FOIA-00084-2017

May 19, 2021

This responds to your Freedom of Information Act (FOIA) request (FOIA-00084-2017), dated October 24, 2016 that you submitted to the Defense Intelligence Agency (DIA) for information concerning The Mandatory Declassification Review (MDR) Log maintained by the Defense Intelligence Agency for six years in its entirety.

I apologize for the delay in responding to your request. DIA continues its efforts to eliminate the large backlog of pending FOIA requests.

A search of DIA's systems of records located (6) documents (71 pages) responsive to your request.

Upon review, I have determined that some portions of (6) documents (27 pages) must be withheld in part from disclosure pursuant to the FOIA. The withheld portions are exempt from release pursuant to Exemptions 1, 3, and 6 of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3), and (b)(6). Exemption 1 applies to information properly classified under the criteria of Executive Order 13526. Exemption 3 applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statutes are 10 U.S.C. § 424 and 50 U.S.C. § 3024(i). Statute 10 U.S.C. § 424 protects the identity of DIA employees, the organizational structure of the agency, and any function of DIA. Statute 50 U.S.C. § 3024(i) protects intelligence sources and methods. Exemption 6 applies to information which if released would constitute an unwarranted invasion of the personal privacy of other individuals.

Finally, I have determined that of these (6) documents (44 pages) are appropriate for release in full. DIA has not withheld any reasonably segregable non-exempt portions of the records.

If you are not satisfied with my response to your request, you may contact the DIA FOIA Requester Service Center, as well as our FOIA Public Liaison at 301-394-6253.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. You may contact OGIS by email at ogis@nara.gov; telephone at 202-741-5770, toll free at 1-877-684-6448 or facsimile at 202-741-5769; or you may mail them at the following address:
