SBA office that is noted below and was listed in my Experian credit check report after receiving confirmation from Elsie Collins, Deputy District Director for the SBA in Dallas/Fort Worth that the 800-366-6303 number was in fact a valid SBA number. I spoke to the fraud department at that telephone number. The fraud department confirmed that someone had

Fraud Division,

I am inquiring about the investigation for the EIDL that was fraudulently filed under the Floormax Direct LLC EIN 45-5481082. For \$6,000.00. When we applied for our PPP forgiveness, we were told an EIDL amount was drawn out under our EIN and that amount would be withheld from our forgiveness.

Floormax Direct LLC did not receive those funds, did not apply for the loan and none of the officers filed either. Until this is corrected, Floormax will need to begin making payments or be faced with legal actions. I would like to get an update concerning this. The SBA was contacted on 12/8/2020 and the email requesting this to be investigated is attached.

This is the second time in 3 weeks I've had to deal with fraud, I assume it's the same person. I've reported fraud/ID theft to FTC, just froze my credit and added fraud alerts. There's a police report from the fraudulent activity from a few weeks ago. I hope someone can catch this person, because this is becoming a real headache for me.

Good morning,

Dear Sir or Madam:

Please inform me of the fees for responding to this FOIA request and, if possible, provide these documents in electronic format via email or cloud drive.

Thank you and stay safe.

I am requesting any and all records referring or relating to any 2020 loan application through the CARES Act Paycheck Protection Program submitted by or on behalf of ML Farm Systems, Inc., an Iowa Corporation.

Need response to my SBA OIG complaint about fraudulent loan of \$150,000 on name and address and having funds sent to BBVA bank. Need to know next step to clear my name and clear my credit.

thanks

I submitted an identity theft complaint to the SBA on 10/23/2020 (Complaint ID (b) (6), (b) (7)(C)) regarding a fraudulent loan (Loan number (b) (6)). I contacted the various agencies reporting that I was a victim of identity theft as instructed. I am still receiving loan payment invoices from the SBA. I am requesting information about the status of this identity theft complaint, and more importantly confirmation that I will not be held responsible for a loan I did not apply for.

Please send me a copy of the fraudulent loan application that was filed in my name.

Thank you,

To whom it may concern,

I was recently a victim of identity theft/fraud. An unknown person initiated a fraudulent loan application in my name with the U.S. Small Business Administration in 2020. I began getting letters in July stating that an SBA loan was in deferment but payments would be coming due on July 2, 2021. I contacted the Small Business Administration's office in Fort Worth, Texas multiple times and reported that I did not initiate a Small Business Loan. I was informed that my call had flagged the matter as fraudulent and the loan application involved approximately \$75,000 - but was never funded by the SBA. The loan number is: (b) (6)

Please e-mail or mail me a copy of the loan application so I may maintain it for my records. My mailing address is: Christopher Schlueter, (b) (6). If you have any questions, please call me at (b) (6). Thank you in advance for your assistance.
Any documents which pertain, refer or relate to any disaster relief loan request and/or approval thereof by Sheryl Ehrhart and/or Charles Ehrhart, (b) (6) for residential property work performed or to be performed on the property at that address.

Request for EIDL application (b) (6)
I filed complaint ID (b) (6), (b) (7)(C) with SBA OIG on 9/8/20 regarding an SBA disaster loan fraudulently opened in my name (copy of loan statement attached). I continue to receive loan statements each month and have not been contacted with any resolution or status indicating this loan has been dispositioned so that I am not considered liable for it. I need this resolved so that I am not expected to repay a loan I never applied for or received, and that it does not appear on my credit history. Loan number is (b) (6) and statement was addressed to (b) (6) Farms, (b) (6). My last name is (b) (6) and that is my correct mailing address, but I do not own a business named Taylor Farms or any other business, and I never applied for an SBA disaster loan or received money from such loan. From the limited information I got from customer service, the loan appears to be associated with my name and social security number and was paid out to a bank account in my name. I never received any money, so there also appears to be a bank account fraudulently opened in my name, and I need help identifying this account and the associated bank so it also can be reported as fraud. Please advise on the status of this complaint and what I can do to get this resolved in a timely manner. Thank you.

Dear SBA,

This is my Freedom of Information Act (FOIA) request for a copy of SBA Loan Application # (b) (6). Please email me a copy of the application. If it cannot be emailed, please mail it to me at (b) (6).

Today, 12/16/20, I contacted the SBA at 800-366-6303 and spoke to Basiru (Agent # 7209) and reported that I received an alert today from Experian that there was an inquiry made today re: an SBA loan. I reported this as being fraudulent. I was informed by Basiru that he closed (i.e. cancelled) the application as being fraudulent and put a block on the use of my name, social security number and address being used in connection with any SBA loan applications. He further informed me of the Loan Application Number and that my personal information (name, social security number, date of birth and residential address) were fraudulently used to apply for an SBA loan in the amount of \$40,600.00.

Basiru stated that he reported this matter to the Office of the Inspector General.

Thank you for your assistance.

Very truly yours,

Irwin Futernick

I am submitting a freedom of information act request for documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). The complaint was submitted by Dan King via the SBA website on 11.02.2020, and concerns SBA Disaster Loan number (b) (6), which was fraudulently taken out in the name of Reno James LLC. A PDF of the SBA OIG complaint submission form is attached for reference.

On 11.02.2020, Dan King spoke to Kathy with the SBA who relayed that the loan had never been funded, however Reno James LLC has received two letters (dated 10.20.20 and 11.19.20) regarding upcoming repayment for the loan. Copies of the letters are attached here for reference. We wish to receive the responsive records via email to elena@renojames.com and dking@renojames.com. Hi,

I was informed by my credit card company Discover that someone was trying to use my information associated with US Small Business Administration in Texas. I called the US Small Business Administration to inform them of the fraudulent activity. They said that someone was using my name and info claiming to be Leonard Driscoll real estate company and asking for \$7000. I was given this email address along with the case number (b) (6). He recommended that I reach out and said that you would be able to provide me more information than what he is allowed to share.

Thank you,
Leonard Driscoll

I hope this finds you well. I received your information from Michael Burchfield. I am writing to request any and all information on loan;

Catherine Ostrander
Loan # (b) (6)

I am requesting this under the freedom of information act. I have been a victim of identity theft. I did not apply for this loan and it was approved by the SBA.

I am requesting all information leading up to the loan, a copy of the loan application, the IP address, the bank information where the money was sent, and all documents, and any comments that have been entered into your system regarding this case, also any phone correspondence notes entered regarding this case.

I am working closely with law enforcement regarding this loan that I never requested or received.

If possible please tell me what is necessary to receive an SBA loan approval.

Thank you for your assistance in this matter.

I received an Alert from my credit card issuer that a new inquiry had been made to Experian. I followed up the Alert with Discover Card, Experian, and your office on December 14, 2020. I have disputed the information on Experian Credit Reporting and, upon information and belief, it is deleting the item from my credit report. The specifics of the Alert states that some person or entity has applied for the following: US SM BUS ADMIN ODA. The date of the inquiry and alert is December 13, 2020. I called the telephone listed on the inquiry and spoke with a gentleman in your fraud unit. He advised that this matter will be turned over to the Inspector General. Your fraud unit representative would not divulge any other information to me. However, he did give me the application number that your office assigned to the imposter. The application number is: (b) (6). I have not recently applied for a loan from you. I did submit an application to Disaster Loan Assistance in the spring of 2020. The COVID-19 Economic Injury Loan Application was submitted on or about April 10, 2020. The application number assigned to me was: (b) (6). You acknowledged my request in a letter dated May 25, 2020, stating that you are unable to offer me a Economic Injury Disaster Loan (EIDL). However, I did receive a \$1,000.00 direct deposit in my bank account. I HAVE NOT HAD ANY OTHER COMMUNICATION(S) WITH YOU. Obviously, someone or some entity has unlawfully obtained my personal information and using my identity to fraudently obtain a loan from you. Hi,

I am reaching out today for documents sufficient to determine the current status of Complain Submission ID - (b) (6), (b) (7)(C) (issued by the OIG).

My name is (b) (6), (b) (7)(C). I have received multiple notices from the SBA which indicate that I have an SBA Disaster Loan which is due 8/11/21 in the principal amount of \$38,500.00. The loan number listed in the document is (b) (6) under the name (b) (6), (b) (7)(C). I have NEVER applied for an SBA loan, do not own a small business, and have no need for disaster relief. At first, I thought that the document was somewhat of a phishing attempt trying to secure a payment from me but as I searched for the phone numbers/addresses in the document, it appears legitimate. Which leads me to the concern that someone has used my ID to secure a loan illegitimately.

Can you (1) let me know if a loan in my name (b) (6), (b) (7)(C) from the SBA exists? (2) let me know how to proceed to investigate a case of fraud?

I have not received any response from the OIG as a follow up to my original complaint/concern regarding identity theft. The original complaint was filed on 9/28/20 after there was no-one available to receive my phone call. I left a voicemail concerning this complaint on 10/2/20 and have been contacted by the OIG since that call. I would be more than happy to speak to anyone within the OIG/SBA in order to prove my identity and help to clear this matter up.

I am an attorney and I represent American Contracting & Services, Inc. and Roy A. Zimmerman. An unknown and unauthorized person made application for an SBA Disaster Loan, which apparently was granted as loan (b) (6) (see attached document). My clients reported this situation to the Inspector General. We need to follow up to determine, if possible, who undertook this unauthorized action for security purposes and, thus, request copies of all documents submitted, as well as notes of any conversations, in relation to the application for this loan.

Specifically, we request the application, any additional documents that were completed by someone purporting to act on behalf of American Contracting & Services, Inc., any supporting documentation purporting to identify the applicant and/or to justify the loan application, and any communications between any person and representatives of SBA concerning either the application for, the award of, or the draw of funds pursuant to this loan.

I request that, if you send hard copies of such documents, you send them to Roy A. Zimmerman, c/o American Contracting & Services, 6200 Highway 62, Building 2503, Jeffersonville, IN 47130. If you transmit documents electronically (preferred), please send them to me at (b) (6) and copy Mr. Zimmerman at rzimmerman@americancontracting.com.

Determination

I am willing to pay the statutory fees for processing the requested information (capped at \$150.00).
My desired requester fee category is: Other/Personal Use. Let me know if you need more information.

To whom it may concern:

I received a PPP loan on 5/4/2020 for \$4055.00 through the Farmers State Bank of Hamel. I applied for forgiveness on December 1st. The bank let me know the SBA responded saying they forgave my loan, however, they had stated I had received an EIDL advance of \$1000.00 on 5/2/2020 referencing application (b) (6). Now, as it turns out, my loan PPP loan with Farmers State Bank of Hamel is not fully forgiven.

I have not ever applied for an EIDL loan so I would like a copy of the application under the Freedom of Information Act so that I can look into this fraudulent activity.
I have also filed a complaint on the SBA OIG Hotline website.

To Whom it May Concern:

I am the CFO of Cadence McShane Construction Company (Cadence), a Texas based construction company whose parent company offices are located at the address noted below in my signature block. Last Friday (12/11/20), a fraudulent loan application was submitted to the SBA purporting to represent Cadence. This application was for an EIDL (economic injury disaster loan) and was linked to the social security number of Cadence's CEO. The application also listed the Rosemont address below as well as the home address of the CEO.

We reported this to the SBA on Saturday and were told that the matter will be sent to the OIG for investigation. We were also told by the SBA to make this inquiry under FOIA in order to ascertain if any other fraudulent activity was associated with this application (e.g., fraudulent bank account opened, etc.).

Please let me know if there's anything else needed from Cadence at this time. My contact info is below.

Thank you for your assistance in this matter.

Dear Sir or Madam,

I was advised by SBA Fraud prevention dept. to request a copy of the application that was submitted in my name for a SBA Covid loan. I did not request or make such a loan application. The credit inquiry showed up on my credit report.
This was an attempt by someone to commit fraud in my name - Bindeshkumar Damania.

Kindly provide me with a copy of the application submitted in my name so that I can evaluate and litigate the damage to my credit.

Regards,
BindeshKumar Damania

I am searching for documents sufficient to determine how this a SBA loan was established at the SBA (loan # (b) (6)) for Crossroads Medical Research, Inc.

Earlier this year (~Jun 2021), I received a notice from SBA that my company (Crossroads Medical Research, Inc) had a SBA disaster loan for \$19,300.00. The invoice is requesting that I pay \$95/mo. I am the only person in my company (Crossroads Medical Research, Inc). I have not taken out a loan. I have submitted a complaint to SBA on 02Nov2020 (Complaint ID (b) (6), (b) (7)(C)). I am searching for documents sufficient to determine how this fraudulent loan was established. I have also contacted and reported this to the FBI in Newark NJ on 05Nov20. Hello, I recently discovered that someone tried to apply for a loan in my name. I called today the US SM BUS ADMIN ODA today and spoke with a representative who told me that I can obtain more information on the application submitted by emailing this address.

The application number : (b) (6)

The representative I spoke with today told me it was immediately declined and flagged as fraudulent but I noticed it on my experian credit report. It was filed on 12/3/2020.

I'm filing an identity theft claim at ftc.gov for this fraudulent loan application as someone is also trying to use my checking account and is forging checks.

12/11/2020 12/11/2020 Closed

12/22/2020 Full Grant

If I can obtain any other information about who applied for this loan that would be very helpful in filing the claim.

Thank you for your time.

Best,
Alma Martinez

I reported a case of identity fraud to the US SBA this morning (12/11/20).

US SBA employee (Temi) who helped me was wonderful.

I am making a public records request under the Freedom of Information Act for the loan application as well as all supporting documentation, correspondence, records of transactions, banking information, any/all other paperwork related to this application.

I learned this morning that a loan for \$40,200 was approved and funded by SBA by way of identify theft of my personal data. Fortunately for me, the funds were returned to SBA for some reason. I wish for this loan to be taken "off the books" as soon as that is possible.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute to the public's understanding of federal government loans and is not in my commercial interest.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I am an identity theft and identity fraud victim and am requesting the information from application (b) (6)

Thank you for your help.

Good afternoon,

My name is (b) (6), (b) (7)(C). I'm writing in reference to my complaint submission id: (b) (6), (b) (7)(C). I received a statement in the mail dated 11/11/2020, for an approved \$111,000 disaster loan. My information was used by an unknown source for this loan so I do not wish to proceed. I do not even own a business. I mailed you documents on 11/21/2020 disputing this fraudulent account. I would like an update on whether this account has been closed. Please feel free to contact me via email on this request. I am willing to pay processing fees on this request. My contact information is listed below. Thank you for your time.

Provide all documentation, applications, and other information, including, but not limited to: Paycheck Protection Program application(s) and supporting/attached documentation; and, Economic Injury Disaster Loan application(s) and supporting documentation for the past five (5) years, for the following business entities:
1. JAD EHS, LLC (an Arizona limited liability company);
2. Contractors Approval Now, LLC (a Delaware limited liability company).

After reviewing my credit report, I discovered that someone applied for a COVID-19 disaster relief small business loan with the US Small Business Administration using my identity. I am requesting a copy of that application in order to determine the next steps to take in dealing with theft of my identity. I never applied for a loan from the US government other than for a Federal Student Loan years ago.

SBA regulations require, in the case of third party information requests, a written statement from the first party, verifying his or her identity, and certifying that individual's agreement that records concerning him or her "including proprietary business information" may be accessed, analyzed and released to a third party requester. If you wish to be treated as a first party requester with regard to the information you are seeking, at the time of submission, please provide this office with a signed release from the owner of the records you are seeking. The release should authorize the disclosure of personal information and proprietary business information. Hello,

Via a credit report, then phone call an application has been filled out in my name. Application (b) (6). Please email me copies of all related material as I need to take to the police to file a report.

Thank you for your time in this matter,
Jennifer Gonzales

Provide all documentation, applications, and other information, including, but not limited to: Paycheck Protection Program application(s) and supporting/attached documentation; and, Economic Injury Disaster Loan application(s) and supporting documentation for the past five (5) years, for the following business entities:

1. JAD EHS, LLC (an Arizona limited liability company);
2. Contractors Approval Now, LLC (a Delaware limited liability company).

I did not apply for a loan of any type and I am getting statements for a loan obtained using my address and parts of my name. I want to obtain the associated records including any signatures and where the money was allegedly deposited. The loan number is (b) (6). See documents attached. I live in the city and no have any connections to a farm referred to JFEEHRER Farms. I suspect this is a case of fraud using my address. I have reported this to the Wisconsin Office of the SBA and am working with Eric Ness, Director. His number is 414-297-1471. I need to see any records associated with this loan attached to my address so that I can clear my address and investigate any possibility of identity theft because of this fraud. No money has appeared in any of my accounts and I have notified my banks as well. Please email me the information please or mail them to my address. Thank you.

Please reference the below email I received in reference to (b) (6). This application was fraudulent. I had noticed it in my credit report as a hard hit when recently reviewing same. I am requesting a copy of the application and any other documentation involving this false SBA application. My email is (b) (6) and my mailing address is (b) (6).

Many Thanks

I cannot get through to anyone on your hotline. Please take care of this problem immediately! I also mailed you information about my identity theft and the loan in reference. loan #ending in (b) (6) Please email me immediately at (b) (6).

To Whom It May Concern:

Complaint ID (b) (6), (b) (7)(C)

I am requesting all loan and follow-up records related to the Subject complaint filed October 24, 2020.

These records may be emailed to me.

Please let me know in advance the estimated cost (fees) to receive said records.

Below is the loan information and my contact information.

Thank you,

Dear Sir or Madam:

This is a request under the Freedom of Information Act.

I am requesting an electronic list of recipients of loans/grants under the Paycheck Protection Act worth less than \$150,000. (The SBA has already publicly posted a list of loans worth at least \$150,000, but redacted the names and addresses of recipients of loans worth less than \$150,000.) I am also seeking a complete list of recipients of Economic Injury Disaster loans related to COIVD.

I understand a federal judge has ordered the SBA to release the names, addresses, and precise loan amounts of all individuals and entities that obtained PPP and EIDL COVID-related loans by November 19,

2020. https://ecf.dcd.uscourts.gov/cgi-bin/show_public_doc?2020cv1614-21

All records related to SBA Disaster Loan Number (b) (6) issued to "Burlington Northern" in the amount of \$150,000. I am requesting all records related to that loan, including application records, processing records, and correspondence with the applicant and/or recipient. This loan appears to have been made under false pretenses. I am requesting these records in an effort to determine what precautions, if any, can be taken to protect BNSF Railway from this and other, potential fraudulent SBA loan applications. I have attached an invoice/statement, dated October 14, 2020, that the SBA mailed to my company about this loan.

I have been the subject of identity theft. I was contacted by a monitoring company, MyIDCare, 11/18/2020 that an application for a US Small Business Administration ODA was filed for a loan of approximately \$8540 using my SSN, DOB, and current home telephone number (b) (6) as well as the name and address of a medical practice in St. Marys, PA, of which I was the sole proprietor and which I closed in June 2001 when I relocated to New Hampshire. I contacted the Small Business Administration immediately and was given the above file number.

Branch Banking and Trust as well as Wells Fargo were also contacted to open accounts in my name, and I contacted them as well. I froze my Credit Bureau accounts immediately, but Branch Banking and Trust had already opened a checking and a savings account in my name. They have just notified me that they have closed those accounts. Wells Fargo acknowledged that they had been contacted, but had never opened any accounts since the contact had been after I placed the freeze.

To Whom It May Concern,

I was told by your Fraud Department that Application # (b) (6) under the name Brian D. Cushing, using my correct SSN was made on 9/9/20. This is showing up on my Credit Report with Experian as a Hard Inquiry and affecting my current mortgage loan application. I am requesting proof of fraudulent activity under my name to give to my mortgage broker and to Experian. Please advise any next steps.

Hello,

I am Naidu Bollineni and I am seeking information regarding a fraud claim filed against our LLC for COVID relief funds in August 2020. The LLC name used is FutureTech Ventures LLC and I am a partner on LLC. And to my knowledge, we never filed for COVID relief on this name.

I came to know that my personal identity was used to pull credit information from Experian and Experian shows the credit enquiry made by SBA.

I would like to get the full information on the file including the application details, source location from where this enquiry was made, what details were used to authenticate, the amount of relief requested, and the reason for declining the relief request.

I need this information, so I can make reasonable efforts to protect the relevant information by updating to some values if required.

Thanks,

Naidu Bollineni.

To Whom it May Concern,

I have submitted a complaint regarding a fraudulent claim issued through the SBA. I am interested in a status update via the Freedom of Information Act, as instructed. My complaint ID# is (b) (6), (b) (7)(C). The SBA Loan Number is (b) (6) under the name of (b) (6). My statement on Identitytheft.gov was as follows:

I received a statement from the U.S. SBA stating that my loan is in deferment status, and that my next payment of \$120.00 is due on 08/01/21. The Present Principal Balance is listed as \$24,500.00. I have never sought a Small Business Loan. I do not work for a small business, and work for a public company. This loan is completely fraudulent. The date of this notification is 11/11/20. I did receive the same notice approximately two weeks ago, but dismissed it as an error without investigating at that time.

6. Any email or paper correspondence conducted through official channels mentioning Mr McMahon.

I request that the SBA remit all responsive records electronically, preferably via email to this address, and that the SBA waive all fees associated with fulfilling this request and providing the responsive documents in light of the fact that this information will be published and made freely available to the general public in my forthcoming book from Simon & Schuster's Atria Books imprint about Vince McMahon, and in light of my position as a recognized authority who writes for reputable publications on Mr McMahon's businesses and related topics. Stephen,

I need confirmation that Loan Number (b) (6) has been reported as fraud, investigated as fraud, determined to be fraud and eliminated from my debt history. I do not use "credit" so this should be easy to do. I have frozen my identity as you suggested with the 3 major credit bureaus. It is not acceptable for me to continue to receive statements in the future and just ignore them. Please response with the above information.

Helio. it has come to my attention that a series of fraudulent activities have been ongoing using my personal information. After an initial LifeLock alert on October 31st 2020 and their ongoing subsequent research, I spoke with the SBA Fraud Department yesterday and they advised me that there were actually three SBA loans that had been opened. SBA Fraud will be sending all three loan applications to the Inspector General, and suggested that I email you to obtain copies of all three fraudulent applications and documents for my own records under the Freedom of Information Act. I spoke with Agent Basiru #7209 at the SBA.

The (3) fraudulent Applications are as follows:

1. Application (b) (6) Applied July 26, 2020
Construction Remodel (Residential) - I believe this was approximating \$150,000
2. Application (b) (6) Applied October 31, 2020

3. Application (b) (6) Applied November 01, 2020

Greetings,

I received a fraud alert from my Credit Bureau Identity Guard that inquiry was made from US Small Business Administration on Experian.

After calling your 800# they connected me to your Fraud Department, and I spoke with Mr. Basiru. I owned a company called Ameri-Seal Inc. but sold it June 2019. He was not able to reference anything under my Tax Id#, however, when I gave him my Social Security number, he was able to see that someone attempted to apply for an SBA Loan in the amount of \$80,000! Mr. Basiru flagged the account and froze the application and put a flag that someone was trying to apply for a loan using my SS#.

He provided me the Application # (b) (6) and suggested I email this address and advise you of this and request a copy of the application.

Please let me know if there is anything further I need to do to protect myself from any further fraudulent activity.

Please let me know if you have any questions, otherwise I will look for your reply.

Thank you.

Regards,
Howard Millstein

I talked with a great SBA employee detail and clarified we had an attempt for loan that is fraudulent therefore we are request all information related to the PPP EID requested loan. The application number is (b) (6). The fraudulent loan was requested under Kansas State University Engineering Foundation at 1800 Kimball

The SBA had a credit inquiry on my Experian account is how I was notified. The attempt had my information SS, DOB, etc.. and details for the Engineering Foundation. It was stopped as I have a credit lock on my Experian account. I talked with SBA this morning and the gentlemen in Fort Worth was very helpful.

Please let me know any further questions with my contact information below.

Dear Sir or Ma'am,

I have been notified by Experian, Transunion, and Equifax that a fraudulent SBA loan application for \$9800.00 was attempted with my personal information on December 4, 2020.

Upon calling the SBA myself on December 4th and speaking with agent "Basiru" at extension 7209, I was stunned to learn that a prior fraudulent loan attempt for \$118,400.00 was also made with my personal information on September 9, 2020 - yet neither the credit bureaus nor I were ever notified of that (apparently cancelled) application.

Please provide me as quickly as humanly possible with copies of the two fraudulent loan applications.

The SBA loan application numbers are:

September 9 2020 - (b) (6)

December 4 2020 - (b) (6)

Thank you very much,

Abigail A Barnes

Good Morning,

I spoke with Dina Soma on November 19, 2020 in regards to Joe Pastor using my Social Security number without my permission
Later in the morning Shirlene Cook called me to confirm that I did not give permission to Pastor to use my Social Security Number.

Please provide this to me immediately.

To Whom It May Concern,

Good afternoon. I hope this email finds you well. I have a couple of questions for you if you don't mind. The company I work for Fountainhead SBF LLC just became an approved PLP Lender with the SBA. I was asked by the CEO to see if I can provide him with the answers to the following questions.

- 1.How many approved SBA PLP Lenders are there Nationwide?
- 2.Is there a list that supports the question above?

Should you know the answers to the questions above or can direct me to the person that does I would greatly appreciate it. Your time and effort with this is matter is priceless.

Sincerely,

No given that you guys don't even send confirmation emails I would like to see documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). Especially that I just received another letter reminding me to pay on a loan I did not take out.

I am currently investigating a fraud involving a SBA Covid-19 Economic Injury Disaster Loan (Case # 20-17072). The victim, Erica Leiberman, states that her business partner completed the Loan application, fraudulently electronically signed her name, and then had the loan amount wired to an account in California not associated with the business. The victim reported that she has not received any portion of the loan amount and that her business partner denies any involvement. I spoke to someone in the SBA Fraud Department, who advised that I should draft this email to make a Freedom of Information Act Request in order to obtain a copy of the loan application. Our office represents (b) (6) (given name (b) (6) (b) (6) who is copied on this e-mail, has been the victim of fraud in connection with SBA Loan No. (b) (6). The fraudulent loan application was applied for with the unauthorized use of (b) (6) name and social security number. We understand the loan was applied for in Texas. (b) (6) lives in Arizona. The loan was reportedly for \$138,000. (b) (6) does not currently own a business and has not owned a business since 2010 (he is retired), never applied for the above referenced loan, and never received any loan proceeds. Despite the foregoing he has received payment coupons for a payback of the loan starting in July of 2021.

We wrote a letter to the Office of Inspector General on August 25, 2020 but have not heard back. We do not have a Complaint No. The only reference number other than the loan number given to Mr. Gutierrez by the SBA after contacting the SBA Answer Desk is reference number (b) (6). Nevertheless, we have received verbal confirmation on two occasions that the fraud claim previously reported by and on behalf of (b) (6) is being investigated. We are writing today to request all records sufficient to determine the current status of the investigation into the above fraud.

If you have any questions, please contact our office at the number below.

This inquiry was made and I spoke with one of your representatives regarding the fraudulent request and I was informed that you would be able to send me the loan application and all the information about the request. I was informed that the dumb ass didn't even use my full legal name.

Thank you for your attention to this matter.

Hello,
I am in search of documents sufficient to determine the current status of my complaint submission number (b) (6), (b) (7)(C), filed on 11/19/2020.
Emailing me would be fine.

While applying for a refinance on my mortgage, the credit report which the lending company ordered showed US SM BUS ADMIN ODA listed on the report with an inquiry date of 8/19/2020. I have not applied for any credit prior to my refinance. Therefore, I do not know what it is for. Any information you can provide me with would be appreciated, as I have been a victim of fraud in Feb 2019.

Greetings.

I am seeking documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C)

Earlier this year a SBA Disaster Loan was taken out using my address and SSN, along with a misspelled variation of my name. The SBA confirmed the SSN associated was indeed mine, and referred me to the OIG where I submitted this fraud claim. Notices continue to arrive monthly notifying me of "my" loan commitment as interest accrues. Any insights as to the progress of my claim appreciated.

Regards.

Please send me a copy of this Fraudulent Application. (b) (6)

This was taken out in my name not my business name. Furthermore why would I apply for this after just being granted funds in my business name for \$64K?? And why would the SBA give it to me???? Second there was no Credit Pull for this.

This is a request to obtain information on what may be a fraudulent loan request submitted to the SBA in Fort Worth, TX. I have discussed this with Linda Williams of the Fort Worth SBA office and she recommended I file this request.

Following is my information:

What happened?

US SM BUS ADMIN ODA made a Business Loan Inquiry by checking your Experian Credit File. When you apply for credit, a "hard inquiry" may be placed on your Credit File and it stays on your report for 25 months.

I'd like to provide this to the Detective at my local Sheriff's Office that is also handling an investigation into my ID Theft. I am still receiving reminder invoices for the SBA EIDL loan referenced in this submittal. I would like information on any updates to my original complaint submitted reporting SBA loan fraud, documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C) Thank you

This is a Freedom of Information Act request for my personal use for copies of all files related to SBA Loan (b) (6) and the SBA's investigation of fraud in connection therewith. This loan appears to be an SBA disaster relief loan in the principal amount of \$47,100 that was fraudulently taken out in my name, of which I became aware after receiving an SBA loan statement dated October 22, 2020 (attached). I also recently became aware that the SBA recorded a UCC-1 Financing Statement against my home on August 19, 2020, recorded as Document #A-75360705 (attached).

I reported the loan as fraudulent to the SBA Office of Inspector General under Complaint (b) (6), (b) (7)(C) and also reported to the FTC as fraudulent under Report #124800144 on or around October 27, 2020 (attached). I have not been contacted by anyone at the SBA OIG or the FTC about my complaints, and found on the OIG website that my only mechanism for determining the status of my complaint is filing this FOIA request.

I have contacted SBA previously and also filed a fraud complaint with the OIG online on October 27, 2020, complaint ID # (b) (6), (b) (7)(C), as Dixon Y Machine, LLC never applied for any type of loan. We have not received an acknowledgement message for the SBA Office of Inspector General to date.

My name is David Jay Friedman.

While currently in the process of refinancing a mortgage, my lender informed me today that an inquiry is showing on my Experian credit report with the SBA that I never made.

I called your office today and spoke with "Louis", located in your Texas Fraud division office who told me someone did on Sept. 5, 2020 make a fraudulent online application for a \$15,000 loan with the SBA using my name, with my full middle name, Jay...which I hardly ever use... and a prior address which I haven't owned or lived at since 2014.

Louis informed me that the application was a fraud case and no loan was approved or issued.

I am herein requesting your office to mail or email me any information or documents you can release to me regarding the fraudulent application in my name, for my records should I need to protect or defend my identity and financial risk presented by this event.

Thank you for your service and attention to my request.

Respectfully,

David J. Friedman

RE: Hugo James, LLC

(b) (6)

Dear Attorney General,

In checking my credit reports today I noticed a hard inquiry from SBA and called to find out what it was from since I had not applied for any type of loan or credit whatsoever.

A very kind and helpful young man, Kourtlen Asberry at SBA spoke to me at length and apparently some scammers have my personal info and applied for a loan. I am very upset and hope that you can trace where the application came from through the IP address of the computer from which it was sent???

He said that you could get me a copy of the loan application for my review, and he gave me a loan number to tell you.

It is particularly disturbing because it is in the name of my LLC: Hugo James, LLC which I don't use for anything except it held some real estate for me several years ago, and is intended to hold real estate again. But there are definitely no employees, as I was told the fraudster put on the application.

I have no idea how they could link myself to my LLC, as it was made for privacy reasons.

Recently I wrote to the attorney whose predecessor file my LLC reports and asked about my LLCs so I don't know if someone intercepted my E-mails? I worry that I am in a huge apt building with hundreds of people and sometimes our WIFI seems to cross over into each others. I am worried someone in my building has all my info. Do you have success with finding these perpetrators?

Who do I speak to about all this???????

I am requesting U. S. Small Business Administration loan application (b) (6) for Trudy A. Land loan. A brief description of rationale is below.

I received a statement from the SBA U. S. Small Business Administration, Friday 23rd October, notifying me of loan deferment status. See attached loan. I have not opened nor filed for any type of SBA loan. The loan number is (b) (6) : Type of loan is SBA Disaster Loan. This has been reported to the Anne Arundel County Police Department Case # 20-735175. I am near retirement. I have not taken any type of loan from the SBA. Someone is using my name to execute a fraudulent acquisition of \$90,000.00. I am concerned, upset and very angry. I want an investigation to be done to determine the perpetrator of this fraud.

On 11/19/2020 I called and spoke with Toni of the fraud department at SBA (1-800-366-6303) to determine the status of the investigation of fraudulent use of my name for SBA loan. Upon suggestion of Toni at SBA a copy of the loan statement with hand written note that this is not my loan, this is fraud on the loan be sent to SBA in Fort Worth Texas. Along with the loan statement the attached SBA fraud letter was sent to SBA in Fort Worth Texas. Today, Nov. 30, 2020, I received a call from Kourtlen Asberry(1-800-366-6303) from the fraud department of SBA. Kourtlen Ashberry acknowledged receipt of the attached letter and referenced my request for the application for the fraudulent SBA loan fraudulently obtained in my name.

Kourtlen Asberry recommended I request a copy of the application submitted to SBA loan dated 7/16/2020 per Toni of SBA along with the account number including routing number into which the \$90,000.00 loan was deposited/dispursed. See attached SBA fraud letter. Thus the rationale for requesting that the original application (b) (6) and the account number along with routing number into which the \$90,000.00 was deposited or dispursed be sent to the above address.

Thank you,
Trudy A. Land

Hello, last week someone apparently tried to apply for a loan of yours in my name. Thankfully my credit monitoring company caught it and your team has advised that the application has been rejected. I would like to see the information the scammer used, so that I can try to figure out who it might possibly be, and your team informed me that I need to request a copy of the application from you. So can you please email me the application you received under my name (Josh Siegel), the application number of which is: (b) (6)

In the event it needs to be sent through the mail, please send it to my home address, which is:

Much appreciated,

Good morning:

At the suggestion of Elsie Collins, Deputy District Director of the SBA from the Euless, TX, location, I have been a victim of identity theft and am herein requesting a copy of the fraudulent SBA loan application made in my name, or perhaps in the name of two companies with which I am associated, Pacent & Associates and/or Pacent Engineering Company.

Per Ms Collins email, which follows below, I am entitled to this information. It would be greatly appreciated if this request can be serviced promptly, as police reports have been filed and they are looking into a criminal investigation.

Ms Collins has been copied into this email.

Thank you for your help and I look forward to your prompt response.
Kind regards,
Paul Pacent

Hello my name Erin and I will not put all my information on here but I got a hit on my Experian credit report yesterday that someone tried to run my credit for a small business loan in which that person was not me. I want a full copy not emailed but sent to my home address in which I understand you have on file as I already spoke to someone and she gave me all the information which is all my information and one has stolen my identity. She said this was the federal government so there should be a way around it to figure out who has stolen my identity and where it came from so that I am able to correct the situation so this does not happen again in the future. I take my credit very seriously and I am on Top of it. Now I need to figure out where it was stolen from. And also is there a way for me to get a new Social Security number seeing that this person has my Social Security number my home address my birthdate in my name. That's all they need and they just deposit money into an account that's not even mine? Sorry I just sent the first one without putting the application number on it. Application number is (b) (6) Someone could email me back letting me know that they got this and it is under control as I need to off my Experian credit report. I now locked it but they have my information. I also would like to find out how they got my information and if Bing accounts are opened in my name.

Request Withdrawn

I am requesting status information on complaint ID (b) (6), (b) (7)(C) The complaint on 10/26/2020 is of a fraudulent SBA loan in my name . The statement loan number (b) (6) indicated a loan of \$9900.00. I did not take out that loan. I called the SBA on 10/26/20 and they told me to file a complaint with SBA OIG which I did and the ID is noted above. The complaint receipt indicated that I would receive an acknowledgement from SBA OIG if I had included an email address. I did include an email address but have not received and acknowledgement. Today, 11/30/20 I received another statement for the loan from the SBA. I am requesting documentation with information on the status of the complaint. I am concerned about being held responsible for a fraudulent loan taken out by means of theft identity. The first time I talked to an agent as the SBA she indicated that the funds would be taken back from the bank because they did not properly identify the applicant which would resolve the problem. The SBA agent I talked to today said he did not know how these were resolved. He did tell me that the bank was an online bank. The thief used my name and social security number and an address for a property that I own but which is a vacant lot. My business is located across the street from the lot and because this is a small town the mailman just delivered the SBA statement to our office. Please provide information on the status of this investigation and what additional steps I may need to take.

To Whom it May Concern.

I am writing to inform you of identity theft and a fraudulent loan application in my name.

I realized that my identity had been compromised in late October after receiving mail and VISA Debit Cards for fraudulent unemployment benefits filings in Massachusetts, Ohio and Colorado as well as fraudulent checking and savings accounts at Suntrust in Florida. Review of Credit reports also revealed a fraudulent hard inquiry from the US Small Business Administration on 11/3/20, has well as fraudulent soft inquiries on 11/4/20 (State of CO), 11/3/20 (American Express 2), 10/24/20 (State of Ohio), 10/11/20 (Ceser WA, 444 N. I just was able to get through to Bree (800) 366-6303 at the US Small Business Administration today and found out that a fraudulent application for a small business loan for small businesses affected by the coronavirus pandemic was submitted on 11/3/20 with my correct address, social security number and date of birth for a \$91,000 loan. The application number is (b) (6). The SBA refused to provide me with the bank account number to which the loan disbursements were to be forwarded.

I immediately called the Fraud Dept. at the SBA to tell them that I never took out this loan, & I have never owned a small business. If the SBA used the same diligence when giving out money that it did when I try to rectify this, I wouldn't be in this situation! Some criminal used my name and personal information and is off spending 150k of the governments money and I have had to go through hoops and have spent dozens of hours trying to clean this mess up because no one at the SBA or OIG seems to care enough about this. My next step will be having my attorney get involved and I'll be suing the government for wasting my time in this matter and giving out 150k in my name without ever checking the identity of the person they sent the money too.</p> <p>The loan was taking out in the name of Tara OShea. Fraud/Corporate Identity Theft

SBA-2021-001690 Joseph DiMarco

Please be advised that Fora Financial is a small business lender offering working capital to small businesses domestically across the US. In early November 2020, Fora received what appeared to be a legitimate notification from the US Small Business Administration (SBA) advising of the beginning of loan payments that would be due in the amount of \$731.00, presumably monthly, starting in July 2021 for an SBA Disaster Loan (loan # (b) (6)) in the amount of \$150,000 that was allegedly applied for and received by Empire Merchant. Empire Merchant Advance, LLC is the original legal entity name of Fora Financial Advance, LLC, one of our current companies. The notification was actually addressed to Empire Merchant with an old address that used to be a Fora location. The notification goes on to say that the loan that Fora allegedly took is in a deferment status. However, Fora did not take a loan from the SBA, nor did we apply for one. Upon receipt of this notification, Fora called the SBA and learned that they believed Fora or Empire Merchant had taken a loan in the amount of \$150,000. That is false. In a recent phone call with the SBA, an SBA agent advised Fora that a Renee Matos took out the loan in the name of Empire Merchant with Fora's correct tax id number. Fora also received the first five digits of this individual's social security number, which we can provide if requested. In a second phone call to the SBA, another agent advised Fora that Rene

The basis for this request for records are the requirements of the Family Educational Rights and Privacy Act (FERPA). According to the Department of Justice (DOJ), former U.S President John F. Kennedy had reportedly said in 1963:

Simple justice requires that public funds, to which all taxpayers of all races contribute, not be spent in any fashion which encourages, entrenches, subsidizes or results in racial discrimination.

I am requesting a copy of an application submitted in my name to the SBA on 8/5/2020 for a Small Business Loan, application (b) (6). This application was declined on 8/21/2020 as it was deemed a fraudulent application.

I am looking for a list of the borrowers that have had loans already forgiven for those loans made under the Paycheck Protection Program issued by Fresno First Bank in Fresno, California. A fraudulent application was submitted for a small business loan in my name. Respectfully request all information available.

I continue to receive these loan payment reminders that I will be required to make loan payments beginning July 11, 2021.
On September 25, 2020 I received the first notice. I called the SBA phone number on the notice and spoke with agent 8568. She told me a loan had been taken out with my Social Security Number under my farm Oak Lawn Alpacas, LLC. I told her I did not apply for any loan and was instructed to file a complaint with the SBA Office of Inspector General. I filed that complaint and received the Complaint Number (b) (6), (b) (7)(C). Today, November 25, 2020 I have again received a notice.

Hello, I submitted an SBA loan Fraud complaint on 11/9/2020 and have not received an e-mail confirmation. The SBA Fraud procedure guide clearly states that a confirmation will be delivered upon receipt of the complaint. Due to this Fraudulent activity and the aftermath of identity fraud, I am blocked from attaining a new residence and facing potential eviction. Pls get back to me with a confirmation, or any direction, insight into regaining my confidence that someone is looking into this criminal activity. Thx.

My employer applied for and received funding from CARES / PPP. The owner, Al Clark, declared wages earned on my behalf, and did received funds to match his request. However, he kept the PPP funds that were intended for employees including myself. I am requesting to review the records related to CARES / PPP loan for Management Recruiters of Chattanooga - Brainerd, inc. This will assist in discovering the amount of PPP funds that were request on my behalf.

I am an employee at MRI Chattanooga-Brainerd, inc. The owner, Al Clark applied for a loan under the CARES, was approved around 4/14/2020. On 4/28, Al Clark told me the loan was approved and in order to qualify for forgiveness I would be payed \$15,92 over 4 pay periods, \$3,891 on 4/30, 5/15, 5/30, and 6/15. However, on 5/24 he sent an email stating that the calculation for PPP had changed and the two remaining paychecks will be \$3,711. I received a total \$15,384. On 5/6 he sent an email stating I must repay ALL PPP funds To him. On 5/21 he confirmed his intent that ALL PPP funds belonged to him and I must repay \$15,384. All documentation is in the form of original emails. On 10/20 he sent an additional email that shows I owe him \$15,384.

To whom it may concern,

My name is Evelyn Reyes and some one has stolen my identity and took out a SBA Loan under my name. I have been in contact with Mr. John Banks & Ms. Rachel Baldini at the local Delaware office. Ms. Baldini told me that I need to call the Processing & Disbursement Center in order to obtain information on how the loan was taken out and how the money was transferred (i.e. direct deposit or check). I called today and spoke with Mary and was informed that this information could not be given out without me having to contact your department and submit the request via email. Requesting documents sufficient to determine the current status of Complaint Submission Number
(b) (6), (b) (7)(C)

I submitted this complaint about 3 weeks ago and would like to be sent as much information as possible regarding my Identity Theft complaint and the progress status of my complaint. I have heard nothing back at all since submitting my complaint.

I would like to know:

How the complaint is progressing?

Which office the fraudulent application was made in?

How the fraudulent application was made (by mail/ online/ in person)?

I would like a copy of the fraudulent application you have on file?

The steps SBA took to verify my identity before approving this loan?

How this fraudulent loan was paid out (check/ bank transfer/ wire)?

How this loan payment was allowed to be made to a bank account with an address that was anything other than the registered agent name and registered address of Construction Cost Consulting LLC?

Was there an attempt to contact me regarding this loan before it was approved?

The name of the bank and the account number that received the loan payment?

Or if it was a check, the name and address it was sent to and explanation on why it wasn't sent to the registered business address?

A copy of the application showing the name, address, date of birth, SSN and signature of the applicant that made the fraudulent application?

It was a 'Disaster Loan,' what type of disaster was this loan attributed to?

How did a sole proprietor company, with me as the only single employee and almost \$0 overheads get approved for a \$47,000.00 loan?

What proof was provided by the applicant that Construction Cost Consulting legitimately needed a \$47,000.00 loan and how did the SBA arrive at that number?

Finally, as this was a fraudulent loan approved by the SBA without contacting the company's only registered agent (myself) and somehow sent by check to an address other than the registered As referred to me, I am requesting a copy of the fraudulent loan application in my name.

Dear SBA Chief, Freedom of Information / Privacy Acts Office,

Attached please find our clients' original FOIA request for documents related to SBA Loan No. (b) (6) as well as Exhibits 1 and 2. As set forth on the cover page, hard copies of this request and the supporting exhibits were sent via FedEx and Fax on September 9, 2020. You may furthermore see the original email request sent below by attorney Chad Hagan, dated September 9, 2020.

We have also made multiple attempts via telephone and email but have had no luck in obtaining a response/assistance from your office. I have spoken with several representatives and they have assisted me accordingly and this is why I am sending another email to help me receive my application.

I would really appreciate your cooperation in this matter. Through hard sacrifices I have not lost a child, however, I am gaining more children. I can no longer supply all their needs without assistance from this office. I appreciate that you have allowed me to have a chance of assisting these children. Without your help, it will be impossible for me to continue. I do not want to see our future generation neglected because of a lack of assistance from this government.

Hi,

I submitted a complaint to SBA OIG on November 10, 2020 regarding a SBA loan fraud. Someone had filed for a SBA loan under my information (FYI, someone else also filed for a tax return under my name earlier this year, which I already filed a tax return fraud alert for this).

SBA-2021-001469 (b) (6), (b) (7)(C)

The complaint ID is (b) (6), (b) (7)(C), and the loan number for which the fraudulent SBA loan was filed under my name, but I did not file is (b) (6).

I have already contacted the SBA about this and also placed a credit alert on Equifax. I would like a status on this fraud report request, and please let me know if there is anything else I need to do.

Thanks,

Good afternoon,

My personal and business information is being used in a fraudulent attempt to secure a \$150,000.00 SBA loan.

I was alerted when notified by Experian that there was a credit inquiry on my credit report by the US SBA out of Fort Worth, TX. I contacted the SBA at (800) 366-6303 and they verified someone was using my personal and business information to apply for a SBA loan.

Loan Application Number provided to me by the SBA was (b) (6)

I am respectfully requesting a copy of the loan application so that I may provide copies to law enforcement and the FBI.

I am requesting that you produce all documents in your possession pertaining to SBA Loan (b) (6) extended to Mastercrafters, Inc. (owner Todd Miselis), including but not limited to any on line applications filed by the borrower with the SBA for this Disaster Loan, any documents provided by the borrower to the lender in connection with this loan, all correspondence by letter, text or email between borrower and lender/SBA and all loan documents signed by borrower. (I have attached a copy of a Loan Statement for this loan.)

I represent Danielle Sherlock in a Pennsylvania support action against Todd Miselis, the sole owner of Mastercrafters, Inc. . The court had given me the right to subpoena information about this loan. (See attached order). When I contacted counsel for the SBA about a subpoena, I was advised that a subpoena would not be honored but that I could send in this FOIA request to get this information regarding this loan. I am also in the process of trying to secure a consent to your releasing this information from Mr. Miselis. Since I have a Court order allowing me to secure this information, I hope that Mr. Miselis' consent will not be required by the SBA, but I understand that his consent might expedite this process.

When can I expect the documents requested? Please get back to me.

My name is Christine Coyle-Perner and I am a partner of the business named Eons Expos, RLLLP with EIN 27-4300404, which is registered with the Secretary of State in Colorado, but our main mailing address is 235 First Street, Keyport, NJ 07735. We are also registered as a foreign LLP in NJ under the #040047615. We formed the business when my brother, Lowell, lived in Colorado and we now use my other brother's home address in NJ as our primary address. This business is for the purpose of running trade shows for fossils, minerals, gems and jewelry and we host an annual show in NJ, AZ and CO.

I am partners with my 2 siblings, Lowell Peter Carhart, dob (b) (6) and Russell Sean Carhart dob (b) (6). Mine is (b) (6). Maiden name: Christine Carhart.

Anyway, the reason I am writing to you is that our company Eons Expos, LLLP filed for a Paycheck protection loan. The application number is/was (b) (6). I am requesting a copy of the application and any documents he submitted because according to my little brother, Russell, Lowell reported that our salaries as the 3 principle partners were \$100K annually each, but this is a blatant lie!! I do not want the IRS to think I am being paid \$100,000 a year and not paying taxes on that! In fact, I have been so extremely financially oppressed that I have barely made \$100K in the TWELVE YEARS since the business began because Lowell controls all the money and has been freezing me out and now I know why- he is lying and embezzling.

I am writing with respect to the disaster relief loan application referenced above which was fraudulently filed on behalf of my company, Raburn & Williamson, PLC. I received a phone call from Anita Stevenson of the SBA on November 2, 2020, who left a voicemail regarding this application and some questions she had regarding its authenticity. Ms. Stevenson provided the application number in her voicemail. I have since tried reaching Ms. Stevenson numerous times on the phone but only got her voicemail each time. I left a voicemail notifying her that the application was fraudulent.

Today I called the SBA and after not being able to reach Ms. Stevenson asked to speak with someone who investigates fraud at the SBA. I spoke with Basiru (last name not provided), Agent #7209, who indicated that the SBA's system indicated there was some error in the application and no loan had been funded. In any event, I am requesting a copy of the application and would like written confirmation regarding the status of the application and whether any funds have been advanced. The application should be rejected immediately if it has not been already.

Dear Sirs:

I've received information regarding an SBA (Office of Disaster Assistance) loan application, which was done using my name, address, and SSN, but was not initiated by me. After several calls to your office and MyIDCare, I've determined this was done fraudulently, and which constitutes ID Theft.

I need some help with a pending FOIA request, and I'm not sure where to turn at this point. We've been sending emails to the FOIA office for the past week with no response, and when I call the number for SBA's FOIA office, it says the number is not in service.

Earlier this year we requested detailed PPP data and we received a limited set of information, as did all media outlets. However, since then a U.S. District judge has ordered that complete data be released by Thursday.

I am trying to make sure that we are provided with this data on Thursday, since we have already requested it, and I need to locate someone who can speak to me about this matter to make sure everything is on track.

Dear Sir/Madam,

Re: Fraud Loan (b) (6)

My name is:

(b) (6), (b) (7)(C)

Phone (b) (6) (text only)

On October 20, 2020, I received a surprise letter from SBA that I have a pending loan under my name (see loan number above). I never applied for an SBA loan in my life because I never owned a small business or a business of any kind. I am an accountant and teacher by profession and I have no Farm business under which fraudulent loan was obtained. I called SBA at the following number 800-659-2955. After a long wait, I was advised to file a complaint with the OIG and that they will put a note on the loan that it was a fraudulent loan. I was told that OIG will investigate and let me of the status.

I filed a complaint with OIG in October and was given the following complaint (b) (6), (b) (7)(C).

However, SBA continues to send me a bill statement reminder. I called to ask the SBA to stop sending the SBA bill notice since I have reported this as a fraudulent loan by someone else who used my name to obtain the loan. They said that it was a computer generated mail and that the loan is marked as a fraud. However, I don't like getting those notice and would like the OIG to resolve the case and clear my name.

I am writing to ask about the status of this case. It is imperative that the OIG/SBA investigate and notify me of the status of this loan and ensure that my name is cleared so that I don't receive further billing notice from SBA.

To Whom It May Concern:

Hi, I am inquiring about the status of a fraud request I submitted back in July. I am requesting documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C)

Hi,

I would like to request a copy of the application that was submitted today under my identity. This application was submitted by someone else instead of me and was already reported earlier today as fraud to the SBA office and also the 3 credit bureaus. I also put my credit accounts on freeze.

Sirs,
I would like to request a copy of the loan application that was fraudulently requested on August 11th by persons unknown. SBA filed an enquiry with Experian and I understand a loan of \$32,700 was approved in my name but NOT disbursed to me.
The above was brought to my attention when I received a statement from SBA outlining the loan and the first payment date of next year.

I have filed a police report with my local police department. I have also filed a complaint with SBA (confirmation number: (b) (6), (b) (7)(C)) but have not heard back from them.

Last month I had a doctor's appointment with Dr. Frank Genova concerning the state of emergency in America. I'm very concerned about the misuse of the PPP FUNDING which was loaned to many for payroll deduction regarding the social security Act.

President Donald Trump's sign this act to stimulate the economy similar to President Roosevelt signing the Social Security act during the great depression.

Both Acts signed by the president are designed to secure the economy under the Social Security act during the great depression

Private business owners have to use payroll tax funding for personal gain and not for social security purposes under the Social Security act. Please see supportive documents regarding the social security Act and the Cares act regarding payroll tax deduction.

I wrote to HRU@SBA.GOV as instructed in my review. All that happened was I was referred back to the supervisors that are responsible for this action. I need help from Human Resources immediately. Please supply information on the Grievance process so I am not caught flat footed. I believe that was has happened to me has infringed on my civil rights under age and race discrimination. I am trying to take care of this through the SBA but being run around like this will force me to get my own legal counsel and take legal measures to protect my rights. I was already informed that SBA HR and Legal are aware of this from Mr. A Netles im my conversation this morning 11/18/2020 at 8:05 AM. I have documentation of abuses to my person by Cadre and Team leads that was ignored after giving verbal and written warnings and complaints to my supervisors.

This is a very serious situation as it will impact both my future employment and bonuses with SBA ODA and any positions I am applying for with the federal government as this review is part of my permanent file. This will impact my future earnings and hire ability. I will also be asking for documentation of all ereviews with individual names redacted. Will I need to request this through FOIA? Please inform me ASAP about the questions I have asked. I also called and left a message for Debra Perry.

Thank you,

Per instructions I received from Carol Davidson, (see email below),
I am requesting a copy of the application made by someone other than me for my records on this case.
The fraudulent application number was: (b) (6) submitted on 11/13/20.
I was originally alerted to this issue by my Discover Card service.

Good morning Ellen Douglass, Small Business Administration FOIA Officers, Judge Terrence McGuire and Dr. Frank Genova:

Last month I had a doctor's appointment with Dr. Frank Genova concerning the state of emergency in America. I'm very concerned about the misuse of the PPP FUNDING which was loaned to many for payroll deduction regarding the social security Act.

President Donald Trump's sign this act to stimulate the economy similar to President Roosevelt signing the Social Security act during the great depression.

Both Acts signed by the president are designed to secure the economy under the Social Security act during the great depression

Private business owners have to use payroll tax funding for personal gain and not for social security purposes under the Social Security act. Please see supportive documents regarding the social security Act and the Cares act regarding payroll tax deduction.

Yes, I am seeking status on the OIG complaint.

I am seeking all information regarding Complaint ID is (b) (6), (b) (7)(C) submitted to the Office of Inspector General on October 30 2020 regarding a possible improper use of funds by Manley Construction LLC (Brady Manley) of Spanish Fork, Utah (See attached UCC filing to identify proper company and persons and for additional information of the subject of the complaint).

I was not stating the business was the victim of a fraudulent loan but rather Manley Construction LLC may be using the funds for an unapproved purpose which is why the complaint was filed. I am requesting all records related to the loan and the complaint.

Hope that helps,
Thank you

Correspondence with SBA Loan Assistant:

To me from Tim Barnes after a telephone conversation:

Good morning Tom!
I reached the Loan Officer yesterday afternoon. After Labor Day, we were swamped with calls. Here are her comments:
The system is showing the loan is in Funding status. The system is showing notes on 8/29 from Funding, notes from Ms. Cross on 8/31 in Comments and then the Funding team has notes on 8/31. The note on 5:26 shows Funding successful; however, the system does show Funding so it seems it is still in process.

Unfortunately, I do not have updates other than what we see on the system.

I will keep an eye on the status of this application and advise when it changes or when I have additional info.

Regards,
Tim

Me to Tim Barnes:
I am looking for documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C)

I have received no response from the SBA as of this time so I need to verify if they are working on this fraud complaint.

I am searching for documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C).

On or about 6/11/20, a US Small Business Administration Office of Disaster Assistance loan application was submitted in my name. I have never applied for a US SBA ODA loan. I would like to verify the date of the fraudulent application and be provided all details of the application, including amount, purpose, disposition, and information was shared about me.

Dear Sir or Madam,

I wish to request the information regarding the fraudulently obtained SBA loan made in my name. I need to provide this information to the Milwaukee Police Department in order to make my Identity Theft Report to the Financial Crimes Unit. Specifically, I need to tell them what has been done so far on my case. I would like to know when this loan was obtained, and whether my personal social security number was used, or my tax id number. What financial institution was used to take possession of this money.

I would like to have information related to the case sufficient to ascertain the progress of resolution of the case.

The fraudulent SBA loan number was (b) (6), due date 09/07/21 in my name:

It was listed as an SBA disaster loan.

I am the owner of the business for which the loan was supposedly obtained. I am a doctor, and I had a private medical practice.

I received a letter dated 10/20/20 telling me about this loan. I saw this letter initially on November 4, 2020, and I reported it the same day to the SBA/OIG.

I am willing to pay the standard statutory fees to obtain this information. I am a member of the general public.

I am a victim of Identity Theft regarding EIDL (b) (6). A hard inquiry is on my Experian credit report dated 7/7/20. I have filed a dispute with the SBA Ref. (b) (6) and am requesting a copy of this fraudulent application under the FOIA. I have also notified Experian and have filed a report with them. Once I receive your report, I will take it to the police department and file a report with them.

FOIA Officer:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, hereafter the Act, I ask you to provide the following:

All documents pertaining to Economic Injury Disaster Loan No. (b) (6), applied for under my (stolen) identity on Aug. 8, 2020, (Application No. (b) (6)) and funded on Aug. 15, 2020. This should include the application, any supporting documents, all correspondence and related documentation. As I am the victim, the Privacy Act clearly does not apply to these documents.

I am submitting this request both electronically and by U.S. Mail (as directed). Federal law requires that all federal agencies accept and process electronic Freedom of Information Act requests. Failure to accept an electronic request so is a violation of federal law and thus would eliminate any claim of sovereign immunity by the Small Business Administration in this case.

I ask that this request be construed broadly, to encompass electronic documents, recordings, video recordings, emails and other documents relating to said correspondence, as allowed by the Act.

For documents not in possession of the Small Business Administration, I ask that you forward the request to the agency or agencies in possession of said records.

Because this topic has drawn a great deal of public concern (a report from the SBA's Office of Inspector General found more than 5,000 fraudulent loans have made using stolen identities), I ask that the government remain mindful of the timelines provided for in the Act, and produce those documents immediately at hand forthwith and provide the others within the 20 working days accorded in law.

To reiterate, I ask that any items requested in this email that are easily at hand be released promptly, with other responsive documents released as they may become available.

Pursuant to the Freedom of Information Act, 5. U.S.C. Â§ 552, and the implementing regulations of your agency , Accountable.US requests access to and copies:

Dear Sir/Madam:

This is a request under the Freedom of Information Act. I request that a copy of the following documents be provided to me.

-A complete listing of small businesses who have loans from Sonabank (dba Southern National Bancorp of Virginia) since 2007.

-A complete listing of small businesses who have been foreclosed on by Sonabank since 2007.

-A complete listing of purchase packages submitted for payment by Sonabank from 2007 - present.

In order to help determine fees, you should know that I am an individual (who has been defrauded by a Sonabank loan officer).

I am willing to pay fees up to \$100.00. If you expect the fees will exceed this, please contact me before proceeding.

Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the complete lack of oversight of small business lending in the United States and the defrauding of American women, minority and other small business owners.

If you need to discuss this request, I can be reached at (b) (6). Thank you for your consideration of my request.

Sincerely,

Terry Cralle

I am a member/manager of BVY Holdings, LLC, a Georgia limited liability company.

Someone fraudulently applied for and was given an SBA Disaster Loan using BVY Holdings, LLC.

The Loan number is (b) (6). The Present Principal Balance is \$95,400.00. The first payment of \$465.00 is due on 8/7/21. I knew absolutely nothing about this loan, nor had anything to do with applying for it. The first I learned of it was when I received a Statement at the LLC's mailing address on October 20, 2020. The Letter/Statement is attached to this request. I have called and filed a fraud report with the SBA's Inspector General's office. I am attempting to find out everything about this loan through this FOIA.

I am requesting everything/all documents pertaining to this loan and the loan application, including but not limited to any signature pages, loan applications, contact information, etc.

The Letter/Statement I received is attached to help you in fulfilling this request.

Please email me all responses to this FOIA in PDF format.

Thank you so much! If you have any questions or concerns, please do not hesitate to contact me.

I filed a complaint and have not heard anything. I need to know what is going on because someone fraudulently took out a loan in my name. I obviously will not be paying it, and do not want it to become an issue when the loan comes due. So I am asking for documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C).

SBA-2021-001097	Richard A Dean	<p>I am requesting documents sufficient to determine the current status of Complaint Submission Number 20200830th6h. It will soon be 3 months since I submitted an identity theft / loan fraud complaint via the SBA OIG Hotline Online Complaint Submission System. To date, I have not received an acknowledgement message. In short, a fraudster used my name, home address, credit history and other personal information to apply for and receive a disaster loan (b) (6) in the amount of \$148,100.00 for a fake business ('Dean Bean Farms Co'). I know this because (1) SBA Denver is sending the monthly loan statements to my home address, and (2) my recent credit report shows a hard inquiry from 'US SM BUS ADMIN ODA' dated 07/04/2020. I'll say it again: I did not apply for this loan. I do not own, manage, or operate any sort of business. In other words, this is not my debt and I do not owe it. I need SBA to officially acknowledge this. And as the victim, I need to know that these crimes - identity theft and loan fraud - are being taken seriously and investigated, and that the wrongdoer, once found, will be held fully accountable for both the debt and the mental anguish he or she has caused. Hello,

My name is (b) (6), (b) (7)(C). In September I received a statement for an SBA loan taken out in my name. I DID NOT take out this loan. I went online and completed an SBA OIG Complaint (the ID given is (b) (6), (b) (7)(C)). I have since received another statement showing an owing amount of \$126,300 that will require repayment starting in July of 2021. I called the OIG Hotline number but understand that no information can be given over the phone. I then was directed to the FOIA. I just would like to understand how long the process is and what I may further need to do to clear up this issue. If you can help in any way, please email back at (b) (6), (b) (7)(C)

Dear Sir or Madam:

This is a request under the Freedom of Information Act.

I am requesting an electronic list of recipients of loans/grants under the Paycheck Protection Act worth less than \$150,000. (The SBA has already publicly posted a list of loans worth at least \$150,000, but redacted the names and addresses of recipients of loans worth less than \$150,000.) I am also seeking a complete list of recipients of Economic Injury Disaster loans related to COVID.

I understand a federal judge has ordered the SBA to release the names, addresses, and precise loan amounts of all individuals and entities that obtained PPP and EIDL COVID-related loans by November 19, 2020. https://ecf.dcd.uscourts.gov/cgi-bin/show_public_doc?2020cv1614-21

documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). Someone obtained a small business loan using my personal information. SBA loan (b) (6). I did not apply for this loan.

I am requesting documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C).

I submitted the complaint approximately one month ago after receiving a letter from the SBA notifying me that payments on a SBA disaster loan would start to become due on 7/25/21. The letter indicated a loan of \$49,800 was made to PW Biddinger Livestock. I do not own or operate a business entitled PW Biddinger Livestock, either currently or at some time in the past. I am a retired physician and university professor who has never personally owned or operated a business.

I reported this to SBA OIG because it appears to be a case of fraud/identity theft. Thus far I have not been contacted by the SBA OIG or received any information regarding my complaint. However, yesterday I received another letter from the SBA comparable to the one I received last month stating that loan repayment would need to begin on 7/25/2021. The SBA loan number is (b) (6).

Fraudulent Loan - Complaint (b) (6), (b) (7)(C)

Hello we filed a complaint online regarding a loan that was fraudulently obtained using our company's information and also mailed the attached written complaint. I wanted to formally request any records associated with this complaint and confirmation that it will be taken out of our name as we continue to receive invoices for it. We can easily substantiate that Workplace Solutions, Inc. (EIN: 59-3328859) did not apply for this loan nor did we receive any proceeds. My contact information is below. Thanks.

I learned that unknown subject applied for a loan with my information unknown to me.

I learned this information when my bank ran my credit and asked me about it.

The credit was ran on 9.21.20 by SBA for a disaster loan application. I contacted SBA and Indiana SBA and notified them.

I freeze my information with the credit bureaus and made a police report.

I was 7 years ago working 12-hour night shifts between 7:00 P.M to 7: 00 A.M in the Missouri Department of Mental Health (DMH) located 600 East 5th Street, Fulton, MO 65251 also known as the Fulton State Hospital (FSH). For your information (FYI), the Fulton State Hospital was at the time I was a public employee made up of 2 maximum-security facilities: Biggs Forensic Center (BFC) and the Sexual Offender Rehabilitation and Treatment Services (SORTS). In addition to these two maximum-security facilities, there were additional medium and minimum-security facilities associated with the Biggs Forensic Center (BFC). According to documents obtained through a previous request for records, I had passed in 2013 a Federal Bureau of Investigation (FBI) and Missouri State Highway Patrol (MSHP) background check. According to that document, my fingerprints were deemed acceptable. (...) What I am requesting to be promptly disclosed are (1) the terms and conditions of employment I have signed with the Fulton State Hospital in 2013, which include but are not limited to a public employment contract and a collective bargaining agreement; (2) the personal health information (PHI) of Aschalew Belachew and Muhammer Suljacer: two clients who were at the time I was a public employee of the Fulton State Hospital living in the Biggs Forensic Center (BFC) Social Learning Program (SLP); (3) the complaint of employee misconduct and all subsequent investigations, which were launched against me between October 17th 2013 until November 20th 2013 as alluded to by Marty Martin Forman in her November 21st 2013 letter hereby attached and (4) all complaints which were filed by clients of the Fulton State Hospital Sexual Offender Rehabilitation and Treatment Services (SORTS) with the Eastern District Court of Missouri and all responses by employees and legal representatives of the Fulton State Hospital to the Eastern District Court of Missouri.

On 9/28/20, I received an SBA loan notice for \$9900.00. I did not apply for this loan, and I do not have any information about the loan. I suspect fraud/identity theft. In a phone call with Dr. Victor (ID 6861), I learned the SBA APP (b) (6) has not yet been distributed. Per my senator's response to a request for status on my 07/16/2020 submission to the SBA OIG about PPP fraud, I am searching for documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C)". I submitted this request with my email address and did not make it confidential or anonymous, providing all my contact info as requested, yet I have had no contact. I have also submitted follow-up info about actions by the owner of the company and his spending portions of the PPP proceeds.

RE: Disputed Account Notice to Furnisher (b) (6)

Dear Sir or Madam,

I have filed a claim with SBA OIG and my Complaint ID is (b) (6), (b) (7)(C). An SBA Disaster Loan was taken out in my previous name in August of this year. I received a statement indicating that the loan amount was \$47,500 and was taken out in August 2020. The SBA checked my credit report August of 2020. The statement said the loan is deferred until 8/8/2021. I did not apply for this loan and did not receive the funds that were administered. I am requesting records that you have in regards to the loan application, what proof of identity was given, what bank account number used, why a credit report was taken with my now legal name that was applying for a loan in my previous married name. I had my name legally changed in 2017. Also, all information regarding the business name that was used to obtain this loan. I do not own a business. What verification was used to make sure this was a legitimate business. Please send all records that pertain to this complaint. You may send the records my home address listed above. Please contact me with any questions via by phone or email also listed above.

I am requesting that this unauthorized account be closed immediately. Please remove any charges on the unauthorized account and take the steps to remove information about this account from my credit files.

Please send a letter explaining your findings and actions.

Sincerely,

Good afternoon,

Pursuant to FOIA (5U.S.C. 552) I am hereby requesting a copy of the training material and/or requirements checklist used by SBA Grant reviewers/approvers to approve small business grants. Please advise if clarity or additional information is needed. Thank you.

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I request access to documents that disclose the names and addresses of businesses that received Payroll Protection Plan (PPP) loans through Square Capital, a unit of San Francisco-based Square, Inc. According to a Reuters article from June 2020, Square Capital issued more than 76,000 loans for a total of around \$820 million in loan proceeds.

To reduce the administrative work involved in complying this loan information, I would like to request a representative sample of the data. As a result, I am limiting my request to information regarding all the recipients of PPP loans in Pennsylvania and Florida through August 15, 2020.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$1,000. Please notify me prior to your incurring any expenses in excess of that amount.

11/2/2020 11/2/2020 Closed 12/10/2020 Full Grant

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

I look forward to your reply.

Thank you for your assistance.

Sincerely,

After speaking with Kathryn Oates-Dacey, the General Attorney for the USSBA Office of Disaster Assistance, it is clear that this loan application was made fraudulently using aspects of my identity. From the information used by the applicant, it appears that it may have been obtained through a data breach at my place of employment. I am requesting the full application document so that I may use it to report this incident to the cybersecurity team at my place of employment so that they may take appropriate action. SBA-2021-000800	Andrew Varney	Grangetto's Farm & Garden Supply	I am the Controller for Grangetto's Farm & Garden Supply, and our company received a deferred interest notification (See attached) from the SBA for an Economic Injury Disaster Loan with a principal balance of \$25,000. I did not submit an application for such a loan, so I called the provided 800 number and confirmed that an application was filed on June 27th of this year, but the phone attendant could not confirm who represented themselves as the CEO of the company to submit the application. I then called the owner/CEO of our company and inquired of him. He is certain that he did not apply for an EIDL. I asked him to call the same SBA number, and the phone attendant told him to file an FOIA request in order to receive a copy of the application. I am the victim of ID Theft that resulted in the issuance of a fraudulent EIDL in the amount of \$9900.00. The loan number is 5443918201. An SBA OIG Complaint (b) (6), (b) (7)(C) has been filed as well as FTC Identity Theft Report (#124900926). Upon receiving the loan statement, I immediately called the SBA Customer Service number (800-659-2955) and questioned about the loan, knowing it was fraudulent and was directed to file the complaints. A check of my credit report through Experian revealed an inquiry on 8/06/2020 By US SM BUS ADMIN ODA. There were no further entries on the report listing SBA. I am requesting any documents submitted fraudulently namely the original application for the loan using my illegally obtained identification. Any other documents that would assist the local Police in their investigation. I will be reporting the Fraud to Lopatcong Twsp. Police department in New Jersey where I reside.

Hello- I am the Director of Security for the Kroger Co. Recently, one of our executives received a bill in the mail from the SBA for a loan that was taken out in his name. The executive did not take out this loan, however, is receiving a bill (loan number: (b) (6) - balance \$15,300). It appears that someone used his name and information to set up a loan with the SBA. We would like to get the information on who set this loan up and get an understanding of what next steps we need to be taking to mitigate. Thank you

SBA-2021-000748	(b) (6), (b) (7)(C)		I am in search of documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). I was offered an SBA loan but decided to decline it since it really wasn't enough to help with our current situation. Since that time I received multiple emails asking for me to complete my docuSign request to complete the loan. Each time I again made them aware that I was not going to sign anything because I was declining the offer. Now I am receiving bills in the mail saying I owe money on a loan I never received (Loan # on bill is (b) (6)) I need to get to the bottom of this and I have submitted a complaint weeks ago with no response. I would like to see what documentation you have that says I accepted this loan and received these funds. Hi, I need information concerning a settlement ruling and denial of this settlement on surrendering my home as collateral to the SBA by attorney Michael W. Debre from the Chicago law firm of Chuhak & Tecson (30 South Wacker Drive | Suite 2600 | Chicago, Illinois 60606) who represents the lender Centrust Bank of 385 Waukegan Rd, Northbrook, IL 60062.

On October 16, 2020, after months of good faith negotiations and a mutual agreement between the bank and myself, Mike Debre sent my attorney an e-mail stating the following: "Kyle,

We unfortunately have an issue with the proposed settlement terms. Specifically, the SBA will not allow CenTrust to grant Marchi a release in conjunction with his surrender of the Vermont property. Instead, Marchi must cooperate with CenTrust to liquidate that real estate (by not opposing a foreclosure judgment), then submit an Offer in Compromise. If Marchi cooperates, CenTrust will support the OIC. If Marchi continues to oppose the foreclosure, CenTrust will not support the OIC. Please discuss with your client, then circle back with me on how we can proceed.

Thank you,
Mike

I question the truthfulness of this as I had phone discussions and a follow-up e-mail with the bank's CEO, Jim McMahon 6 DAYS LATER on October 22,2020 which stated:

David,

When/if we settle with you, you are out of the litigation and can stop incurring the expense of your attorney. But while we can advocate that the SBA approve our Settlement and Release Agreement, WE NEED TO GET ONE DRAFTED FIRST so they have something to consider.

This clearly indicates to me that the law firm did not submit this proposal.

GREETINGS.

Pursuant to the Freedom of Information Act ("FOIA"), I would like to request two categories of documents related to Loan # (b) (6) for Borrower "Daniel Edelman" (herein, the "Loan"). The first category of documents that I request are all documents, records, correspondence and communications relating to the application for, and subsequent funding of, the Loan.

Speaking to an SBA Agent (Ann) on 10/27/2020 at the 800 659-2955 number on the letter she said that "she had added a my inquiry to a spreadsheet that will be reviewed fraud investigators in her unit". GREETINGS.

Pursuant to the Freedom of Information Act ("FOIA"), I would like to request two categories of documents related to Loan # (b) (6) for Borrower "Daniel Edelman" (herein, the "Loan"). The Loan was fraudulently made in my name and using my personal identification information (e.g., my social security number, date of birth and home address). Consequently, for the purpose of this FOIA request, I request treatment as a first-party requester.

The first category of documents that I request are all documents, records, correspondence and communications relating to the application for, and subsequent funding of, the Loan.

The second category of documents that I request are all documents, records, correspondence and communications sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). As this is an identity theft situation, time is of the essence, and your expedited response is requested.

I am the victim of identity theft. A bank account was opened in my name and an application was made to SBA. All of these actions were fraudulent. I am requesting copies of all records applicable to the SBA loan application for my record and possible criminal prosecution.

My name: Theresa Swanson

My Address: (b) (6)

My Email: Theresas@WinterParkPublishing.com

My Phone: (b) (6)

The application would have been under the name of Theresa Swanson, LLC with the above address.

The bank they would have indicated is SunTrust and the account number is (b) (6)

The bank account was opened I believe in August or September of this year so the application most likely was in that same time period.

I am requesting all records regarding this application

Thank you (and thank you for recognizing it as a fraudulent application and denying it).

Personnel Vetting

Today, DCSA's end-to end personnel vetting operations includes the Federal background investigations program, adjudications for the Department of Defense (DoD), continuous evaluation/continuous vetting for DoD, and insider threat analysis for DoD.

DCSA is the primary investigative service provider (ISP) for the Federal Government, conducting 95% of all background investigations for over 100 agencies. DCSA also provides an end-to-end vetting service for DoD services and components (Intelligence Community components excluded) including submissions, investigations, adjudications, and continuous vetting. In this way, the DCSA services both the whole of Government and the DoD. An overview of the background investigations process is shown below:

Good afternoon. My name is (b) (6), (b) (7)(C). I work at Roberts Auto Center at 3301 S Mill, Pryor, OK 74361. I had filed a notice of fraud over the phone but did not get any follow up of confirmation number. I went online and filed a SBA OIG Complaint Submission Form. The complaint ID is (b) (6), (b) (7)(C). The online complaint was filed on 9/21/2020. I received a second statement today in the mail from the US Small Business Administration for the loan that someone filed fraudulently. I am attaching a copy of this statement which references the loan # and has the company name listed as Roberts Dodge Ford BHPH. Note this is the name of one of the companies 401k plans that is offered to employees and is not the actual name of the business. I did determine on the phone call that the Tax ID number used to obtain the loan was for one of the businesses that is owned by the same owner of Roberts Auto Center. We are currently in the process of selling all locations and I have concerns that this loan is going to be an issue if not resolved quickly.

Can you confirm that the loan is being investigated or corrected? I do not know what the next step should be for our end. If you are needing anything further, please call my direct # (b) (6) or you can reach me via email at tarnold@robertsautocenter.com.

All help is appreciated. This loan was not applied for by our owner nor was the monies sent to us.

			I have attached Certification of Identity for both of us. We are making a Freedom of Information Act request for all records pertaining to these two fraudulent loan applications. Hello, I would like to request the status of my complaint regarding the fraud via the use of my registered business name to take out a disaster loan of 96,600.00 USD, which I became aware of because you sent ME a loan repayment coupon. The complaint number that I received is (b) (6), (b) (7)(C). I have also opened a case with the local police to report this fraud. That case number is 50-20-2636 with Washington County Police Dept. State of Oregon. Riley Powell is the officer in charge. Since submitting the complaint I have had no contact from your offices regarding this case, as was promised by the submission form auto responder. I've attempted to call the hotline numerous times only to be faced with messages such as our telephone operators are not responding to calls at this time.			
SBA-2021-000603	(b) (6), (b) (7)(C)		It has been an onerous and difficult process attempting to contact your offices to apprise you of fraudulent lending. I do not have experience submitting a freedom of information act request for documentation. I would just like to get actual confirmation that you received my complaint and are working on it. I would also like to know, since you obviously transferred this money into some bank account somewhere, what the name/number on the bank account is, and what bank it is with, since you are the only holder of that information, and that information might help police track down the perpetrator of this fraud. Please respond ASAP to this email, via email. I will not take phone calls from unknown parties because of this fraud experience.	10/26/2020	10/26/2020	Assignment Determination

I would like to request the records pertaining to the loan taken out in my name from the United States Small Business Administration. It was fraudulent as I do not have a small business and I did not apply for a loan. The loan number is (b) (6). The statement is dated 10/22/2020 and the loan amount was for \$9700.

The SBA address to send payments to is (b) (6) and the address for the loan service center is 14925 Kingsport Road, Fort Worth, TX 76155 with a phone number of 800-659-2955.

You can mail the records to me or you may email them to artie.l.mcrae@usps.gov.

Please Let me know if you have questions.

I have now submitted 2 complaints of fraud for the same fraudulent disaster loan that was obtained under my old and now new address. I have received no information clearing my name, how the loan was obtained and by whom, where the investigation is at, if I can press charges, etc. SBA OIG complaint numbers (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C). The hotline number is not functioning and they ask you to send a complaint via the website, which I have now done at the end of September and now October.

I received notice that on 8-6-21 a fraudulent SBA disaster loan was taken out in the name of Chamberlain Oil Co., Inc. Loan # was (b) (6) and was not taken out using our Fed ID number, but using an owner's Social Security #. This loan was not authorized by the owners or by Chamberlain Oil Co., Inc" a Corporation.

Per instructions from the SBA, I filed a complaint with the SBA on 9/23/20. Complaint ID is (b) (6), (b) (7)(C)

I am requesting documents sufficient to determine the current status of this complaint.

I am continuing to receive notices that the SBA loan is still in the business name and is due.

Hello,

I am seeking documents sufficient to determine the current status of Complaint

Submission Number (b) (6), (b) (7)(C)

This has to do with a supposed loan (that I did not apply for or receive) number: (b) (6).

I called the SBA in September 2020. Talked to AJ in customer service.

SBA-2021-000604 (b) (6), (b) (7)(C)

I have received 2 "invoices" saying that a SBA Disaster loan was taken out of \$77,500. I have never applied for or received a loan from the SBA. I thought that after I spoke to customer service and a complaint was filed these would stop, but I just got another one. What AJ told me was that my social and birthdate don't match what's on the application. Neither does the name and (home?) address. But for some reason my former business address was on there and what now comes directly to my home also has my last name on it. He told me the person listed on the application is Marcus Johnson. The business name is Nico's (Hairstyling & Nails?), an address of 716 Vista Rockford, IL. There was a loan in that amount paid out to Marcus Johnson (who I don't know) through PNC bank. I believe that was on July 7. On July 24th, he said it was flagged for identity theft. I first sent an email about this to the SBA on August 28, 2020.

Loan (b) (6) issued to Finch Fish Farms

This supposedly is a 'disaster' loan taken out in the amount of \$40,000.00 for 'Finch Fish Farms'. I have received two notices regarding payments at my home address but I did not take out this loan! I am trying to get any and all details of who, when and where this loan was taken out so that this apparent fraud, identity theft can be prosecuted. Obviously how the loan was secured, who the check was issued to and what identity was used to secure this loan is of paramount importance. Copies of the loan application, check and any other information the SBA has regarding the loan would help. Please note that I have reported this to the FBI and that I believe the perpetrators may be in the Houston area. Please feel free to call me at (b) (6).

Karen Mills is one of those individuals. Before holding the position of Administrator of the Small Business Administration, Mills worked at Solera Capital and other private equity firms and served on the boards of Scotts Miracle-Gro and Arrow Electronics. After she left the SBA, she moved on to become the President of the MMP Group (a private equity firm), Vice Chair of Envoy (an immigration services provider), and director of First Aid Beauty, where she might have sought to undermine the regulations she once helped to design and administer. As experts in executive branch appointments, it seems likely to us that Mills will be considered for an appointment to the next administration in a position from which she will have significant power over regulation impacting businesses her firms invest in. Given Mills' decision to work on the MMP Group's and others' behalf after leaving the Obama administration, it is important that the public receive assurances that she did not act similarly while in the service of government.

I received a statement yesterday, 10/19/20 via the United States Postal Service for the U.S. Small Business Administration regarding a loan. The correspondence was addressed to Sarah M Smith Interiors. While my name is Sarah M Smith, I do not own any business whatsoever nor ever have. I called the service office for the SBA and found out that a loan had been taken out in my name. The loan number is (b) (6) and is a Disaster Relief Loan and in the amount of \$137,300. I requested the following from the SBA: 1. Supporting loan documents Such as and not limited to application, closing documents, etc2. Bank account information as to where the loan was deposited 3. What financial institution underwrote the loan? The agent, Nicole badge number 6361, said that I had to make a request through the Freedom of Information Act which is why I am submitting the request.

Dear SBA staff,								
My name is Frank Lee and I am a victim of identity theft. On July 31, I was informed by the identity monitoring company (Identity Guard and Experian) that my name, DOB, and SSN were used to apply for a loan at SBA ODA. That was a fraudulent activity. I did not apply for any business loan from SBA, and I don't own any retail business. In order to assist in filing police report and FTC Identity Theft report, I would like to request a copy of SBA loan application that was fraudulently submitted under my personal information. I was able to obtain the loan application number (b) (6) by phone with a staff at SBA ODA. Please send me a copy of the fraudulent loan application.

SBA-2021-000455	Dr. Tiffany A Reiter		I was recently a victim of identity theft. On my credit report, I found out that my personal information was used to apply for a small business loan from the SBA (Application No. (b) (6)). A person at the SBA informed me that the loan application has listed a fraudulent bank account associated with my name, but was unable to provide the account information or the name of the bank. I want to make sure that this bank is notified that this is a fraudulent account (and that I did not open it). In order to do this, I need to receive the bank information as well as the bank account listed on SBA loan application number (b) (6). As this is an urgent matter, would you please process this request as soon as possible?	10/20/2020	10/20/2020	Closed	10/29/2020	Full Grant

Please provide the records ASAP to this email address.

Thank you,

requesting status or Complaint ID: (b) (6), (b) (7)(C)

Good afternoon,

We submitted a complaint last week on 10/14/20 regarding a fraudulent loan in our name, and we'd like to speak with someone regarding the status and actions taken to resolve this issue.

We have never applied for nor received funds from any SBA disaster or other type of loan, yet we received a loan statement in our name which showed a principal balance and payment due date. We must get this resolved!

Our steps taken thus far:

1.10/14 - We immediately called and spoke with an SBA Customer Service Rep to report the loan error/fraud after receiving a loan statement in the mail.

2.10/14 - The Customer Service Rep directed us to call the Fraud Hotline, which we did and left a detailed voicemail message.

3.10/14 - We also filed an online complaint through SBA OIG, but received no acknowledgement. Details and contact information were provided, and the loan statement we received was attached to the Complaint Submission.

4.10/19 - Called the Fraud Hotline number, but couldn't reach anyone to discuss complaint status.

5.10/19 Sent this email request for help.

As you can see, we're very concerned and urgently request information from your team to understand what is being done to resolve this issue, remove our names from the fraudulent loan, and close out the open loan account.

Our contact information is:

SBA-2021-000242	(b) (6), (b) (7)(C)	Absolute Insurance Solutions LLC	I went online to request a COVID-19 EIDL Loan on 8/28/2020 and 2 days later I was denied because they said there were 4 other applications that had been filed. The filing I had done was only my first one that went through. I was working with my assistant Dylan Strong and we had submitted an application back in March but did not hear anything from that attempt. So I just figured there was no more money. A friend suggested I try again since it worked for him. That is was the 8/28/20 attempt. So I called the SBA and then found out that the first attempt was on 7/29/20 and it had the name of my company Absolute Insurance Solutions LLC and my address (b) (6) and my name (b) (6), (b) (7)(C) correct but the EIN and SS# was not mine or my companies. They then told me that they had deposited \$28,000.00 into a Wells Fargo account which is a bank I do not have an account with. I spoke with people at Wells Fargo and no record of a transaction in my name or the name of my company. I then contacted my attorney and the local police (Peoria Police Dept) and filed a report. My attorney advised me to call the FBI which I did. They said there has been a lot of fraud and that even some people who are owner are doing illegal activity. She said that because my name is on the application the FBI would be looking in my direction so gave her all the information she asked for including all present and former employees. I need to know who did this and also I want my name and reputation to stay intact. I did file 3 requests to the OIG and to retrieve documents sufficient to determine the current status of Complaint Submission Number (b) (6), (b) (7)(C). let me know as soon as possible please Thank You	10/13/2020	10/13/2020	Assignment Determination
