Your request has been assigned number 2021-0222. Please refer to this number on any future correspondence

In response to your request, I am providing you with the most up to date requested information.

Please be advised that if your request seek records prior to FY 2014 those logs were destroyed pursuant to a hard drive crash which subsequently caused a loss of data. Consequently, we were not able to locate any responsive records subject to the Freedom of Information Act.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaisons, Darryl Webb or Zina Kornegay, at (202) 648-7390, for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer.
