Attached, please find an interim release of 1990 pages which contain materials responsive to your January 10, 2021 Freedom of Information Act (FOIA) request for "A copy of the FOIA Case Logs for the Small Business Administration for each of the years 2017 through 2020." This release includes materials that the SBA is proactively releasing to you.

This release consists of FOIA Logs for the fiscal years 17, 18 and the full year of logs for 2020. Three documents have been withheld in part pursuant to FOIA Exemptions 6, and b7(C). Please be advised that the exemptions utilized are listed next to the applicable redactions.

Exemption 6 (5 U.S.C. § 552(b)(6)) allows Federal agencies the discretion to withhold information the disclosure of which pertains to information the release of which would constitute a "clearly unwarranted invasion" of the personal privacy of an individual or his/her family.

Exemption 7(C) (5 U.S.C. § 552(b)(7) (c)) provides protection for law enforcement information the disclosure of which "could reasonably be expected to constitute an unwarranted invasion of personal privacy."

Should you wish to appeal any withholding determination, you will have the opportunity to do so. We will provide appeal rights to you at the time of the final document release. Until that time, we will continue to provide documents to you on a rolling basis.

In addition, we have updated the estimated date of completion for your request to be April 13, 2021; please note this date is just an estimate and is subject to change.

You may email Regina Olanegan at regina.olanegan@sba.gov if you have any further questions concerning your FOIA request. You may also contact SBA's FOIA liaison at 202-401-8203.

Sincerely,

Regina Olanegan

SBA-2017-000042	Request	Leo Henderson		10/11/2016	11/08/2016	11/02/2016	Full grant	On July 29, 2015, I submitted a complaint to the office of the Inspector General regarding a janitorial company, CCS-RCD, claiming 8(a) status although their status as an 8(a) firm expired in 2013. This company received a direct award contract for the Dugway Proving Grounds janitorial contract. Based on my research, the company didn't qualify as an 8(a) company, having graduated from the program and being unable to qualify for a direct award contract under the mentor/protege program as the award would go to the protege program in such an instance. Hence, I believed the direct award letter was issued incorrectly and I asked that the SBA rescind that direct award and open the contract up for all small businesses to bid on. The complaint ID number is 20150341. I would like to know the outcome of that investigation, whether my complaint was addressed or not.

SBA-2017-000032	Request	Russell Warden		10/10/2016	11/09/2016	10/18/2016	Request withdrawn	I am looking to get performance data by industry segment and geography of the SBA loans. This data would be useful in determining the relative risk characteristics of different geographies and loan types. I presume the SBA would have this data digitally in a database format and would like a copy. I do not care about identifying information about the businesses, such as their address or name. But any data related to credit that the SBA collects (loan to value, debt service coverage ratio, loan size, appraised value, occupancy rates, etc) would also be useful in addition to the geography and performance data. The intent is to provide visibility into the underwriting and risk of SBA loans held on the balance sheet of banks across the country. I just put in a random processing fee amount. The amount I'd be willing to pay would depend on the perceived quality of data I may be able to get access to. Thanks!

Blair	The Hartford Courant	09/25/2017	TBD	TBD		Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of all records pertaining to air travel for SBA Administrator Linda McMahon from Jan. 20 through Sept. 25, including but not limited to receipts, bills, itineraries for any flights on private or commercial airlines that Secretary McMahon took to execute her duties as head of the Small Business Administration. SBA-2017-001484	Request	Cecile R. DeMartini		09/25/2017	11/16/2017	TBD		The Small Business Administration granted a small business loan in June 2017 to Anthony Salas Jr. Mr. Salas used the SBA loan to purchase equipment from Beach Butlerz Corporation. I'm the current CEO of Beach Butlerz Corporation. I am requesting a copy of all correspondence between the SBA, Mr. Salas, and the funding institution, CoastHills Credit Union. There are two reasons for this request. 1. The SBA Loan describes Mr. Salas' mailing address as (b) (6). That address is my personal home address and also the legal address for Beach Butlerz Corporation. I believe that Mr. Salas' SBA Loan application provided false information regarding Mr. Salas' home and business address and committed identity fraud on me as a person and as a corporation. 2. Mr. Salas' said he used a preferred SBA Lender, CoastHills Credit Union out of Lompoc, CA, to process his SBA loan. Mr. Salas said the loan process would be completed by the end of December 2016. Instead the loan process took over 6-months to complete, which caused a financial burdon on Beach Butlerz Corporation. Thank you for accepting this request for information. I completely understand that some data such as social security numbers and financial account numbers can not be shared and I am completely fine with covering up that data prior to sharing the correspondence with me. Electronic files is my preferred form of receiving the data. Please contact me with any questions you may have. Best regards, Cecile DeMartini Beach Butlerz Corporation, CEO (b) (6)

SBA-2017-001483	Request	ALEX ZARCONE		09/25/2017	10/26/2017	TBD		Nilforushan, SBA Loan No. 9090574006. Please see attached.
SBA-2017-001480	Request	Louise Radnofsky		09/22/2017	TBD	TBD		Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to all travel approval documentation and related information for Linda McMahon, including but not limited to authorization rationales and receipts. In addition, I am requesting a list (to the extent one can be easily generated through a simple search) of the names of all employees submitting travel requests to accompany the administrator. I believe this information may be held by your Office of Performance Management and Chief Financial Officer, but please consider this request to apply to whichever office may hold the relevant file. As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information about the use of taxpayer dollars, for dissemination to the general public, by cabinet-level officials that would also by definition meet an urgent need to inform the public about an actual or alleged federal government activity. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. In the interests of speed, however, and recognizing the importance of the records in question, I am not seeking a fee waiver and I am willing to pay all applicable fees under the fee benefit. Please contact me if you anticipate the fees exceeding \$100. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information. If any part of this request is not clear, or you foresee problems in identifying the requested records, please contact me by telephone on (b) (6) or email (b) (6)

SBA-2017-001396	Request	Kelly Motta		09/01/2017	10/03/2017	09/21/2017	Fee-related reason	1) Do you have the \$ amount breakout of the guaranteed portion and unguaranteed portion for 7(a) loans per year for FY 2008 – FY 2017 to date? Basically looking for the \$ amount that's guaranteed vs. not guaranteed that makes up the total UPD for 7(a) loans in this chart - https://www.sba.gov/sites/default/files/files/WDS_Table1_UPB_Report.pdf 2) Looking at the SBA loan program performance charts on your website (link to what I'm referring to here: https://www.sba.gov/about-sba/sba-performance/performance-budget-finances/small-business-administration-sba-loan-program-performance), if I'm looking at it correctly, are charge-off amounts, recovery amounts, and purchase amounts for the guaranteed portions only? That's what the footnotes said, but I want to make sure that I'm understanding this correctly. If so, would net charge off amounts less guaranty repurchases (Charge Off Amounts – Recovery Amounts – Guaranty Repurchases) be a good proxy for the losses banks incur on the guaranteed portions of the loans due to denial/partial repair of the loan guaranty?

SBA-2017-001352	Request	Regina Guarino		08/21/2017	09/19/2017	09/14/2017	No records	I have reason to believe that S Kelly Enterprises, owners of the Bar-Restaurant, The Mad Hatter, 10 East Ocean Avenue, in Sea Bright ,New Jersey have lied to the EDA. They are scheduled to receive \$ 5,000,000 from the EDA to build a 16,000 sq ft restaurant. The restaurant they lost in Superstorm Sandy was 3200 sq ft building.We suspect that they misrepresented the size of the building lost in the storm. Additionally, the building of that restaurant is being challenged in NJ Superior Court and won't be heard until later this year. In defiance of the court they are starting to rebuild. We suspect they are using EDA funds which should not be released prior to the courts decision. We are seeking information regarding the basis of that loan and what funds if any have been released so far. Sincerely,

SBA-2017-001264	Request	Christa Brusen		08/01/2017	08/29/2017	08/01/2017	Request withdrawn	I worked for the SBA for 32 years, most recently at the National Guarantee Purchase Center in Herdon. I retired 12/31/15. My last pay periods and cash out for my annual leave were paid in January and February of 2016. Social Security viewed my reported income in 2016 as wages earned in that year and has requested repayment of an overpayment of over \$10,000. I have contacted SS and The SS representative agrees with me that these reported wages would not count against my social security payments under the described circumstances. However they need documentation that the \$37,281 reported as wages for 2016 was for wages and annual leave earned prior to 2016. My leave and earnings statement or any other similar document would suffice. However I do not have paper copies as I relied upon electronic access to My EPP. Unfortunately I am now locked out of that system. SS recommend that I contact OPM which I did. They referenced me back to SBA. The phone number OPM gave me for SBA does not pick up and has not responded to my voice mail. I am requesting any available documentation that shows the source of the \$37,281 SBA reported as income for me in 2016.

								I would like all pertinent documentation supporting SBA's decision to grant the waiver emailed to me at both email addresses listed below. On August 2, 2009, SBA published a proposed Notice of Retraction for the Waiver that was granted for the Non-manufacturer Rule, PSC 9130 (Liquid Propellants-Petroleum Base) under NAICS code 324110 (Petroleum Refineries). SBA solicited comments on the proposed retraction of the waiver, 74 FR 18584. The Notice of Retraction of the Waiver was not published. Can you tell us why the retraction was not published? June 3, 2011, SBA again issued a Federal Register Notice of its intent to retract the class waiver (76 FR 13777), seeking comments on the proposed retraction. This time SBA received two responses to this notice, one from a Federal agency and one from a small business Non-manufacturer. The non-manufacturer objected to the proposed termination of the waiver. Can you supply to us the name of the small business non-manufacturer? What we are experiencing is the contracting officer sites the non-manufacturing rule and that is the end of it. To date only one small business company has been granted a waiver. What is SBA's policy/procedure for a Service-Disabled Veteran Small Business to take when we knowingly are certain that there are no small business manufacturers anywhere near the required delivery sites as detailed in various contracts. We find that if the contacting officer is not doing his or her due diligence and will not request a waiver we are hindered in our efforts to make our small business grow, be price competitive and bid effectively. The current non-manufacturing rule as it is written needs to be modified to allow a small business to be able to have options available to them when the above request for waiver is not being properly followed. In a letter to SBA dated June 20, 2011, DLA identified (7) small business refiners to which DLA had awarded prime contracts or received offers from, who compete

SBA-2017-000858	Request	Kelly Motta	KBW	04/05/2017	05/03/2017	04/17/2017	Full grant	• Do you have any data on the denials or repairs of SBA guaranties? I'm looking for anything that gives me a sense of how frequent denials or repairs happen, and quantifies in some way the loan amount the SBA denies purchasing because of lender error. Whatever data or statistics that could frame the extent of denials and/or repairs would be great. • Do you have any data on the size of the secondary market for 7(a) loans? Such as the amount sold in the secondary market each year? And do you have anything on premiums paid? I see you have this posted, but I'd like to see what the back-up data is (i.e., what the numbers are for each year and the premiums paid each year and/or quarter and how that's trending. Also it is not updated for 2016
SBA-2017-000840	Request	Matthew J. Novak	Gizmodo / Univision	04/04/2017	TBD	04/11/2017	Request withdrawn	I request all documents listing the goods and services provided by Unicor that were then invoiced January 2016-present. This requestor sent a FOIA request asking for all invoices sent to SBA by Unicor between January 1, 2016 and the present. While some information was delivered in FOIA 2017-000797 indicating how much money was invoiced to the SBA, it's not clear to any layperson outside of SBA what exactly was being purchased. If the FOIA office would like lists of the document numbers provided on the invoice that can be provided, but they are all listed in FOIA 2017-000797, which presumably the SBA FOIA office would have no trouble pulling up.

SBA-2017-000533	Request	Gregg K. Jann	Jann Demystifying Affects	01/27/2017	TBD	01/30/2017	Not an agency record	Gregg K. Jann of Santa Rosa, CA and educated one time at Chico State University and Sonoma State University, with much at Santa Rosa Junior College education, feels in a non-fiction book published that he who is author of this request copy righted "https://www." used in starting internet addresses and that he applied this code from his early family dynamics to point to secret code like a mothers diary or warnings to not talk like in wartime or econ deals. Does Small Business Administration have record with Commerce Dept or any government entity that Gregg Jann contributed computer code used for internet, his peace themes are worthy of respect, and Gregg was stolen making his education presentations correct in asserting he was stolen as a vulnerable entrepreneur and student rights enterpriser. Gregg Jann wrote a diagram at the CSU, Chico library in mid 1980s before the internet was invented stating how he could design a computer to be more readable on screen, while his story says he was handed a drafting paper and he drew it out here at Chico, and then at SSU in front of another student he typed in the surrounding of "http" inclusive of aforementioned code and its not hyper text markup language without Gregg Jann. Gregg Jann planned to market his international peace attempts, perhaps US President Reagan speechwriting, his AIDS naming, and even his luck in riding the Subway in attention getting manner all in the mid 1980s except SSU from '92 to '94.

It would be similar to the attached file, but I would like to see if there is a column that shows if the loan defaulted (charge off, failure to meet payments, etc.) Best, Patrick

Wilson	On Behalf of Cats that are Vaccinated and Develop cancer	01/04/2017	TBD	01/04/2017	Improper FOIA request for other reason	To Whom It May Concern, First, thank you for taking the time to read this. My beautiful 13 year old Bengal cat, Boris, has cancer. It is related to a vaccine he has received in the past. It is called a vaccine-associated sarcoma. He will now have to have his hind leg removed and most of his pelvis and receive chemotherapy. The veterinary oncologist told me to contact the vet where he received these vaccines and get manufacturer names and serial numbers. I called Webb Animal Clinic in Rincon, GA and was shot down. I was spoken to quite harshly and told this barely ever happens and why would they give me that information. Also, who told me to ask for that info. Please help me get these manufacturer names and lot numbers. My family has spent thousands there in 2 different locations. If I can save one cat from this disease, please help. This is an outrage that vets are not held accountable and don't even tell us about the possible future complications. It must be stopped.

<p>I do have the request for the current Loan documentation to be sent to me for legal review.</p> <p>Here the short summary, as part of the Loan approval process I had to bring in my contractor which signed a mechanic lien contract. After the recording at court, SBA and myself adjusted the loan amount to the minimum of 25k, since at this point the Flood insurance paid more to me as originally estimated as part of the loan calculation. This led to a less needed amount for this disaster loan. However after some repairs by this contractor we ended up in a dispute with the contractor which is now in legal evaluation. My attorney would now need to evaluate the Loan documentation and is trying to find out if the mechanical lien contract is still valid from a legal perspective, since the Loan was not executed as at the time of the sign off with SBA.</p> <p>In our favor this contract with the contractor may be void and not valid anymore, also he noticed that the Loan is still not on records within the Harris county courthouse.</p> <p>Unfortunately I can't see my full loan documentation on the SBA website or system and the assigned SBA attorney as part of the Application process, referred me to the servicing center which send me this link to request my loan documentation and to direct my questions through this portal.</p>

SBA-2018-001047	Mr. Brian E Gunther	Torre Lentz Gamell Gary & Rittmaster LLP	This FOIA requests concerns the Surety Bond Guaranty Program administered by the U.S. Small Business Administration. We believe it should be directed to the Office of Surety Guarantees for a response. We are seeking information regarding Avalon Risk, LLC 240 Cedar Knolls Road, Suite 306, Cedar Knolls, NJ 07927 and its relationship with Bankers Insurance Group. Specifically, we are requesting all documents submitted by, or on behalf of, Bankers Insurance Group referencing Avalon Risk, LLC, including, but not limited to, applications, authorizations, acknowledgements or other documents allowing Avalon Risk, LLC to serve as an authorized agent of Bankers Insurance Group. We had previously submitted a FOIA request on March 16, 2018 (SBA-2018-000570) seeking information just regarding Avalon Risk, LLC. In a FOIA response email dated June 7, 2018 (not received by us until August 7, 2018), the SBA advised that no records were located in response to our request. Upon further inquiry, we were advised that individual agents such as Avalon Risk LLC do not apply to the SBA. Rather, it is the surety company for which the agent has a relationship with that make the requisite filings. Avalon Risk, LLC was listed on SBAs website as part of the list of participating surety company/agent search result. Our understanding is that Avalon Risk, LLC had a relationship with Bankers Insurance Group. Accordingly, we are now requesting any documents submitted by	SBA-HQ - Headquarters	8/20/2018	9/11/2018	Partial Grant/Partial Denial

F.A.A. Properties LLC is the borrower, the borrowing entity was previously known as Good Life Fitness II LLC. David Fiala is my name, I am the managing member. 402 434 2170 is my office/work, (b) (6) is my cell. Also please let me know if a FOIA request delays our SBA closing further please. Emailing information to me is fine to this email, but I'd appreciate a package provided with all the information. Right now I would appreciate all CDC 327 documents #6 and later asap, with their responses in their entirety, emailed. Then everything in normal FOIA due process. I do request that the information come from an independent office, not one that has been involved with our long delayed loan closing. I placed a FOIA request for all communications, and paperwork on our SBA loan within the past year. I did not receive all of the information, plus more information was created the past 8 months. More unnecessary loan delays continue. Our approval was in 2015. We should have been closed by the end of 2016 had it not been for what we found was a network of folks trying to earn more funds and take advantage of us. At this juncture, retribution has happened with those involved in our project, and still happening. Attached is the 327 CDC document changing to a different CDC. It is easier to talk than provide further emails. That is my request.	SBA-HQ - Headquarters	8/13/2018	9/26/2018	Partial Grant/Partial Denial

SBA-2018-001029	CONRAD AIRALL		expedited request Delinquent Debt Dispute & Demand for Refund I dispute the narrative outlined in your message. It is apparent that some person or persons representing BofA has provided false and/or misleading information to SBA and to me. I have no record that on December 2, 2008 SBA made a payment to BofA; and I have no record that BofA charged off \$4000.00 of the loan. In fact, around late June, and early July 2018, a BofA official specifically informed me there was no record of a charge off. Furthermore, as far back as September 2013 when I registered my dispute of the debt, BofA informed me there was no record that I obtained an SBA loan. That information from BofA would be consistent with my belief then as now, there was no SBA debt because about a week after I signed the Agreement for the SBA \$8,000.00 line of credit, I informed BofA I did not have need for SBA money because I obtained a \$25,000.00 secured line of credit from the bank arranged by the same officer who assisted me with the SBA line of credit. I did not want to deal with the myriad terms and conditions set by the Bank to obtain an SBA loan. I naturally assumed that the \$8,000.00 line of credit loan agreement was cancelled. To the best of my knowledge the only loan payment I had to make to BofA was for the \$25,000.00 that was paid in full. Ironically, nothing about the SBA loan appears in my credit history. This is most distressing, and I need answers. I would therefore appreciate your providing me (1) unredacted copies of all documents showing SBAs payment of \$4,000.00 to BofA posted THIRD PARTY REQUEST FOR ALL LOAN DOCUMENTS	SBA-HQ - Headquarters	8/9/2018	8/16/2018	Partial Grant/Partial Denial

SBA-2018-000811	Kurt A Schluchter		I would like all information on my file from January 2013 to current year to date. I was employed by Coface, more specifically EW Droppa Associates between January 2013-December 2016; and during that time I met with an individual by the name of Sandro Murtas in Atlanta GA. he invited me to an event hosted by the EXIM bank and the Georgia Department of Economic Development. At that event because I was in competition with the EXIM bank Sandro came up to me and whispered in my ear that if I stayed quite and didn't speak to anyone that all of this could be mine. That if I spoke up and tried to network at the event that weird things would happen to me and then everything would be over. I mostly stayed to myself at that event but was asked a direct question by someone at the round table discussion. So I answered the question. Sandro was staring at me very angrily. After the event and shortly after weird things started happening to me. My computer was hacked at work and when I returned back from lunch, files related to EXIM bank were being actively looked through. Next I started receiving multiple calls on a regular basis from Apple. I would pick up and generally no one would answer. On one call I started yelling into the phone asking what do you want. The individual spoke and said that I had done this to myself. After that both my wife and my facebook accounts were taken over. First mine then hers, The app when you clicked on it would open but the screen would be all white. After that things started getting really strange at work. SBA-2018-000777	Mr. David Silver	Santa Fe Capital	In July 2014, a licensed SBIC, Convergent Capital, LP (www.cvcap.com) loaned an estimated \$20,000,000, borrowed in part from the SBA to Tavant Technologies, Inc. Please go to Convergent Capital's Web site, www.cvcap.com/portfolio and you will see that Tavant Technologies is still a portfolio company of this SBIC. However, at the time of the loan, July 2014, 91.0% of Tavant Technologies' employees and therefore its principal assets, as it writes and sells software, were located in India. See Exhibit 1 for proof of that statement. I notified Carol Fendler, in Autumn, 2014 of this violation of SBA Rule 107.720(2)(11). Ms. Fendler at that time was Director of the SBIC Program. Ms. Fendler said she would mention this to her examiners, and let me know what they found. This did not happen. Therefore, what did the SBIC examiners find in their late 2014 examination of Convergent Capital's loan to Tavant Technologies, Inc. As you can see from Exhibit 2, I am a co-author of the rules of the Minority Enterprise Small Business Investment Program, when I was invited to the Dept. of Commerce in 1969 for that purpose. (a) What did the examiners find when they examined Convergent Capital's loan to Tavant Technologies, Inc.?(b) Did the SBA bundle its loan to Convergent Capital, which was then loaned to Tavant Technologies' and did the SBA sell that loan to investors?(c) If the loan was sold	SBA-HQ-Inv - Investment Companies (SBIC)	5/18/2018	6/15/2018	Full Denial Based on Exemptions	Ex. 8, Ex. 4

SBA-2018-000547	Ms. Deborah Hughes		Dear Patron Services Representative, I am writing at the suggestion of the Office of the Comptroller of the Currency. In 2007, GreenPoint Financial /Capital One Financial Corporation issued a payout check to my father Euston Hughes and myself. The check was in excess of 100,000 USD. My father passed away in 2014. I recently found out about this payment from Computershare. I did not sign this check and apparently no one has a copy of it. The Office of the Comptroller of the Currency suggested that I contact Citibank, Chase and Capital One about this matter. On February 9, 2018, Chase Bank responded that there is no indication that they handled the payout check. Capital One and Citibank still have not responded. I would like to know the official policy of Chase, Capital One and Citibank, when they are presented with a check that is endorsed with one signature and is made out to two people. I would like Capital One and Citibank to check their transaction records to determine if they handled the payout check. I would also like to know if there is any possibility that a copy of this check may still exist so I can present it to the banks where my father held accounts. Please let me know if you have any questions. If you can	SBA-HQ-FOIPA - Freedom of Information and Privacy Acts Office	3/13/2018	4/17/2018	Not an Agency Record

SBA-2018-000488	Ms. Deborah Hughes		Dear Patron Services Representative, I am interested in finding information on a small business called the Kerpel School of Dental Technology in New York, NY. The school is mentioned in a journal article titled: "Council on Dental Education, Trainees in Mechanical Dentistry, Journal of the American Dental Association, Vol. 35, August 15, 1947. The article begins on page 291. If you can provide me with copies of this article I would appreciate it. A librarian at Ferris State University sent me an article from the internet titled: New York's Dental Laboratory Higher Education: How It All Began by a Prof. N. Manos. The article indicates that the Kerpel School closed at some point after 1976. My father Euston Hughes trained there in the mid to late 1960s. The Kerpel School sponsored his student visa to study in the United States. I recently tried to find the school in order to request copies of any available information concerning his student visa, grades, coursework and diploma. I wrote to several medical and dental archives and libraries and no one was able to tell me anything about the school or what happened to its records. Apparently my father Euston Hughes was not a member of the American Dental Association. He passed away in 2014. Please reply with any information that you may have on the Kerpel School and my father's first employer after he completed his training, Classified Dental Labs of New York, NY. SBA-2018-000447	Mr. William C Schneck	Individual	An SBA Preferred Lender has committed multiple accounts of fraud against myself, my company, and the Small Business Administration. I am a U.S. Military Reservists activated overseas in support of a contingency operation, and the lender has recently violated SCRA by inducing the Federal Government (via SBA) to inadvertently purchase this loan unlawfully. To complete my motion for Monterey County Superior Court to re-open the case, and in doing so, grant relief to both myself and the SBA, I need to provide sufficient justification. I am covered under SCRA, and this alone may be enough, but I want to ensure complete transparency with the court that the Judge can fully observe all party actions from Day 1 of my response. To achieve this, I must provide information concerning the characterization of the bank's request with SBA. Specifically, the information that I will need is as follows: 1. The date that MCB requested that SBA purchase the loan 2. The date that SBA wired loan purchase money to MCB 3. The amount that SBA paid for the loan 4. The present balance now owed to SBA 5. A copy of MCBs purchase request package to SBA 6. A determination on whether MCB included proof of its lawsuit against me among the documentation justifying the purchase request 7. Whether or not MCB self-disclosed any fraudulent or wrongful origination, underwriting, or servicing behavior on MCBs behalf in its request for SBA purchase of this loan I would not normally request expedite. However, the banks surprise dismissal of this lawsuit (last week) has placed me in a bind on response time. I can't tell you how much I appreciate your expediency on this	SBA-HQ-NGPC - National Guaranty Purchase Center (Herndon)	2/6/2018	2/8/2018	Partial Grant/Partial Denial	Ex. 6

We have refinanced our home several times and never received any information on a lien on the home. SBA-2018-000390	Mr. Carlo Cellai	CELLAI LAW OFFICES, P.C.	DBI is requesting the entire submission of Hamilton Alliance, Inc. to the Small Business Administration for its determination and certification that Hamilton Alliance, Inc. is a small business of a certain size. The document is necessary because Hamilton Alliance, Inc. is currently the subject of a bid challenge by DBI based upon Hamilton Alliance, Inc. 's failure to meet the small business contracting requirement of the RFQ. Please note that DBI is requesting an expedited determination on its Commercial Request and is will to pay all reasonable fees therefor. DBI has submitted a bid protest to the Natick Contracting Division because it takes the position that Hamilton Alliance, Inc. did not qualify as a prospective bidder. Please note that DBI is willing to pay any reasonable copy and associated costs. Alternatively, you can just email the entire bid or response to the RFQ to my office at Carlo@Cellailaw.com. SBA-2018-000368	(b) (7) (C)	(b) (7) (C)	BACKGROUND (b) (7) (C) & (b) (7) (C) is holding hostage my tubular undyed fabric valued at over \$160,000 vs. the \$17.3K I owe them. This issue came about due to late deliveries over the last year. According to (b) (7) (C) the late deliveries were due to their manpower issues. The undyed fabric, stored on consignment, saves me time when deciding colors to dye. By holding my fabric hostage, (b) (7) (C) is using their position as leverage to force me to pay \$1.25/LB surcharge before any new dye orders are released until the \$17.3K is paid. Meanwhile I am losing more business on top of what I have already lost. The late deliveries cost over \$400,000 in cancellations lost sales opportunities causing me to take out high interest cash advance loans. We have moved to a new dye house. OTHER COMPLAINTS 1. Some of my best sewers quit 2. Complaining customers 3. Cash flow has been devastated - I am behind on other bills 4. In order to survive I am applying for another high interest cash advance 5. Holding my fabric hostage DOES NOT ALLOW ME TO BUILD INVENTORY as we are approaching our busy season; I am forced to dye small LBs of fabric 6. At least 8 months of laying off over 25 employees over \$200,000 in lost wages. Wolfe has not shut down once nor did they lay off employees 7. We are losing even more business as I am being forced to dye small orders SUMMARY How can (b) (7) (C) control over \$160K of my inventory with \$17.3K that I owe? If they had released just \$140K of my inventory months ago, they could have been paid by now! Wolfe has turned their operational issue into a financial issue. SBA-2018-000202	Dustin C Weihs		I am in the final phases of my dissertation research and I am hoping you can provide me with some final data to increase the sharpness of my study. I am comparing Online Peer-to-Peer lending for small businesses to SBA 504 loans. I currently have data from the GAO report (Shear, 2014) that gives approvals, denials, and withdrawn totals (to give me the total number of applications submitted under the program to the SBA to calculate an approval rate) in conjunction with the approval data already available on the SBA website. What I am hoping to get is the total number of 504 applications received by the SBA for FYs 13,14,15,16,& 17 or as recent as can be made available. This would be a great help to me in completing my academic journey and my research is likely to contribute significantly to public understanding of SBA 504 loan program operations or activities once my dissertation is published. SBA-2019-000919	Mr. Yongjin Ahn	University of Southern California	<p>Dear FOIA officer of the Small Business Administration: Hi, this is Yongjin, a doctoral student studying public policy at the University of Southern California. I am currently doing research on the three previous government shutdowns, FY2014, FY2018, and FY2019. Under the Freedom of Information Act, 5 U.S.C. § 552, I am requesting contingency plans that contain information on the planned number of furloughs within each component of the Small Business Administration (e.g., Bureaus, Administrations, Offices, etc.) prior to the three events. I noticed that there are contingency plans updated to the latest date in the OMB website, however, what I am searching for are those that were prepared right before shutdowns of FY2014, FY2018, and FY2019.</p> <p>The purpose of my request is to compare the "planned number" of furloughed employees with the "actual number" at the event. Therefore, I also request the number of employees furloughed in each component of the Small Business Administration (e.g., Bureaus, Administrations, Offices, etc.) during those three shutdowns. I am fully aware that there might be employee privacy issues, thus, I require only "the number" rather than individual information. If there are any fees for searching or copying the records, please let me know before you fill my request. If you deny all or any part of this request, please cite each specific exemption you think justifies your withholding of information. Notify me of appeal procedures available under the law. If you have any questions regarding this request, please contact me.</p> <p>Sincerely, Yongjin Ahn (b) (6) ahnyongji@usc.edu</p>	9/27/2019	9/27/2019	11/26/2019	Full Grant

SBA-2019-000844	Ms. Kimberly M Slawson	Mellow Mushroom Three Peat Inc	Kim Slawson is looking for information that the US Small Business Administration has obtained from Branch Banking and Trust related to a loan in the amount of approximately 1.5M. BB&T has filed a lawsuit against Kim Slawson, Montie Slawson and Mellow Mushroom Three Peat Inc. for non-payment. Mellow Mushroom Three Peat Inc was forced to close due to construction deficiencies on Oct 28, 2018. During the production phase of this lawsuit, Kim Slawson found several suspicious transactions that BB&T disbursed to the builder (KHBD dba Precision Builders) and could amount up to 500k for "safe houses", remodeling, staircases, etc. KHBD was the builder for Mellow Mushroom Three Peat dba Mellow Mushroom and is a restaurant that would not have items such as "safe houses". Mellow Mushroom Three Peat would not be doing any remodeling b/c KHBD was building a brand new building from ground up. Kim Slawson also discovered that BB&T did not follow SBA guidelines and standard operating procedures in place during the time the restaurant was being built. SBA-2019-000768	Ms. Amy Wardlow		<p>am seeking clarification from SBA Procurement on the 8(a) Sole source contracts awarded to Collins Concrete, LTD.that are listed below. My home address [mailing address listed above] was approved on June 21, 2013 as an SBA Bona Fide place of business in the State of Illinois for Collins Concrete, LTD.. I have a change of Ownership letter dated April 16, 2015 to Shane Hauman from Dawnelle Conley stating that the current contracts Collins Concrete, LTD. has been awarded to date, will not be affected by this change The two contracts she was referring to were: W52P1J-14-C0- 5016 & W52P1J-14-C-5047. The clarification that I am seeking is whether my home address as the SBA Bona Fide place of business in the State of Illinois allowed Collins Concrete, LTD to be awarded these four 8(a) sole source contracts? To clarify, would Collins Concrete, LTD been awarded those contracts without an SBA Bona Fide place of business in the State of Illinois?</p> <p>I am willing to pay statutory fees for the processing of the requested information.</p>	7/30/2019	7/30/2019	8/6/2019	No Records

Please notify me before incurring any expenses in excess of that amount. For fee categorization purposes, I am a noncommercial other requester. I am a debtor to the SBA and have filed bankruptcy. MY SBA Lender, Midwest Business Capital told me on July 8, 2015 that they had submitted a comprehensive Offer in Compromise (OIC) package to the SBA on my behalf. While I supplied all of the requested documentation for that submission to our SBA lender, I have never seen the documentation that was submitted. One year later (2016) I was told that the SBA had a new process and so I had to re-submit OIC documentation. I am now requesting copies of any documentation related to any SBA Offer in Compromise from any source dated after July 1, 2014. In addition, I am also requesting to know if this loan was ever written off or charged off to the Treasury Department? If so, what was the date of such action? SBA-2019-000581	Mr. Larry Petrucci	Raymond James & Associates, Inc.	Our firm is seeking various financial information related to the SBA variable rate pools under the 7(a) program. The information sought is provided in the attachment. This information is necessary to appropriately evaluate the performance of the loans and pools for investment purposes. We seek a breakdown between loans/pools that are 15 years or less and more than 15 years in term based upon the original loan maturity. Further, Raymond James hopes to have the requested loan/pool information segmented into All Rates, No Cap Rates (no cap on the loan interest rate) and Capped Interest Rates. The attached workbook provides the types of information stratifications we seek and sample templates. We hope to receive as much history information as possible but certainly back to at least 2006, before the market collapsed. Repayment information on the loans/pool are critically important for investment purposes. Therefore, we request CPR (constant repayment rate) information on a yearly and monthly basis. It would be very beneficial to receive the CPR repayment information for both voluntary and involuntary principal payments. Again, the attached workbook provides sample templates and I am available as needed for clarification and assistance. Should this request prove cumbersome, our firm is willing to accept the underlying loan information sufficient to make all the determinations. Going forward we hope to receive this information updated on a monthly basis. Lastly, we reiterate our willingness to aggregate the desired information ourselves if doing so would be easier for the SBA.	5/21/2019	5/21/2019	6/19/2019	Full Grant

SBA-2019-000577	Anna Eloyan	VMS, Inc	My son Vahan Eloyan used to own a small business (VMS, Inc.) providing Engineering and Administrative services for the NAVY. VMS, Inc provided exceptional services with the lowest price. VMS never misused any governments funds. Vahan qualified as disable owned and certified 8a. SBA without due process repealed his 8a in 2014 prematurely. Then in 2016 SBA again without due process issued Proposed Debarment against my son, his company, and us his parents. SBA didn't even bother to issue a suspension of debarment. Then SBA didn't even give us chance for hearing . Made us wait for a long time over a year, which drove VMS out of business. It took us couple years and lots of funds to find out why SBA did what they did. One of our employees contacted to SBA and NAVY, spread false allegations about Vahan, his company and about us his parents. SBA conducted no investigation before took any action. Then in 2016 my son suffered a rare condition which left him quadriplegic. To date my husband and I are around a clock caregivers. We spent everything we earned in our lifetime; first to defend VMS then for Vahan's treatment and now we are absolutely broke and not able to work. My son can't use his hands nor his legs. We never had funds to make our house disable accessible. Things are very hard. Insurance is expensive and all necessary equipment is expensive. We are again late in our mortgage. I submitted a Tort Claim for Damages on behalf of my son to SBA , which was denied several weeks ago by the SBA litigation department. They are advising us to file a law suit, which they are well aware its impossible, since we	5/19/2019	5/20/2019	8/15/2019	Records Not Reasonably Described	
SBA-2019-000576	Ndubueze Onwuchuruba		My house was flooded in 2017 during Hurricane Harvey and I got an U.S Small business Administration (SBA) loan to rebuild my house. For me to qualify for the SBA loan there was an intense thorough assessment done by the Federal Emergency Management Agency (FEMA) to ascertain the damage done by Hurricane Harvey to my house. At the completion of the assessment, I was granted a loan to rebuild my house. SBA disbursed first 25,000 and second 25,000 thousand to me to rebuild my house. I lost most of the documents during the process of rebuilding as me and my family was in constant movement for shelter during the rebuilding process. Now, all the documents that was involved literally in the assessment and disbursement of money is needed by Internal Revenue Services (IRS) to support an amended tax returns that I filled in 2018. The documents that I am requesting for are as follows: 1. All document by FEMA that showed the damages done to my house that was used as an evidence in awarding me an SBA loan. (basically when FEMA staff came to assess my house, what did they found that was wrong/damages to my house (for instance what was the level of water/flood in my house, what household items was damaged, how bad was the flooring). 2. The first and second disbursement letter/note/form from SBA showing that they have given/paid the first 25,000 and second 25,000 thousand into my account.	5/19/2019	5/20/2019	7/2/2019	Full Grant

SBA-2019-000484	Mr. Alexander Meeks		<p>I submit a follow-up FOIA request related to request #SBA-2019-000273. All information requested is for, and only for, my masters thesis research pursuant to the completion of the Master of City Planning at the Massachusetts Institute of Technology (MIT). I am writing the thesis on the impacts of Hurricanes Matthew and Florence on small businesses in disaster-affected areas of North Carolina.</p> <p>I write to request expanded information related to the information provided to me by the SBA in response to FOIA request SBA-2019-000273, filed 1/30/2019 and closed February 2019 by Mr. Alan E. Escobar.</p> <p>As part of its FOIA response, the SBA provided me a spreadsheet listing all individual physical and economic injury loans approved for the following SBA disaster numbers: 'NC-00100','NC-00099','NC-00081','NC-00086'. I have attached the original spreadsheet provided.</p> <p>I request that the SBA provide the following additional information for each approved loan, if possible:</p> <ol style="list-style-type: none">1. Number of employees employed by the loan applicant<ol style="list-style-type: none">a. This can be a discrete number (e.g. 1, 6, etc.), or a range (as in 1-4, 5-9, 10-19, etc.)2. Gender of primary owner(s)3. Race/ethnicity of primary owner(s) <p>I understand the SBA may not consistently have said information available for all approved loans, given that completing such fields may have been optional for the loan applicants. I also understand that if any of said information constitutes a clearly unwarranted invasion of individual privacy per Exemption 6, the SBA will not be able to provide it.</p> <p>Is the SBA able to provide the information in the form of added columns on the attached Excel spreadsheet? If that is prohibitive, I can accept any equivalent. Because I am requesting data as a member of a US educational institution, I believe I am exempt from search and review fees and duplication fees below 100 pages.</p>	4/15/2019	4/15/2019	5/2/2019	Full Grant

SBA-2019-000476	Dr. Emily A Gallagher	University of Colorado Boulder	I am a university professor writing a paper on the financial outcomes of people affected by Hurricane Harvey, which hit the Houston area at the end of August 2017. I would like SBA data in order to compare the financial well-being of Harvey victims living in areas that received more in SBA loans compared to victims living in areas that received less in SBA loans, holding fixed the degree of flooding experienced. In particular, I request: (1) All SBA loan applications associated with Hurricane Harvey, such that the data include loans that were denied in addition to loans that were approved. However, my priority is the geographic granularity of the data. Within all loan applications (whether denied or approved), please provide the most granular geographic information possible for that category. For example, if you can provide only zip codes for the denied applicants, but you can provide addresses for the originated loans, that would be fine. (2) The most granular possible geographic information associated with the loan applicant. Ideally, I would like the census tract and census block of the applicants or their actual addresses. If you have it, I am more interested in the address that experienced the hurricane damage than the address where they currently live. But, I will take whichever you have. (3) The loan approval or denial decision (SBA Denial) (4) The applicants verified loss amount as a result of the disaster (e.g., property damage) (5) Approved loan amount (6) Interest rate on the approved loan (7) Whether the applicant owns a home (if that exists in the data) (8) The date of first application (if that exists in the data) (9) The date of first loan disbursement (if that exists in the data)	4/11/2019	4/11/2019	5/16/2019	Partial Grant/Partial Denial

SBA-2019-000342	Ms. Catherine Boudreau	Politico	<p>I am a reporter for Politico and am working on a story about the SBAsproposed rule that would impact loan programs like 7(a), which many agricultural producers use. A lot of ag lenders have raised concerns about the proposals impact on livestock producers “ particularly poultry farms after the OIGevaluation last year. Some told me that the SBA in simply proposing the rule has created uncertainty for lenders and poultry farmers and slowed down the guarantees, and if the proposal becomes final, could be ceased altogether.</p> <p>Aside from responding to these concerns from lenders, Im hoping you could help be obtain some data about the 7(a) program.</p> <p>The OIG report said that between FY 2012 to FY 2016, SBA guaranteed 1,535 7(a) loans totalling 1.8 billion.</p> <p>Can SBA break this down by year and provide the most recent data “ as in how many 7(a) loans did SBA guarantee to poultry producers each year between FY2012 and FY 2018, and what was the total value each year?</p> <p>How many 7(a) loans to poultry growers has SBA guaranteed in the first four months of FY 19 (October through January)? How does that compare to the same period in FY 18?</p> <p>How many 7(a) loans has SBA guaranteed to the dairy sector between FY2012 and FY2018, and what was the total value each year? Please provide the same data for pork and beef.</p> <p>How many 7(a) loans to the dairy sector has SBA guaranteed in the first four months of FY 19? How does that compare to the same period in FY 18? SBA-2019-000223	Dr. Albert Glinsky		<p>Thank you for your kind offer to do a FOIA request search for me in connection with my forthcoming authorized biography of synthesizer pioneer, Bob Moog, to be published by Kensington Publishing Corporation in 2020. You may recall that in our recent phone conversation I mentioned that Im interested in finding additional information about an SBA loan Bob assumed in 1967 (perhaps 1969), that I have partial documentation for. The details of the original application are what I am missing, along with any correspondence associated with the loan. There may indeed be two loans (I know the date, June 30, 1967 is associated with one as the starting date). There are other materials I have, however, that indicate 1969 as the primary start date. The only loan number I have associated with one or both is:</p> <p>SBA Loan No. (b) (6)</p> <p>Because the type if very faint on my copy, its possible that the last two digits preceding the SYR are 65," and not 05. The association there might be with 1965. The loan was through the Tompkins County Trust Company of Ithaca, NY.</p> <p>Below, as you requested, is a copy of the document naming me as the authorized biographer of Bob Moog.</p> <p>I look forward to any additional information you can provide on this loan, or any other SBA information concerning Bob Moog, aka, Robert Moog, or Robert A. Moog (born (b) (6)). His company, prior to August 1968, was known R. A. Moog Co., and subsequent to that date, Moog Music, Inc. They were located in Trumansburg, NY until October of 1971, and subsequent to that date, in Williamsville, NY. I have noticed</p>	12/19/2018	12/19/2018	2/16/2019	No Records

SBA-2019-000215	Dr. Natalie Bachas	Princeton University	I have been using the publicly available 7a and 504 Loan Data Reports to conduct academic economic research at Princeton University. These datasets were attained through previous FOIA requests and I have attached the available data dictionary. We want to research the impact of floating interest rate resets on small business loan repayment. While the dataset currently contains the interest rate on each loan from 2008 onwards, it does not contain an indicator for whether the loan was a fixed or floating rate loan (even though both options were available to the majority of borrowers). SBA-2019-000113	Pat Maio	LA Business Journal	As for data, what I'd love to get today because it takes time to assemble for publication in the paper, are the following: 1.)Top five institutions that made SBA guaranteed 7(a) and 504 loans based on who made the most in terms of quantity, and their value, from fiscal year 2018 back to 2008. 2.)Demographic data on ethnicity of who is receiving the SBA guaranteed loans. The same decade time period would be nice, from 2018 back to 2008. So, in other words, the data might show that 1,000 white people received SBA loans (7a and 504) in 2018, but 10,000 loans were made to white people back in 2008. Looking for the major groups here, like Latinos, African Americans, Asians. 3.)Demographic data on men vs. women on who received SBA guaranteed loans over the same decade period, from 2018 back to 2008. Just aggregate numbers. 4.)Demographic data on veterans. How many SBA guaranteed loans went to veterans over the same decade period, from 2018 to 2008. Lastly, as far as questions that I have on the data, it looks like SBA guaranteed loans have declined over the past three years. Why? Also, can you state whether the LA district of SBA is the largest in the nation, or at least the busiest in the nation? On your website, it says that the LA District office is consistently ranked as the top lending market in the nation. LADO also led all SBA offices nationwide in financing 3,244 businesses valued at 1.77 billion. The office is also first in lending nationally to minority and women-owned businesses, and active in government contracting - helping with billions in contract opportunities during the last three years. What are the statistics for 2018? So, how many total businesses were financed, and at what value, in fiscal 2018? Also is the LADO still first in lending nationally to minority and women-owned businesses, and active in government contracting? What are the statistics for minority and women-owned business FY 2018 in LADO/nationally vs 2016.	11/8/2018	11/8/2018	12/3/2018	Partial Grant/Partial Denial	Ex. 4

SBA-2019-000042	Carol Dillon		Email received 10/16/2018 My name is Carol Dillon. I was married to Vernon Dawson jr for 40 years. Three years ago during our divorce I found out about all the fraudulent activity Vernon had done. I have spoken to the dept of treasury and submitted fraud packages to the SBA and Treasury department against Vernon Dawson jr. Vernon signed my name to SBA loans without my knowledge. He also signed my name to bank loans, fema insurance checks, student loans, seven felony charges. I am trying to find out the status of the filing. The numbers I was given by treasury today are (b) (6) . I have never been an officer of Cape Hatteras motel, never knew about these loans or received money from them. Vernon used P.O. box 339 buxton, N.C. and it was a P.O. box that I did not have a key to or knew about. In the past three years I have found many Checks, loans, insurance, bank, fema frauds that Vernon Dawson jr has done. I know for sure he lost over 100,000 of borrowed SBA money in the stock market, never used the loan money to repair or replace buildings that were lost or damaged. Please let me know what has happened to my complaint. Thank you	10/16/2018	10/16/2018	10/30/2018	Improper FOIA Request for Other Reasons

SBA-2019-000031	Mr. Henry A Glynn		Please supply copies of our SBA Loan (b) (6) receipts which document what the funds were used for. (Cashiers Check copy for purchase of Mobile home, cost for Blocking home, receipt for Septic Tank pumping, etc.) In addition a copy of our purchase agreement for our new mobile home. Proof of 25K loan documents through SBA. We were displaced due to Flood of August 2016 in Louisiana and all of our documents have been lost in transit and I cannot find them and I am in desperate need of these papers. If possible I actually need the entire file and I can pay up to 50.00. We had no idea that SBA would not supply these papers for us. Louisiana has offered a program that we can possibly get a portion of funds we were forced to borrow returned to us. We are getting up in age and had no Mortgage and now we have to pay this SBA loan back, so in essence we are having to pay a Mortgage. We had no flood insurance and funds we received from FEMA were not enough to get a new Mobile home, have it set up, Electrical work, Septic set up, furnishings, clothes, etc. Thank you so much in advance and if you require any additional information from me please feel free to call, text or email. An I guess it goes without saying that we need this information ASAP. Thank You Again Donna M Glynn (b) (6)	10/11/2018	10/11/2018	10/17/2018	Full Grant

SBA-2021-000134 Amina S Lampkin	University of Maryland 2021	<p>Good afternoon, I hope all is well. My name is Amina Lampkin and I am a journalist with Capital News Service. I am working on a piece about the Paycheck Protection Program Loans and their effect on small businesses in Maryland.</p> <p>I am contacting you because I am interested in a dataset of all the registered small businesses in Maryland. The parameters of that data I am most interested in at the very least would be the business' registered name and zip code. It doesn't have to be any more identifying than that. But if there is more information like the owner's race/ethnicity, gender, and if they applied for a PPP loan, that'd be really great. If you're not the right person to contact for this I would greatly appreciate it if you could point me toward the right person.</p> <p>If you'd like to speak with me more, I can be reached via this email address or by phone (b) (6) I would like to thank you in advance for whatever assistance you may be able to provide me with.</p> <p>Looking forward to hearing back + best, Amina S. SBA-2021-000147	Mr. Dion Sarchet	Request a copy of an assessed fraudulent loan submitted in my name (loan application (b) (6), assessed identity theft case) and any other relevant investigation paperwork generated by the Inspector General Department. On 9/21/2020, an individual submitted a business loan request in my name and social security number (SSN) to the U.S. Small Business Administration (SBA). The SBA pulled my credit report from the Experian Credit Report company the same day. On 9/22/2020, the SBA declined and canceled the requested loan so no money or loan was given to the individual (SBA assessed it as fraudulent). The individual wanted a \$9,000 loan for a real estate company titled "Dion Sarchet" with 12 employees. The business address is 11364 NW 42nd Terrace, Doral, FL 33178. The individual used my name, full SSN, date of birth, and an old address where I lived from 2000-2003. The SBA passed this to its Inspector General Department. The SBA application number is (b) (6). I learned about this through a credit monitoring service provided by the federal government as a result of a large data breach in 2015 (Office of Personnel Management). I received an email on 9/23/2020 about a credit inquiry, which met reporting parameters (using SSN to obtain loan/credit).	10/8/2020		Assignment Determination

That she has never seen or received any formal documentation regarding her application or the loan document itself, only a copy of a signature page, an email from the SBA saying she was getting a loan, and the funds being sent to the Company's bank account as she designated on the loan application. That the reason for applying under her social security number (rather than the Company's tax ID number) was that she felt the loan represented a personal obligation on her part, and that she was completely responsible for its repayment. I filed an SBA OIG complaint back in August 2020. The Complaint ID is (b) (6), (b) (7)(C)

I am a lifelong resident of Connecticut and back on August 16th I was alerted to the fact that my identity had been stolen. An inquiry associated with the SBA and the Pandemic Unemployment Act (PUA) appeared in my credit file. That's how I found out that I was victimized by one of the many online breeches suffered at any number of commercial entities over the last few years, Home Depot, Morgan Stanley or possibly even Equifax, where my personal information, including my Social Security number was stolen. I have since placed a freeze on my credit file preventing any further issues going forward. I also reported this incident to the FTC as per online instructions regarding consumer identity thefts, the incident number they assigned is (b) (6)

I was able to shut down a fraudulent credit card application made to JP Morgan Chase but I was not able to confirm the close out of a fraudulent application for the federally subsidized unemployment benefit determination provided through PUA that someone filed in Louisiana using my Social Security number & identity [see attached letter]. I never applied for any such assistance, luckily I have maintained gainful employment throughout these troubling times and do not want to see anyone gain an unfair advantage by collecting funds that should go to someone truly in need.

Good afternoon,

On July 31, I submitted a complaint regarding a notice that appeared on my credit report that someone had opened an inquiry into my credit from the US Small Business Administration Office of Disaster Assistance. I'm assuming that this was in response to a request for a loan or disaster assistance. I do not own a small business nor did I apply for any loans or disaster assistance with the SBA.

SBA-2020-004407	(b) (6), (b) (7)(C)	I would like to find out what has been done with my complaint. I want this disaster assistance funds to go to people in need, not someone intent on committing fraud, and I also don't want my name/credit information to be used to commit this fraud. I was told that I need to submit a Freedom of Information Act request to learn what has happened to my complaint. My complaint ID is	9/28/2020	10/27/2020	Assignment Determination

At that time it was only a credit inquiry alert I received, so I did a complaint to the OIG. I though all was taken care of but I just received a bill from the SBA. The SBA somehow approved this loan. I did call them this past Friday when I got the bill for \$731.00. I was told they could not give me any information, only that this is under investigation. I asked the SBA to send me a letter to me stating I was not responsible for this loan. They said only the OIG can send me a letter. I have called and left messages today and last Friday to see what is the status. No one has called back. I would all information pertaining to this complaint. Dear SBA,

As a follow up to my below email, I am a victim of identity theft. Despite being told by your fraud department in August that the fraudulent loan was stopped from being disbursed, it now appears that the fraudulent loan was disbursed to a fraudulent bank account in my name as I received a loan statement for loan number (b) (6). As this loan is fraudulent, I would like to receive all information that you have on this loan, including, but not limited to, all notes taken by representatives of the your fraud department that I have spoken with during the months of August and September and any documents or information that the person filing this fraudulent application provided the SBA with in order to receive approval and execution of this fraud.

Please contact me at (b) (6) if you require any information.

Thank you.

Dear SBA FOIA Officer,

I hope that you are well and healthy in this time.

I am writing to request a dataset of loan-level information for the SBA 7(a) program for loans originated between 2010 and the present. I very much appreciate the available dataset made available on your website's FOIA page. However, I would like to receive the same loan-level data set with additional fields related to borrower demographic information, specifically: (1) veteran status, (2) gender, (3) race, and (4) ethnicity. These additional fields have been fully disclosed at the loan-level for PPP borrowers, and should also be made available for the 7(a) dataset.

As I anticipate that I am requesting these records as an "Other (general public)" requestor category, I understand that I am subject to search fees above and beyond the first two hours of work. As a result, at this point in time, I am requesting that search only be performed for the first two hours (or under conditions such that my search fees are \$0). To the extent that additional search time is required, I am requesting that I be notified in advance of the estimated amount of additional time it would take (as well as the anticipated cost) before I consent to additional fees.

In terms of receipt of this information, I am requesting that these records be provided in a .csv or .xlsx file format.

Hello,

My name is Sophie Banal and I have been made aware of fraudulent activity on my credit report. Someone has used my personal information to apply for a \$150,000 small business loan. On my credit report, it shows a hard inquiry was made on 7/23/20 by US SM BUS ADMIN ODA. I have contacted the entity to advise them of the fraudulent activity and they have closed the application which was on hold.

I would like to request a copy of the application the suspect made in my name as this has been requested by the police. The same suspect also filed for unemployment on 7/15/20 and has been receiving unemployment checks under my name. They applied for unemployment before I was laid off from my job on 7/23/20.

Please contact me at (b) (6) for further information as I am not comfortable sending secure information online at this time.

Please confirm the receipt of this email.

Regards,
Sophie

On Friday, August 21, 2020, I spoke with Theresa Sones at the SBA Field Office Center West (teresa.sones@sba.gov, 916-735-1500). She confirmed that a loan application had been submitted and fulfilled in my name and indicated that the SBA would refer the case to the Fraud Response Team. She advised I email two SBA employees requesting access to the loan application under the FOIA: Stacye Harness (stacye.harness@sba.gov) and Shauna Hastings (shauna.hastings@sba.gov). I have not heard from either of them and found this form on the SBA website.

SBA-2020-003671	Mr. Ryan C Schaffer	Domino's	<p>I am seeking FOIA for Cutchall Mgt Domino's. I asked my manager at Domino's if they applied for the PPP loan. My manager, and two Regional managers told me it was above their pay grade, to contact Kim Francis at human resources. When I asked Kim, she sent me to Abby Binderup the resource manager. I emailed Abby about this issue. It took her a week to get back to me. Abby called my personal phone. Abby, after ten minutes of me asking questions, said that they had been granted the PPP to keep people on the payroll. I asked her why they needed it to keep people on the pay roll when Domino's never closed. She could not answer that for me and continued to tell me that the employee lawyer told her she cannot get into that with me. Abby told me when they filled out the application that there were sections they chose not to select. I went and looked up the application process and there is no such thing. I emailed Abby the application, asked her about these options she was referring to. I never got a response.</p> <p>The district manager Brian Larson then called me on my personal phone. I asked about the PPP loan, he was telling me to shut up, drop it, don't bring it up at the store, what am I trying to gain? Said stop harassing people. SBA-2020-003641	Ms. Carol Einhorn	<p>I received notice from ProtectMyID and Chase Journey Care service that there was new inquiry on my credit report from the Small Business Administration On August 12,2020. I called the ID service and reported that I did not apply for anything with SBA. The agent then froze my Experian account and gave me phone info for other two Equifax and Transunion and I froze those accounts. ID service is supposed to have team call me to take care of this. I also talked to Chase Banker and he said I did not have to freeze my bank accounts. On Aug 12, I contacted SBA and the man said that there was application for EIDL Covid Loan under my name Carol Einhorn and my social security number. He would not give me any other info. He gave me number for attorney general and I have left messages but no call back.</p> <p>I contacted Credit Journey yesterday and they took info and said to file police report and that some agent will call me Friday 8/21 or Mon 8/24.(they called back on 8/28/2020) I made police report and they said to call Illinois Attorney General Office,which I did.</p> <p>Today I called the SBA to see if could get more info. . SBA-2020-003624	(b) (6), (b) (7)(C)		Will it be possible to see a list of 501c3 institutions in Michigan that received ppp loans? Thanks On 7/28/2020 I made an SBA Disaster Assistance grant fraud report under complaint ID (b) (6), (b) (7)(C). The complaint contained information from the Experian credit agency that I received following a new credit inquiry alert from Discover Card Services notifying me that someone using my Social Security number, birthdate and mailing address had filed for a "hard" credit report from the SBA. I was told that the request was in support of a fraudulent application for an SBA Disaster Assistance grant. I have received no response from the SBA since filing that claim.	9/3/2020	10/2/2020	Closed	10/1/2020	Partial Grant/Partial Denial	Ex. 4, Ex. 6

SBA-2020-003522 Gerald Williams

We request a loan modification for our SBA Loan (b) (6) due to the reduction of the loan amount from \$98,500 to \$25,000.

My wife (Julie A. Williams) and I received an SBA loan in October of 2017 as a Disaster Relief Loan associated with hurricane Harvey. After signing the loan agreement, we received a call from our caseworker indicating that the amount of the loan would be reduced from the original amount of \$98,500 to \$25,000 because our home was insured for flood damage prior to the damage via Harvey. We received the \$25,000 in November of 2017. We also received our first statement for repayment on 11/24/17. It indicated the amount of the loan was \$25,000. We made no attempt to receive any additional funds. To this date, we have not received any documentation for the change in our loan. We request documentation indicating the changes made to our loan, the loan amount, and the status of any lien or collateral.

Dear FOIA officer,

I hereby request copies of all correspondence between external stakeholders and SBA commissioner Jovita Carranza regarding the question of whether the Paycheck Protection Program loans should be available to financial companies primarily engaged in the business of lending, as required by rule 13 C.F.R. Â§ 120.110(b), between April 23 and May 11, 2020. In addition, I request copies of correspondence with Commissioner Carranza and other SBA personnel regarding those external communications or the applicability of 13 C.F.R. Â§ 120.110(b) to financial companies primarily engaged in the business of lending within the same time frame.

Assignment
Determination

When the recipients of PPP funds were released in July, it became clear that hundreds of installment lenders, auto finance companies, mortgage brokers, and pawn shops received loans under the program, seemingly contravening rule 13 C.F.R. Â§ 120.110(b). Subsequent reporting uncovered a lobbying campaign by the payday loan industry that gave rise to a letter from House lawmakers asking the SBA to make those non-bank financial companies eligible to receive aid. This request seeks to determine when and on what grounds the SBA decided to allow those lenders to participate. Taxpayers have now spent billions of dollars supporting many different types of businesses, and it is in the public interest to understand who had access to that aid, who

I am requesting documents sufficient to determine the current status of complaint number (b) (6), (b) (7)(C) from the SBA.

Please produce all documents electronically, in pdf format. OASYS is willing to pay any required statutory fees. OASYS requestor category is "other."

Thank you.

Description of the records I am seeking:
I am a victim of identity theft. On August 5th, I was alerted by Lifelock that a SBA Economic Disaster Relief loan application was applied for in my name using my personal identifying information however some of the information on the loan application didn't match my records. I called Lifelock and confirmed that I did not request this loan. Upon calling the SBA and speaking to Mario, a customer service representative (Agent ID: 8592), I found out that there were in fact 2 fraudulent loan applications in my name, neither of which I had applied for. One was fraudulently applied for on August 3rd using my personal information, the other applied for on August 8th. After sharing my personal information with the customer service representative, he confirmed that some of the personal information on both loan applications did not match the information I shared with him so he marked the 2 loans as "fraudulent" in the SBA system. He confirmed that both loan requests would not be funded and will be investigated by SBA OIG agents. I requested to Mario on the call that both fraudulent loan applications be terminated and completely closed.

I am submitting this FOIA request to find out the status of my

To whom it may concern;

I am following up on complaint number (b) (6), (b) (7)(C) that was submitted on August 22, 2020 regarding an SBA loan that was obtained fraudulantly against me.

I became aware of this on Saturday, August 22, 2020 when I received the attached document in the mail. I immediately file the complaint on line and contacted the SBA on Monday, August 24, 2020, to let them know I did not apply for this loan and want this removed from my record.

They took my information and placed my name on an "excel sheet." I was told by the associate that they have been receiving many complaints that have the words "Farm LLC" associated with the individuals name.

Please let me know that this is being investigated and that I will not be held responsible for this fraudulent loan.

I can be reached via email or by phone at (b) (6).

Thank you for your attention to this matter.

I only found out through my Identity Guard account when it showed a credit inquiry for a loan from a Federal Goverment business branch. The address showed 14925 Kingsport RD, Fort Worth, Tx 76155. When I called their number they informed me the loan was approved for around \$9000 for a supposed daycare loan, but the money had not yet been sent to the bank account. The fraud dept sent an urgent email trying to intercept the money from being sent and alert the applicaton was fraudulent. I have froze my credit & am waiting to get a copy of the application to file a police report. I was told when I called the fraud dept back today to see if the email alert had indeed stopped the transfer of funds to the thieves to file this request to start an investigation. Please investigate this immediately for I am sure they have filed many other fraudulent claims!! Good morning,

I represent an individual named Shu Qin Zhang. She is 50% owner of two Florida for profit corporations (and also the President), to wit, Ho Shun Fa, Inc., and New Shun Fa, Inc. The other 50% owner of both corporations is an individual named Lu Li. Without her knowledge or consent, it appears SBA loans under the disaster relief program were taken out for both companies. Therefore, she has directed me to make a request on her behalf for the following documents:

1. Any and all applications, loan documents and any other documents in relation to any SBA loans taken out in the name of Ho Shun Fa, Inc., for the time period of January 1, 2020, through the date of this request.
2. Any and all applications, loan documents and any other documents in relation to any SBA loans taken out in the name of New Shun Fa, Inc. for the time period of January 1, 2020, through the date of this request.
3. Any and all communications, whether via email or letter, by and between any representatives on behalf of the SBA and Lu Li (or anyone acting on his behalf) in relation to numbers 1 and 2 above, and for the time period of January 1, 2020, through the date of this request.

To help further locate the loans, I am providing the FEI/EIN Numbers of both Florida Corporations we are seeking the information from:

SBA-2020-003115	Dr. Matthew Whitledge	At this point, current methods to match data with regulatory filings are limited, unreliable, and incomplete. In particular, the data provided by the SBA is only the bank name. Currently available methods include a process of hand-matching data, which is notoriously unreliable. Furthermore, the area of my research focus (small, community banks) are more likely to be disproportionately impacted by an unreliable matching method as there are fewer incentives by researchers to make sure these small banks are included in the sample.	8/19/2020	9/18/2020	Closed	9/17/2020	Partial Grant/Partial Denial	Ex. 4, Ex. 6

Hello,
A fraudulent loan was taken out with my identity. The amount is \$54,100, and the loan was apparently created on June 22, 2020. Attached is a letter I received from your agency, which was my first clue that this fraud had occurred. The loan was made in the name of Advanced Infrastructure Technologies, LLC, which is my company. I am the 100% shareholder. I have reason to believe my personal information was included and a part of the application. Your letter identifies my indebtedness with a loan account number (b) (6) (see attached PDF). I am sorry for us both, as I know the SBA is also a victim. It is shameful that such criminals exist. I have filed fraud alerts, a police report, and also been advised that I should request any and all information or documents you have in your possession, which are related to the fraudulent application, including names, contact numbers or other contact information, dates, and places of application, copies of all documents related to the application and approval process, etc. Your help in assisting me to catch these bad people is greatly appreciated!

On August 15, 2020 I spoke to Javier with the US Small Business Admin. who suggested I complete this report to learn more information. On August 14, 2020 I froze my credit and indicated a fraud and identity theft on my banking accounts, the FTC, and filed a Police Report. I would like to know how this was done and by who. SBA-2020-002971 Richard Aslanian	<p>Dear SBA,</p> <p>I have been a recent victim of identity theft as someone attempted to file an unemployment claim with NY State. This morning I received an update from a credit reporting agency (Experian)as to a new inquiry that was made by the SBA on August 6 or 7th. I have not applied for an SBA loan and contacted your Fort Worth Texas office that was listed in the inquiry. I then spoke with a fraud officer, Scott Gailey (I believe his first name in your system May be Randall). Mr. Gailey informed me that a loan application had actually been submitted in my name using my home address in purchase NY and my social security number. The loan had actually been approved and was going to be disbursed tomorrow. Mr. Gailey put a stop on this fraudulent loan and advised that I would have no responsibility even if the loan was disbursed. After reflecting on what has happened, I would like to obtain a copy of this fraudulent application so I can contact the bank to which funds were going to be wired. I have put fraud alerts and credit freezes on my account with TransUnion, Experian, and Expedia. I have also filed an identity theft report with identitytheft.gov. Finally I have also reach out to the IRS to insure that no fraudulent returns were filed.</p> <p>Please advise as to how I can receive a copy of the fraudulent application that was filed in my name. I also hope that the SBA will pursue the person or persons that have perpetuated this fraud.</p> <p>Im seeking information on who used my information and ran my credit to apply for a loan under my name on august 11th I did not apply for a loan or give my permission to run my credit under the business name of carroll tractor and trailer repair on my name of Ronnie carroll I would like to know the banking account numbers in which they wanted funds deposited and who used my info for loans purpose my telephone number is (b) (6)</p>	8/14/2020	9/14/2020	Closed	9/11/2020	Full Grant

There is no reason at all why the SBA should have made this request. I do not have a small business and have not applied for any loans, lines of credit, etc., nor have I ever lived in Texas. I called the SBA in Texas and was told that they had received hundreds of calls similar to mine, but I was not given any specific details at that time. I gave them my contact info and someone from their fraud dept, Sandra Brumfield (contact info below)***, called me two days later with information about the application that had been submitted using my SSN. The application # is (b) (6). I was told that I could only receive information regarding this application via an FOI request. This is my formal request for that information. I would like to receive the name, contact info, all other details used in this application, and any other relevant information. I will be using this information to file a police report. SBA-2020-002899	(b) (6), (b) (7)(C)	<p>I received an email notification from my credit card on 8/9/2020 that a credit inquiry was made on my credit. Upon further investigation I found that the Small Business Administration ran a credit check on me on 8/9/2020. On 8/10/2020 I called the SBA and was advised that someone submitted an application for a small business loan using my name and social security number. I do not own nor have any affiliation with a small business so this is a fraudulent request. I then submitted this information to the SBA OIG complaint / fraud department via online, complaint ID # (b) (6), (b) (7)(C). I am trying to reach the SBA OIG department by phone but they will not answer so I am reaching out to your group to check on the status of this request to be sure the loan application is deleted or cancelled.</p>	8/12/2020	9/11/2020	Assignment Determination
