This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request numbered GSA-2021-000501, submitted on January 10, 2021, in which you requested a copy of all emails in the email account of Mary Gibert that contain one of the four terms listed in your request.

Enclosed, please find one file containing email communications and non-exempt attachments responsive to your request. The materials contained in this file were collected based on searches reasonably anticipated to identify responsive documents. In particular, this file contains email communications sent by Mary Gibert that include any of the following nineteen terms: ascertainment, ascertain, ascertained, Presidential Transition Act, 3 U.S.C. 102, 3 U.S.C. §102, 3 U.S.C. § 102, apparent winner, President-elect, December 14th, December 14, Dec. 14, 12/14, projected winner, electoral college, POTUS, VPOTUS, Trump campaign, and Biden campaign. The file also includes email communications involving White House officials and Mary Gibert. The date range for responsive material in this file is October 7, 2020 through November 13, 2020.

In processing your request, GSA has withheld the phone numbers of GSA employees, names of private individuals, and the contact information for non-GSA employees. In addition, GSA withheld information related to a career employee's performance evaluation. This is done pursuant to the sixth exemption of FOIA, 5 U.S.C. § 552(b)(6), because public disclosure of this information would constitute a clearly unwarranted invasion of personal privacy.

We also withheld privileged attorney-client communications, working drafts of documents, and other preliminary discussions and information reflecting the deliberative process of the Executive Branch. This is done pursuant to the fifth exemption of FOIA, 5 U.S.C. § 552(b)(5), because release of this information would stifle honest and frank communications and have a chilling effect on discussions involving matters significant to the Executive Branch. The attorney-client communications have been withheld because they contain confidential communications between a GSA attorney and a client relating to a legal matter for which the client has sought professional advice.

Finally, we withheld discussions about security for transition efforts. This is done pursuant to the fifth and seventh exemptions of FOIA, 5 U.S.C. § 552(b)(5) and (7)(A), because the

communications reflect the deliberative process of the Executive Branch, and release of this information could also reasonably be expected to interfere with law enforcement proceedings.

As we have redacted information referenced in the above paragraph(s) with the aforementioned FOIA exemptions, this technically constitutes a partial denial of your FOIA request. You have the right to appeal the denial of the information being withheld. You may submit an appeal online at the following link (<https://foiaonline.regulations.gov/foia/action/public/home>) or in writing to the following address:

U.S. General Services Administration  
FOIA Requester Service Center  
1800 F Street, NW  
Washington, DC 20405

Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request. In addition, your appeal must contain a brief statement of the reasons why the requested information should be released. Please enclose a copy of your initial request and this denial. Both the appeal letter and envelope or online appeal submission should be prominently marked, "Freedom of Information Act Appeal."

This completes action on your request. Should you have questions, you may contact me at [travis.lewis@gsa.gov](mailto:travis.lewis@gsa.gov) or contact our GSA FOIA Public Liaison, Duane Smith, at (202) 694-2934 or by email at [duane.smith@gsa.gov](mailto:duane.smith@gsa.gov) for any additional assistance and to discuss any aspect of your FOIA request.

Additionally, you may contact the Office of Government Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, email at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769.

Ms. Gilbert,

Please demand that Emily Murphy officially sign off and ascertain that Joe Biden has won the 2020 election. The transition must begin ASAP as lives are at stake. Let's not forget that every day you play childish political games with this, another 1000 lives are lost on average in this country. I have been a Republican for my entire adult life. This is embarrassing and damaging to our country. You both work for the people, not Donald Trump. I'll be writing my congressman as well. Do the right thing.

Jeff:

Ascertainment that results in a change of Administrations would provide access to the following:

#### President Elect and Team -

| President-elect would have access to \$6.3 million in funds for post election office space, services and a secure IT network, and access to engage with the agencies via Agency Review Teams. An additional \$1 million also becomes available for appointee orientation and training.

#### Outgoing President

Outgoing President would access \$2.6M in funds for suitable office space for transition activities, compensation to transition office staff, acquire communication services, allowances for travel and subsistence and printing and postage costs . Funds are available 30 days before the term of office expires (December 21). The President determines the amount to be allocated to the Vice President.

**Subject:** Transition / Zero evidence of fraud

The administrator of the General Services Administration, Emily Murphy, is supposed to sign a letter turning over "millions of dollars" as well as give access to government officials, office space in agencies." Emily Murphy has not done so.

I'm curious what [@GSAEmily](#), Emily Murphy, head of the GSA, needs to see before she will "ascertain" that Biden has won the election to sign off on the transition.

That lack of clarity is fueling questions about whether Trump, who has not publicly recognized [Biden's victory](#) and has falsely claimed the election was stolen, will impede Democrats as they try to establish a government.

There is little precedent in the modern era of a president erecting such hurdles for his successor. The stakes are especially high this year because Biden will take office amid a raging pandemic, which will require a comprehensive government response.

"America's national security and economic interests depend on the federal government signaling clearly and swiftly that the United States government will respect the will of the American people and engage in a smooth and peaceful transfer of power," Jen Psaki, a Biden transition aide, tweeted Sunday.

A Trump administration appointee is refusing to sign a letter allowing President-elect Joe Biden's transition team to formally begin its work this week, in another sign the incumbent president has not acknowledged Biden's victory and could disrupt the transfer of power.

The administrator of the General Services Administration, the low-profile agency in charge of federal

buildings, has a little-known role when a new president is elected: to sign paperwork officially turning

over millions of dollars, as well as give access to government officials, office space in agencies and

equipment authorized for the taxpayer-funded transition teams of the winner.

It amounts to a formal declaration by the federal government, outside of the media, of the winner of

the presidential race.

The delay has implications both practical and symbolic.

By declaring the “apparent winner” of a presidential election, the GSA administrator releases computer

systems and money for salaries and administrative support for the mammoth undertaking of setting up

---

a new government - \$9.9 million this year.

Transition officials get government email addresses. They get office space at every federal agency. They

can begin to work with the Office of Government Ethics to process financial disclosure and conflict-of-

interest forms for their nominees.

And they get access to senior officials, both political appointees of the outgoing administration and

career civil servants, who relay an agency's ongoing priorities and projects, upcoming deadlines,

problem areas and risks. The federal government is a \$4.5 trillion operation, and while the Biden team

---

is not new to government, the access is critical, experts said.

This is all on hold for now.

“Now that the election has been independently called for Joe Biden, we look forward to the GSA

Administrator quickly ascertaining Joe Biden and Kamala Harris as the President-elect and Vice

President-elect,” a Biden transition spokesman said in an email. “America’s national security and

economic interests depend on the federal government signaling clearly and swiftly that the United

States government will respect the will of the American people and engage in a smooth and peaceful

---

transfer of power.”

As the campaign wound down, President Trump gave signals that he would not easily hand over the

reins to his successor, if there was one. But for people who have been through them, a presidential

transition is a massive undertaking requiring discipline, decision-making and fast learning under the

smoothest circumstances. Each lost day puts the new government behind schedule.

“The transition process is fundamental to safely making sure the next team is ready to go on Day One,”

said Max Stier, president and chief executive of the nonpartisan [Partnership for Public Service](#), which

---

has set up a presidential transition center and shares advice with the Biden and Trump teams. “It’s

critical that you have access to the agencies before you put your people in place.”

The Biden team can move forward to get preliminary security clearances and begin FBI background

checks on potential nominees requiring Senate confirmation.

Another senior administration official who was not authorized to speak publicly said each agency has

drafted detailed transition plans for a new administration, but they will not be released to the Biden

team until a winner is formally declared.

---

Trump has been resistant to participating in a transition - fearing it is a bad omen - but has allowed

top aides to participate as long as the efforts do not become public, administration officials said. He is

unlikely to concede he has lost or participate in traditional activities, the officials said.

In a call on Friday with administration officials, Mary Gibert, the head of the presidential transition team

at the GSA, told colleagues the agency was in a holding pattern and not to host people from Biden

teams until there is "ascertainment." She gave no specific timeline on when it was expected.

The delay has already gummed up discussions on critical issues, including plans to distribute a

---

possible [coronavirus](#) vaccine, this official said.

GSA has been part of transition planning since the Presidential Transition Act was signed in 1963. Since

then, the agency has identified the winner within hours or a day of media projections, and weeks

before the results were made official by the electoral college.

Chris Lu, who served as former president Barack Obama's transition director in 2008, recalled that after

Obama was declared the winner over the late senator John McCain on Nov. 4, he went to sleep to get

up early the next morning to open the transition office. He missed the call from GSA's acting

---

administrator, Jim Williams, informing him that he had signed over transition resources to the Obama team.

“Jim made the call at 1 a.m.,” Lu said. “There was simply no controversy involved.”

But under Trump, two issues of personal importance to the president became almost constant sources

of controversy for her: the lease Trump’s company holds with the agency for its DC hotel, located in

the federally owned Old Post Office Pavilion, and the planned consolidation of the FBI headquarters.

Both projects have pressed Murphy into duty defending the president, and her actions elicited criticism

---

from the agency's watchdog as well as from congressional Democrats.

Trump's hotel lease was signed with the agency before Trump took office, and he resigned his position

with the company when he entered office. But he retained ownership of his business, allowing him to

profit from the property while in office.

Democrats held repeated hearings to get a better explanation of how the agency decided to allow

Trump to keep the lease given that the Constitution bars presidents from accepting gifts or payments

from foreign governments, which often patronize the hotel. Under Murphy, the GSA repeatedly

---

declined to provide documents to House Democrats, including the monthly income statements it

receives from Trump's company.

Last year, the agency's inspector general determined that GSA "improperly" ignored those concerns in

allowing Trump's company to keep the lease. GSA defended itself by saying that the investigation

"found no undue influence, pressure or unwarranted involvement of any kind by anyone."

Trump has personally intervened in the most prominent real estate project in the agency's entire

portfolio: the plan to build a new ~~BI~~ headquarters that would allow the bureau out of the crumbling

---

and insecure J Edgar Hoover Building. During his first year in office, Trump and the GSA abruptly

canceled a bipartisan plan to build a new suburban headquarters for the agency, infuriating Democrats

who had worked more than a decade on the project and who alleged that Trump canceled the project

so a competing hotel could never be built in place of the Hoover building, a site down the street from

his hotel. The White House said the president's business had nothing to do with the decision.

Admit to getting concerned about the process and outstanding steps.

Want to make sure when ascertainment is made and if there is a change

in Administration we can quickly get you access into the agencies. I know

there is a lot going on - lets us know how we can help.

Following ascertainment the following sequence of events (at high level) is

required before ART members can reach out and go to agencies -

1. Biden Team posts names and other required information on .gov

domain.

2. Biden Team notifies GSA (Mary and Dorsy) names are posted and

provides or will have previously provided ART member names, where

going and certifications to GSA (this can happen before ascertainment -

---

ideally now with the exception of the web posting) and will continue on a

rolling basis.

3. (b) (7)(A)

GSA notifies agencies of ART names, who will

be making initial contact (team lead) and, as applicable, level of

clearance. GSA will receive a list of cleared individuals from DOJ upon

ascertainment.

---

4. ART team lead makes initial contact with agency POC and they directly

coordinate logistics/initial meetings etc.

Outstanding Tasks/Items (high level)

Before the above steps can occur the following activities are required and

remain outstanding:

1. Biden Team provides GSA with names of those delegated to submit

---

ART members - (1-2 Folks) per the MOU.

2. GSA provides access to .gov domain as soon ascertainment is made

and GSA and Biden Team have confirmed roll out plan/timing.

3. Biden Team submits ART member names to GSA (Mary/Dorsy) prior to

ascertainment to ensure that (b) (7)(A) - in 2016 they were

to be submitted by Nov 3 to ensure immediate access following

ascertainment.

---

Consistent with Pre-Elect (b) (7)(A) 9

AM - 3 PM, Monday -Friday - no weekend or after hours coverage. Since

our last meeting confirmed (b) (7)(A)

(b) (7)(A) is needed for names to be sent to the agencies and to receive

the .gov email address and the GFE.

My name is Mary Gibert. I am the Federal Transition Coordinator for the 2020/21 Presidential Election Cycle. Part of my role is interagency coordination between the federal agencies and a potential President-Elect and Team.

If there should be a change of Administration, Agency Review Teams are expected to visit numerous agencies/commissions and boards.

I am looking to identify a POC in the case of an Administration change and a potential visit by an Agency Review Team to your organization.

If you could give me a call or email who we should coordinate with.

Thank you.

Mr. Peede:

Good afternoon.

My name is Mary Gibert I am the Federal Transition Coordinator for the 2020/21 Presidential Election Cycle. Part of my role is interagency coordination between the federal agencies and a potential President-Elect and Team.

If there should be a change of Administration, Agency Review Teams are expected to visit numerous agencies/commissions and boards.

Looking to identify a POC in the case of an Administration change and a potential visit by an Agency Review Team.

If you could give me a call or email who we should coordinate with.

Thank you.

Mary

Troy:

Good afternoon - my name is Maty Gibert, I am the Federal Transition Coordinator for this Election Cycle. I also left a voicemail earlier today.

We are in the process of making sure agencies have met their statutory requirements in accordance with the Presidential Transition Act and that we have a POC for Agency Review Team engagement should there be a change in Administration.

We currently do not have information for the Federal Reserve Board - can you direct me to the appropriate person to talk to regarding who is leading this effort at the Board.

Thanks.

Trent:

Welcome to GSA!

My name is Mary Gibert and I am the Federal Transition Coordinator for the upcoming election. In addition to overseeing GSA's role I am also responsible for interagency coordination and preparation should there be a change in Administration.

The GSA Administrator in accordance with the Presidential Transition Act, ascertains the apparent successful winner. The Administrator's ascertainment is done for the purposes of making services provided by the PTA available. Until an ascertainment is made, the statute allows for the Biden Transition Team to continue to receive the pre-elect services from the government (e.g., limited office space, computers, background investigations for security clearances).

Hey Mary and Dorsy,

I was talking with Ben Skidmore and he is interested in getting another PTT briefing for him and David Connolly and probably Angela before Nov 3. I think we got out of having one over the summer so this isn't so surprising although I know we are all so busy right now.

Would 10:00am on 10/23 work? They are free at that time.

I think last time Budget asked if they could be included in the briefing also, so if you are amenable I could check with Brian and Mehul to see if one of them is available also.

Thanks,

Administrator

*via email:* emily.murphy@gsa.gov

Administrator Murphy,

I am deeply disturbed by your delay in issuing President-Elect Biden the ascertainment letter his team needs to begin its transition.

I write to you today in my individual capacity as a Commissioner at the Federal Election Commission, one of the federal agencies that participates in the presidential transition process. I am of course concerned that delay on your part will hinder the Commission's ability to fulfill its responsibilities to the incoming Administration.

But I am far more concerned with the larger issue here. The new Administration will take office at a time of grave public health and economic crisis for our country. As of yesterday, the pandemic has killed [more than 238,000 Americans](#) and is accelerating its rampage across America.

The Biden Administration needs to hit the ground running like few before it. The resources that GSA contributes to this process are essential to its success. Your delay is damaging the ability of President-Elect Biden to fully address the pandemic head-on when he takes office.

The basis of your delay is not clear. It is not the practice of GSA administrators to wait weeks until the states have released official results, nor until the Electoral College has met and voted. GSA administrators' consistent practice has been to begin working with the apparent successful candidates almost immediately.

There has been no doubt since Saturday that Joseph R. Biden, Jr. and Kamala D. Harris are the apparent successful candidates for the office of President and Vice President, respectively. The race was called in their favor on Saturday morning by the Associated Press and every other major news organization after those organizations calculated that it was mathematically impossible for lawsuits or the outstanding ballots to change the outcome.

As to the ascertainment you are required to make, there is no relevant difference between this election and the elections of 2008 and 2016, the last two times the presidency transitioned to a new officeholder.

In all three cases (2008, 2016, 2020), the polls closed, enough votes were counted to mathematically determine the result, and the Associated Press and the other major news organizations projected the winner.

And in the previous two instances, GSA's Administrator acted swiftly. In 2008, Acting GSA Administrator James A. Williams provided President-Elect Obama's transition team with its ascertainment letter one day after the election. In 2016, Donald Trump was deemed the apparent successful candidate for president on the basis of nothing more than the same conclusion the Associated Press and other major news organizations have reached as to President-Elect Biden.

Yet you have failed to ascertain that President-Elect Biden is the apparent winner of the presidential election. Why? If you are relying on criteria not used in previous elections to withhold your ascertainment, you owe the American people an immediate explanation of exactly what they are.

I am aware that several legal challenges are proceeding through the courts. They should not keep you from clearing the way for President-Elect Biden's transition to proceed. The Presidential Transition Act's use of the term "apparent" calls upon you to make your ascertainment with less than 100% certainty in the election results. The result of this presidential election is no less certain than it was in 2008 or 2016. Even if every lawsuit that has been filed this year were to succeed, they simply do not challenge enough ballots to affect the outcome of the presidential race.

Comparisons to the 2000 election are inapposite. James Baker, who led George W. Bush's legal and political team during the 2000 Florida recount, says there are "huge differences" between the two situations.

One thing that *is* different in this election – unprecedented in American history – is that the incumbent president has so far refused to concede the election he has apparently lost. This is irrelevant to your decision. When Mr. Trump objects to the election results, he does so as one of the candidates who participated in the election, not as the nation's Chief Executive, and not as your boss. His objections carry no official weight and they should not sway you from your duty under the law to immediately issue a letter of ascertainment to President-Elect Biden.

The next Administration faces a daunting job the moment it takes office. Every day, every hour that you stand in the way, you damage its chances of success. Your true bosses – the American people – desperately need you to get this presidential transition rolling immediately.

Sincerely,

(b) (6)

# BIDEN-HARRIS TRANSITION

November 12, 2020

The Honorable Emily W. Murphy  
Administrator, General Services Administration  
1800 F Street NW  
Washington, DC 20405

Dear Administrator Murphy:

As members of our team communicated yesterday to the GSA Federal Transition Coordinator, your decision to not “ascertain” that President-Elect Joe Biden and Vice President-Elect Kamala Harris are the apparent successful candidates in the 2020 presidential election is an abrogation of your responsibility under the Presidential Transition Act, 3 U.S.C. § 102 note, and relevant precedent and practice. Each day that you fail to discharge your legal duty to make the required ascertainment significantly disrupts the ability of the American people to have the most effective and successful transition possible particularly in the middle of a public health emergency and the associated serious economic and social challenges.

Moreover, contrary to your spokesperson’s recent comment, there is no logical parallel to the genuinely contestable nature of the 2000 election, as has been widely recognized including by President George W. Bush’s White House Chief of Staff. That election came down to the outcome of a single critical state, Florida, which underwent a mandatory recount and resulted in a 537-vote margin. By contrast, President-Elect Biden and Vice President-Elect Harris have earned well over the 270 electoral votes required for victory, and their margins of victory in the states so far “called” are in the tens or hundreds of thousands. In addition, during the bulk of the Florida recount no major news network had declared either candidate the winner of the election. Here, every major network has recognized that President-Elect Biden and Vice President-Elect Harris won the general election.

We expect that you, as GSA Administrator, will ascertain that President-Elect Biden and Vice President-Elect Harris are the apparent winners of the November general election, as required by law.

Sincerely,

(b) (6)

Ted Kaufman

Hi Mary,

The attached spreadsheet contains the name of each individual authorized by the PETT to work

with the Executive Office of the President and particular Departments and Agencies. The list

---

also includes the designation of a Transition Team lead(s) for the EOP and each Department or

Agency. As the Chair of the PETT's designee, I hereby certify that each individual listed in the

attached spreadsheet has met the applicable public disclosure requirement of the Presidential

Transition Act, as amended, has agreed to abide by the Transitions Code of Ethical Conduct,

and has thereby represented that he or she has no conflict of interest that precludes the

individual from working on the matters the individual has been assigned to work on with the

EOP or the relevant Department or Agency.

---

As contemplated by the MOU, this spreadsheet may be updated when there are personnel

changes to teams (for example, as new members are added).

We ask that you provide the Transition with the contact information for the relevant counterparts

at each agency.

Best,

**FEDERAL ELECTION COMMISSION**  
WASHINGTON, D.C. 20463

November 10, 2020

Emily W. Murphy  
Administrator  
General Services Administration  
*via email:* emily.murphy@gsa.gov

Administrator Murphy,

I am deeply disturbed by your delay in issuing President-Elect Biden the ascertainment letter his team needs to begin its transition.

I write to you today in my individual capacity as a Commissioner at the Federal Election Commission, one of the federal agencies that participates in the presidential transition process. I am of course concerned that delay on your part will hinder the Commission's ability to fulfill its responsibilities to the incoming Administration.

But I am far more concerned with the larger issue here. The new Administration will take office at a time of grave public health and economic crisis for our country. As of yesterday, the pandemic has killed [more than 238,000 Americans](#) and is accelerating its rampage across America.

The Biden Administration needs to hit the ground running like few before it. The resources that GSA contributes to this process are essential to its success. Your delay is damaging the ability of President-Elect Biden to fully address the pandemic head-on when he takes office.

The basis of your delay is not clear. It is not the practice of GSA administrators to wait weeks until the states have released official results, nor until the Electoral College has met and voted. GSA administrators' consistent practice has been to begin working with the apparent successful candidates almost immediately.

There has been no doubt since Saturday that Joseph R. Biden, Jr. and Kamala D. Harris are the apparent successful candidates for the office of President and Vice President, respectively. The race was called in their favor on Saturday morning by the Associated Press and every other major news organization after those organizations calculated that it was mathematically impossible for lawsuits or the outstanding ballots to change the outcome.

As to the ascertainment you are required to make, there is no relevant difference between this election and the elections of 2008 and 2016, the last two times the presidency transitioned to a new officeholder.

In all three cases (2008, 2016, 2020), the polls closed, enough votes were counted to mathematically determine the result, and the Associated Press and the other major news organizations projected the winner.

And in the previous two instances, GSA's Administrator acted swiftly. In 2008, Acting GSA Administrator James A. Williams provided President-Elect Obama's transition team with its ascertainment letter one day after the election. In 2016, Donald Trump was deemed the apparent successful candidate for president on the basis of nothing more than the same conclusion the Associated Press and other major news organizations have reached as to President-Elect Biden.

Yet you have failed to ascertain that President-Elect Biden is the apparent winner of the presidential election. Why? If you are relying on criteria not used in previous elections to withhold your ascertainment, you owe the American people an immediate explanation of exactly what they are.

I am aware that several legal challenges are proceeding through the courts. They should not keep you from clearing the way for President-Elect Biden's transition to proceed. The Presidential Transition Act's use of the term "apparent" calls upon you to make your ascertainment with less than 100% certainty in the election results. The result of this presidential election is no less certain than it was in 2008 or 2016. Even if every lawsuit that has been filed this year were to succeed, they simply do not challenge enough ballots to affect the outcome of the presidential race.

Comparisons to the 2000 election are inapposite. James Baker, who led George W. Bush's legal and political team during the 2000 Florida recount, says there are "huge differences" between the two situations.

One thing that *is* different in this election – unprecedented in American history – is that the incumbent president has so far refused to concede the election he has apparently lost. This is irrelevant to your decision. When Mr. Trump objects to the election results, he does so as one of the candidates who participated in the election, not as the nation's Chief Executive, and not as your boss. His objections carry no official weight and they should not sway you from your duty under the law to immediately issue a letter of ascertainment to President-Elect Biden.

The next Administration faces a daunting job the moment it takes office. Every day, every hour that you stand in the way, you damage its chances of success. Your true bosses – the American people – desperately need you to get this presidential transition rolling immediately.

Sincerely,

(b) (6)

Ellen L. Weintraub

**Reimbursing Transition-Related Expenses Incurred  
Before the Administrator of General Services Ascertained  
Who Were the Apparent Successful Candidates for the  
Offices of President and Vice President**

The General Services Administration can reimburse the Bush/Cheney transition for legitimate transition-related expenses, as contemplated by the Presidential Transition Act of 1963, that were incurred after the general election on November 7, 2000 but prior to December 14, 2000, when the Administrator of GSA ascertained that George W. Bush and Richard Cheney were the apparent successful candidates for the offices of President and Vice President.

<sup>3</sup> We noted, in the *GSA Authority* opinion, Representative Fascell's statement that:

This act and the Administrator could in no way, in any way, affect the election of the successful candidate. The only decision the Administrator can make is who the successful candidate — apparent successful candidate — for the purposes of this particular act in order to make the services provided by this act available to them. And, if there is any doubt in his mind, and if he cannot or does not designate the apparently successful candidate, then the act is inoperative. He cannot do anything. There will be no services provided and no money expended.

24 Op. O.L.C. at 325 (quoting 109 Cong. Rec. at 13,349). We read this and similar statements in the legislative history to refer to when the Administrator is authorized to make expenditures under the Act rather than to refer to the period in which obligations can be incurred by the transition for which reimbursement expenditures can ultimately be made by the Administrator following his ascertainment of the President-elect.

## **Authority of the General Services Administration to Provide Assistance to Transition Teams of Two Presidential Candidates**

The Presidential Transition Act of 1963, with certain limited exceptions, authorizes the Administrator of the General Services Administration to provide transition assistance only for those services and facilities necessary to assist the transition of the "President-elect" and the "Vice-President-elect," as those terms are defined in the Act. Since there cannot be more than one "President-elect" and one "Vice-President-elect" under the Act, the Act does not authorize the Administrator to provide transition assistance to the transition teams of more than one presidential candidate.

The Honorable Emily W. Murphy  
Administrator  
General Services Administration  
1800 F Street, NW  
Washington, DC 20405

Dear Administrator Murphy:

We write today to express concern regarding your decision to withhold proper ascertainment of Joe Biden and Kamala Harris as the President-elect and Vice President-elect and request your immediate action to begin the official post-election transition process so that the incoming administration may utilize all available resources and funding.

In accordance with the Presidential Transition Act of 1963 (3 U.S.C. § 102), as amended, the General Services Administration (GSA) Administrator is authorized to provide the President-elect and the Vice President-elect with a variety of services supporting the transition into their new official capacities. In addition, the GSA Administrator is responsible for ascertaining the winner of the general election to make those post-election services available to the non-incumbent President-elect and Vice President-elect and their incoming staff. As such, GSA requested a budget allocation of \$9,900,000 for transition-related activities in the Fiscal Year (FY) 2021 budget request, of which \$6,300,000 is for an incoming administration. Without a determination by the GSA Administrator, President-elect Biden and Vice President-elect Harris and their staff are unable to maintain official office space within federal agencies, acquire government computer systems, or receive additional administrative services and funding to support the post-election transition into their new official capacities.

In previous election years, GSA has provided ascertainment almost immediately after the general election has been independently called. Any delay or inaction by your office may lead to the first transition delay in modern history save for when the Supreme Court settled the 2000 election recount dispute between Al Gore and George W. Bush.

Moreover, an orderly and peaceful transition process is critical as the country continues to grapple with the loss and far-reaching impacts brought on by the COVID-19 pandemic. We therefore urge the Administration to immediately ascertain and begin the post-election transition process, ensuring there is no disruption of government services that impede the incoming administration from immediately executing a comprehensive strategy to address the COVID-19 pandemic on January 20, 2020.

We appreciate your full attention to this matter and look forward to your response.

Sincerely,

(b) (6)

**Congress of the United States**  
**Washington, DC 20515**

November 9, 2020

Ms. Emily Murphy, Administrator  
General Services Administration  
1800 F St NW  
Washington, D.C. 20405

Dear Ms. Murphy:

As we write you, President-elect Joe Biden's overwhelming election victory grows by the day.<sup>1</sup> Mr. Biden and Vice President-elect Kamala Harris won a decisive popular vote margin as well as a majority of the Electoral College to become our 46th President and Vice President. It is now essential you uphold your responsibilities under the Presidential Transition Act ("Act") of 1963. Yet, the Washington Post reports that your office is withholding certification of President-elect Biden's victory, thereby blocking the expedient and peaceful commencement of the presidential transition.<sup>2</sup> We write to request an immediate briefing on the implementation of the Presidential Transition

A candidate becomes "President-elect" and "Vice President-elect" when they "are the successful candidates for the office of the President and Vice President, respectively, as ascertained by the Administrator" of the General Services Administration.<sup>3</sup>

The law explicitly states that the purpose of a presidential transition is to "assure continuity in the faithful execution of the laws" because any disruption "could produce results detrimental to the safety and well-being of the United States and its people."<sup>4</sup> Your actions delaying "the orderly transfer of the executive power" fly in the face of congressional intent and ignore the will of the American people while endangering public health and national security.<sup>5</sup>

The American people resoundingly voted to remove Donald Trump from office. By failing to ascertain Biden's and Kamala Harris' clear victory, you are undermining the urgent need for a prompt and effective transition of power in the midst of a global pandemic that must be focused on the safety and well-being of our citizens.

We ask that you immediately provide us a briefing on your plans to implement the Presidential Transition Act and provide the following information in writing by close of business Wednesday November 11, 2020:

- Please outline why you believe the clear 2020 Presidential election outcome is not “apparent” and what actions you are taking to “ascertain” who the President-elect and Vice President-elect are.
- Have Donald Trump, adjutants of Mr. Trump, or other White House officials directed you to block commencement of the presidential transition? Please detail any interactions you have had with White House personnel on the presidential transition.

Donald Trump will be vacating the White House by January 20, 2021. You are directly responsible for executing the Presidential Transitions Act, as amended, and ensuring a smooth, effective, and peaceful transition of power during a very difficult time in our nation. We demand that you provide answers to our questions, immediately release congressionally-appropriated funds for the incoming Biden Administration, and cease obstructing the transition to our 46th Presidential Administration.

Sincerely,

The Honorable Emily W. Murphy  
Administrator  
General Services Administration  
1800 F Street, N.W.  
Washington, D.C. 20405

Dear Administrator Murphy:

We write to urge your full and prompt cooperation with the transition team of President-elect Biden and Vice-President-elect Harris under the authority provided to you under the Presidential Transition Act of 1963 (P.L. 88-277).

As this law states:

The national interest requires that such transitions in the office of President be accomplished so as to assure continuity in the faithful execution of the laws and in the conduct of the affairs of the Federal Government, both domestic and foreign. Any disruption occasioned by the transfer of the executive power could produce results detrimental to the safety and well-being of the United States and its people. Accordingly, it is the intent of the Congress that appropriate actions be authorized and taken to avoid or minimize any disruption.

We hope you will recognize that every hour between now and January 20, 2021 is critical for the transition team's preparations for taking on the multiple, pressing challenges our nation faces. In the spirit of national unity and common purpose in addressing the needs of the American people, we request that you extend the necessary funding, resources, and assistance to the transition team upon their request and without delay.

We appreciate your attention to this matter and request a response by the end of the week with details on the actions you are taking to support a smooth transition of power to the next administration.

Sincerely,

Subsequently, when pre-election services were added, language was also included to state that pre-elect services will continue until the Administrator determines the apparent successful candidate.

The memo advised executive branch officials to provide any assistance that was "typically" provided to presidential candidates.

Newburger said in a <a href="#">statement</a>: “As long as both sides continue with their stated plans to seek legal remedies with respect to this election, the outcome remains unclear. Therefore, we cannot authorize nonfederal employees, such as the Presidential transition team would be, to spend federal funds on transition activities.”</p> <p>A <a href="#">2008 CRS Report for Congress</a> regarding Presidential Transitions says the following: Since the PTA provides no explicit criteria</p>

# **FY 2009 Presidential Transition Guidance (Outgoing)**

**August 2008**

### **Outgoing Presidential Transition Support Team Director's Note**

*The purpose of this document is to provide guidance and procedures for the Transition Team in their support of the Outgoing President and Vice President. GSA is organized to provide services outlined in The Presidential Transition Act, including: Office Space, Supplies, Furniture, Equipment, Information Technology, Printing, Mail Service, Rental of Motor Vehicles, Human Resources/Payroll/Benefits, and Communication Services.*

*We have a team based in both Washington DC as well as Texas ready to learn your requirements and to deliver these services. We will coordinate with Secret Service and other Federal agencies as needed, and have already established these contacts.*

*The Federally provided funds for these services are \$2.2 million dollars. These funds can be supplemented and usually are, by non-government private funds. While we can do preliminary planning as a normal course of agency business, expenditures of the funds for the Presidential and Vice Presidential transition can begin on December 21 and will end on July 20. After this point the President's and Vice President's transition will be concluded. After July 20, the Office of the Former President will be established, and the Texas office of GSA will be responsible for setting up that office and administering the budget.*

*We have provided a short booklet that provides background on the Transition Act, and discusses the methodology involved in delivering the services as well as financial aspects of the process.*

*Coordination with the Executive Office of the President and the Office of Administration began in February, and has continued to this point. Much preliminary planning as well as formation of the team and team infrastructure has taken place.*

*In order to optimize our efforts for the Outgoing Presidential Transition and share information a site has been established to store all documents related to the Outgoing Presidential Transition for President Bush and Vice President Cheney. The documents can be shared by individuals selected to be on the team that will be involved in the Outgoing Transition process. The site is set up to include documents for GSA Orders, realty information, contact information, timelines, communication, financial data, etc. covering the outgoing transition process. The Outgoing Transition sharepoint link is as follows: <https://r7sharepoint.gsa.gov/to>*

*I am honored to be leading the GSA Outgoing Transition Team and I will serve as your primary point of contact within GSA and will coordinate GSA's service delivery.*

*Sincerely,*

*George Prochaska*

### **Chief Financial Officer's Note**

*The Office of the Chief Financial Officer (OCFO) has provided guidance for Financial Services and Procedures for the FY2009 Presidential Transition (Outgoing).*

*The purpose of this document is to communicate and uniformly conduct the financial procedural actions of the GSA Transition Team for government and non-government employees in their support of the Outgoing President and Vice President.*

*This guidance is on financial services and procedures include the following Appendices:*

## INTRODUCTION

1. The purpose of this manual is to provide a source of initial guidance for members of the Outgoing President and Vice President during the transition period. For purposes of this guidance the Office of the Former Vice President is entitled to the same services and subject to the same procedures as the Office of the Former President during the transition period, 21 December 2008 to 20 July 2009.
2. The Presidential Transition Act of 1963, P.L. 88-277, (3 U.S.C. § 102 note), as amended, authorized the appropriation of up to \$1,500,000 (adjusted for inflation) to the Administrator of General Services Administration for:
  - (a) Suitable office space, appropriately equipped with furniture, furnishings, office machines and equipment, and office supplies;
  - (b) Compensation for members of office staffs;
  - (c) Expenses for procurement of services from experts and consultants;
  - (d) Allowances for travel and subsistence, including rental of Government or hired motor vehicles;
  - (e) Communications services; and
  - (f) Payment of expenses for necessary printing and binding, and for postage (reimbursement to the Postal Service for the cost of penalty mail used by the former President and the cost of franked mail used by the former Vice President).For Fiscal Year 2009 the amount requested in the President's budget for the outgoing transition is \$2.2 million.
3. Each former President and former Vice President may designate to the Administrator as an assistant authorized to make on his behalf such designation or findings of necessity as may be required in connection with the services and facilities to be provided under the Transition Act. Since the Act only authorizes the Administrator to provide services and facilities upon request, GSA has no authority to initiate support activities unless they have been requested by the former President or former Vice President or their duly designated representatives. It follows therefore that the designation of the authorized assistant referred to above is the first step in the provision of support services by GSA.
4. Funds are available for expenses of the outgoing President and Vice President from 30 days before, until 6 months after their terms of office expire. The appropriation enacted is available for new obligation only during this period. The Transition Act did not make a division of amounts between the outgoing President and outgoing Vice President. The partition of funds between the President and Vice-President is a decision made by the President.

5. The Former Presidents Act of 1958, P.L. 85-745, (3 U.S.C. 102 § note), as amended authorizes the Administrator of General Services Administration to pay, or provide for the payment of, the following entitlements:
  - (a) A pension for each former President, paid monthly, by Treasury, at an annual rate equal to the highest annual rate of pay for the head of an executive department (Executive Level 1).
  - (b) Suitable office space for the former President.
  - (c) An office staff, to be selected by and responsible only to the former President. The total cost of salaries may not exceed \$96,000 per year, except for the first 30-month period after expiration of office, when the annual limit is \$150,000. Under the Former Presidents Act the annual salary for an individual staff member may not exceed the highest annual rate of basic pay provided by law for Executive Level II; however, the Transition Act provides that during the transition period the annual rate of pay may not exceed that authorized for Level IV of the Executive Schedule.
6. A former President may send nonpolitical mail within the United States, its territories, and possessions as franked mail. Reimbursement to the U.S. Postal Service for the cost of franked mail which is authorized by 39 U.S.C. § 3214. Title 39 U.S.C. § 3214 authorizes a former President to send all his mail within the United States and its territories and possessions as franked mail. Since this provision of law is not a part of the Former Presidents Act, it becomes effective immediately upon expiration of the term of office. For the first six months after the expiration of the term of office, therefore, a former President may use penalty mail under the authority of the Transition Act, and franked mail under the authority of Title 39. Funds available under the Transition Act may be used to reimburse the Postal Service for both types of mailings provided they are used for the purpose of winding up the affairs of office. Beginning six months after the expiration of the term of office, funds available under the Former Presidents Act may be used to reimburse the Postal Service for franked mail.
7. Travel and related expenses of former Presidents and no more than two members of their staffs is permanently authorized in the Supplemental Appropriation Act, 1969, P.L. 90-608.

## CHAPTER 1. EMPLOYMENT

- **Scope.** The Administrator of General Services Administration is authorized by the Presidential Transition Act of 1963, as amended, to provide payment of compensation and certain benefits to members of the office staffs designated by the Former President. Members of office staffs receiving compensation under this Act, other than those detailed from Agencies, are not held or considered to be employees of the Federal Government.
- **Salary.** The staff may be paid at any rate determined by the Former President, not to exceed the salary is part of the 2.2 million dollar transition budget.
- **Appointment Documents.** To appoint an individual to the office staff two copies of Standard Form 52, Request for Personnel Action and the appropriate tax form (reference paragraph 5 below), and the Direct Deposit/EFT Enrollment and Change Form needs to be submitted. The Form 52 must be approved by an individual authorized to represent the former President in the approval of personnel actions. In cases where the approving official is someone other than the assistant authorized to represent the former President or former Vice President the authorized representative shall notify GSA of such designation by submission of a memorandum or letter to approve employment appointments.
  - Processing Appointment Documents. The original Request for Personnel Action is forwarded to the GSA, Office of the Chief Human Capital Officer, Washington, D.C. The duplicate copy is to be maintained by the approval designee. Employee information is then entered into the Comprehensive Human Resources Integrated System (CHRIS).
  - Certification of Employment. A Notification of Personnel Action (Standard Form 50) will be issued to the employee, to formally certify their employment.
- **Benefits.** Individuals appointed to a position on the Transition office staff of a former President or a former Vice President under section 4 of the Presidential Transition Act of 1963, as amended, including those appointed from current Federal positions, are not considered Federal employees and do not earn annual or sick leave. An individual so appointed who immediately before the date of such appointment was a Federal employee is covered under a, b, c, d and e below; while an individual who was not a Federal employee immediately before the date of appointment to the Transition office staff is only covered under a, and b as follows:
  - a. Federal Insurance Contribution Act (FICA) - The deduction for FICA is percent of gross salary or the new base established for FICA deductions. This is matched by the employer's contribution of the same percentage which is a charge to Transition Act funds.
  - b. Federal Employees' Compensation Act (Worker's Compensation) - Each employee is entitled to the benefits of the Federal Employees' Compensation Act. No

deductions are made from the employee's salary for this purpose. No charge will be made to Transition Act funds due to the fact that by the time these charges are received from the Department of Labor Transition Act funds would no longer be available for obligation.

- c. Federal retirement which is a charge to Transition Act funds.
  - d. Life insurance which is a charge to Transition Act funds.
  - e. Health benefits which is a charge to Transition Act funds.
- ***Experts and Consultants.*** The employment of experts and consultants for the transition is authorized. The rate of pay, based on the level of difficulty and importance of the assignment for which the individual is hired, is determined by the Former President but the daily rate of pay cannot exceed the amount allowed by law. Experts and consultants appointed under 5 U.S.C. 3109 may not be paid more than the daily rate for GS-15, Step 10, excluding locality pay, unless a higher rate is specifically authorized by statute. Experts and consultants may not be employed by use of personal service contracts. This limitation is not applicable to contracts with other than individuals.
  - ***Detail of Federal Employees.*** Any employee of any agency or branch of the Federal Government may be detailed but only on a reimbursable basis with the consent of the head of the agency. The detailed employee will continue to receive compensation at his/her regular employment pay rate and will retain all rights and privileges of such employment without interruption. To detail an employee a letter must be submitted to the head of the employing agency. The request should state that the detail is on a reimbursable basis, the salary, and the period of time for the detail. (See sample below)

## CHAPTER 2. ADMINISTRATIVE SERVICES

- 1. *Scope.*** The General Services Administration will provide administrative services for the Office of the Former President and Office of the Former Vice President during the transition period.
- 2. *Ordering Supplies, Services and Equipment.*** GSA Form 49, (Requisition/Procurement Request for Equipment, Supplies or Services), is the document to request supplies and services provided by GSA. Supply purchases can also be done directly through the GSA Advantage website, [www.gsaadvantage.gov](http://www.gsaadvantage.gov). GSA will establish and provide supply activity address codes for the Office of the former President to maintain control and accountability with contracting/procurement personnel. Other purchases will be processed via the issuance of purchase orders through Pegasys. Support and user guides can be found at [Pegasys.gsa.gov](http://Pegasys.gsa.gov).
- 3. *Office Space.*** The former President must designate a location specific to an area of a city. All space charges are based on GSA Public Buildings Service (PBS) Rent rates. This includes space charges for leased space which are based on the Rent rates rather than the actual cost paid for the leased location. GSA will provide any required space planning and layout services, repairs and alterations. Arrangements may also be made for Secret Service space requirements to be funded by the Secret Service.
- 4. *Furniture and Office Equipment.*** GSA will make available for use by the Office of the former President, furniture and office equipment available in stock from the GSA General Supply and Services, Personal Property inventory. The only charge to transition funds will be for the cost of moving the furniture and equipment into transition offices and for returning it at the end of the transition period. Furniture and office equipment deemed necessary and not available from GSA inventory will be rented or procured commercially and charged to transition funds.
- 5. *Office Supplies.*** Standard Office supplies such as pencils, papers, file folders and similar common use items are available from the GSA Global Supply Center. The catalog is available on-line at [www.gsaglobalsupply.gsa.gov](http://www.gsaglobalsupply.gsa.gov) . Office supplies will be charged to the Presidential Transition Fund.
- 6. *Telephone Services.*** Telephone services include technical assistance and planning. Orders and change orders are obtainable on request by submitting a GSA Form 49. The Office of the former President may use the Federal Telecommunications System only for official business. Any other use of the system is prohibited. Transition funds will be billed for all telephone services and equipment. Billing for telecom services will be billed through GSA's Centralized Charges.

**7. Travel.** The Transition Act permits the payment of travel expenses and subsistence allowances, including rental of Government or commercial; motor vehicles, for up to six months following the date of the Presidential Inaugural. Payment of travel expenses may be authorized for individuals on business of the Office of the Former President away from their homes or regular place of business. No allowances are available for movement of household goods or for the transportation of family members. When employees of the Office of the Former President utilize a Government vehicle they shall obtain such automobile liability, collision, personal injury and personal property damage insurance as may be required by the local jurisdiction where the vehicle is either stored (garaged) or utilized.

All travel funded by the Transition appropriation by transition employees of the Office of the Former President and persons not on the payroll but invited to travel at the expense of the Transition appropriation shall be in accordance with GSA Internal Travel Regulations and Control of Official Travel, PFM P 4290.1. Prior to the performance of official travel, a GSA Form 87, Official TDY Travel Authorization, must be prepared and authorized by the former President or his designee.

**8. Information Technology.** GSA will assist in obtaining and providing information technology (i.e. computers, software, etc.) Use GSA Form 49 to request hardware and software.

**9. Printing.** All printing and binding services are available from Government Printing Office (GPO). The services include assistance in design and preparation of copy, graphics, art work, duplication and distribution of materials. Photographic services are also provided. Printing services can be requested on GSA Form 50, Requisition for Reproduction Services. Photographic services can be requested on GSA Form 135, Requisition for Photographic Services.

**10. Presidential Records.** The National Archives and Records Administration are responsible for handling records disposition for the former President at the close of his term of office. It is also responsible for managing the Presidential Libraries system.

**11. Mail Service.** For incoming mail, a post office box or a separate zip code may be established for the Office of the former President. All mail should be delivered to and security screened at a remote delivery site, before delivery to the transition offices. For outgoing mail GSA recommends the use of a postage meter. Although former Presidents are authorized to use franked mail (i.e. mail with their signature in lieu of postage) or penalty mail (i.e. mail sent in envelopes without a stamp and bearing a notice of the penalty for private use) the law requires that the Postal Service be reimbursed for the equivalent amount of postage. The use of a postage meter that is designed to record postage costs provides for the tracking of these costs in a more reliable and efficient manner than manual counts. These services will be provided by GSA and billed through Centralized Charges.

Former Vice Presidents may use penalty mail. They are authorized to use franked mail, but are also encouraged to use a postage meter.

**12. Records Management.** GSA will also provide assistance relating to forms, records and correspondence management. A comprehensive listing of the most frequently used forms may be accessed from GSA's homepage, [www.gsa.gov](http://www.gsa.gov) – FORMS LIBRARY.

**13. Delivery Service.** GSA can arrange for a contract with a messenger service. Overnight air delivery service may be arranged by GSA with the GSA schedule contractor who will provide for pickup and delivery on site. GSA will arrange for these services to be provided through current contractual.

**14. Rental of Motor Vehicles.** The Office of the Former President Transition federal employees on official travel status away from their duty stations may rent commercial vehicles and must be specifically authorized to do so. The DOD-Surface Deployment and Distribution Command (SDDC) negotiates rental car agreements for the Government. When using the Government Rental Car agreements do not purchase the insurance offered by the car rental company, the government is a self-insurer. Also, the cost is not reimbursable and must be declined when you pick up the car. Rental car reservations can be made through GSA's Travel Management Center (TMC) by calling 1-877-472-6718.

**15. Security.** Physical security of the former President and the former Vice President is the sole responsibility of the U.S. Secret Service. The Public Buildings Service of GSA is responsible for making whatever building alterations that are required by the Secret Service to accommodate the security needs of the Office of the Former President.

18 U.S.C. Section 3056. Powers, authorities, and duties of United States Secret Service: "Under the direction of the Secretary of Homeland Security, the United States Secret Service is authorized to protect the following persons: (1) The President, the Vice President (or other officer next in the order of succession to the Office of President) the President-elect, and the Vice President-elect. (2) The immediate families of those individuals listed in paragraph (1). (3) Former Presidents and their spouses for their lifetimes, except that protection of a spouse shall terminate in the event of remarriage unless the former President did not serve as President prior to January 1, 1997, in which case, former Presidents and their spouses for a period of not more than ten years from the date a former President leaves office, except that--(A) protection of a spouse shall terminate in the event of remarriage or the divorce from, or death of a former President; and (B) should the death of a President occur while in office or within one year after leaving office, the spouse shall receive protection for one year from the time of such death;..."

Presidential Protection Assistance Act of 1976, Pub.L. 94-524, Oct. 17, 1976, 90 Stat. 2475, as amended: "Sec. 6. Executive departments and Executive agencies shall assist the Secret Service in the performance of its duties by providing services, equipment, and facilities on a temporary and reimbursable basis when requested by the Director and on a permanent and reimbursable basis upon advance written request of the Director...."

## CHAPTER 3. PAYROLL SERVICES

**1. Scope.** GSA will maintain payroll and retirement records and furnish the Department of the Treasury Disbursing Office with required documentation for the preparation and issuance of employee salary checks and savings bonds. Payroll accounts are maintained by group according to the agency code assigned by GSA and by numerical sequence of employees' social security numbers. Therefore, it is essential that all payroll forms, documents, letters, inquiries, etc. which are forwarded to GSA always show the employee's social security number prefixed by the Office of the Former President agency code (X1).

### **2. Time and Attendance Reporting.**

- a. The Office of the Former President shall designate one or more employees as the designee to report time and attendance information to the GSA National Payroll Branch (NPB). The NPB serves as the official Timekeeper and Certifying Official established in the GSA Electronic Time and Attendance Management System (ETAMS).
- b. Since employees of the Office of the Former President do not earn annual or sick leave and are not subject to any leave regulations, time and attendance reporting requirements have been simplified. An email certifying the total hours (or days if experts or consultants paid at a daily rate) for the pay period shall be sent to Linda Sims at [Linda.Sims@gsa.gov](mailto:Linda.Sims@gsa.gov) and Kim Holcomb at [Kim.Holcomb@gsa.gov](mailto:Kim.Holcomb@gsa.gov) at the General Services Administration, National Payroll Branch on the last Friday of each pay period. Kim Holcomb will serve as the Timekeeper and Linda Sims as the Certifying Official in ETAMS for employees of the Office of the Former President. They will input and certify the biweekly time and attendance information into ETAMS biweekly based on the written email certification from the former President's designee. (See sample on page **PT-19**.) Employees of the Office of the Former President will be paid biweekly via Electronic Funds Transfer (EFT) to their designated account. Employees must submit a completed EFT form to initiate payment.
- c. Form 873, Annual Attendance Record, may be used for daily attendance reporting. The biweekly totals can then be transferred to the format described in "b" above.

### **3. Delivery of Paychecks and Saving Bonds.**

- a. The paychecks for all employees will be made via EFT and deposited to the employee's designated account.
- b. Savings bonds will be mailed to the employee's home.
- c. There is an approximate five workday lag in the issuance of EFT payments between the end of the pay period and the Friday EFT Pay Date, depending on the date the employee's bank posts the deposit to their account.

#### **4. Remittance of Payroll Deductions.**

- a. Payroll deductions will be made for FICA and Federal and State tax withholding. Deductions will also be made for savings bond purchases and the Thrift Saving Plan when authorized by employees.
- b. GSA will maintain records and prepare the required payroll deduction reports. GSA will also remit the amounts of withholding to the appropriate Federal and State taxing authorities and other authorized recipients of employee's payroll deductions.

**5. Employee Clearances.** GSA Form 1655, Employee Clearance Record, must be prepared for each employee prior to separation. The National Payroll Branch will not release an employee's final paycheck until this form is received. It is mandatory that Items 1, 2, 6, 7, and 8 be completed, other items are optional. The completed forms should be forwarded to the General Services Administration, National Payroll Branch (6BEC), Room 1118, 1500 East Bannister Road, Kansas City, Missouri 64131, via an overnight delivery service.

**6. Former President's Pension.** The Former Presidents Act of August 25, 1958, (3 U.S.C. 102 note), as amended authorizes a pension for each former President that is equal to the annual rate of basic pay for the head of an executive department, Executive Level I. The pension begins immediately upon leaving office at noon on January 20, 2009. The amount of the annual pension is included in an appropriation for "Allowances and Office Staff for Former Presidents". Funds are transferred to the Secretary of Treasury who is responsible for making monthly pension payments, for former Presidents J. Carter and G.H.W. Bush, on the last business day of the month. General Services Administration is responsible for making monthly pension payments for Former President W. Clinton and all subsequent former Presidents thereafter in accordance to the Memorandum of Understanding between GSA and Department of Treasury signed on February 22, 2001.

### **GSA Order**

GENERAL SERVICES ADMINISTRATION  
Washington, DC 20405

ADM 1080.1C  
August 8, 2007

### **GSA ORDER**

**SUBJECT: Presidential Transition**

1. Purpose. This order provides an outline of roles, responsibilities and checklists to assist GSA in carrying out the various events that occur during a Presidential transition period.

2. Cancellation. ADM 1080.1B dated November 1, 2004, is canceled.

3. Background.

a. The Presidential Transition Act of 1963, as amended, 3 U.S.C. 102 note, authorizes the Administrator to provide, upon request, to each President-elect and each Vice-President-elect services and facilities for use in preparing to assume their official duties as President and Vice-President. Those services and facilities include –

(1) Suitable office space appropriately equipped with furniture, furnishings, office and IT equipment, office supplies, parking, fleet vehicles, and mail management;

(2) Payment of compensation for office staffs;

(3) Payment of expenses for the procurement of experts or consultants and communications services;

(4) Payment of travel, subsistence, printing, postal and other expenses as necessary and appropriate.

The Act contains a similar provision with regard to the services and facilities provided to the outgoing President and Vice-President.

b. The Presidential Transitions Effectiveness Act of 1988, Public Law 100-398, codified at 3 U.S.C. 102, note, raised the amounts available to the President-elect and to the outgoing President and extended the length of time these funds are available. Except as discussed in paragraph 3c, the transition appropriation for the incoming administration can be obligated only for the period between the day following the election and 30 days following the inauguration. The transition appropriation for the outgoing administration can be obligated only for the seven months beginning 30 days before the inauguration.

c. The Presidential Transition Act of 2000, Public Law 106-293, codified at 3 U.S.C. 102, note, authorized the Administrator of General Services to coordinate the development and delivery of orientation activities for key prospective presidential appointees and consult with the Archivist of the United States to develop a transition directory. It also authorized the Administrator of General Services to consult with presidential candidates prior to the general election to develop a systems architecture plan for computer and communication systems. Language in this Act authorized the expenditure of transition funds for these three specific activities prior to the election and removes the restriction against expenditure after 30 days post-inauguration.

d. The Federal Property and Administrative Services Act of 1949, 40 U.S.C. Sec. 581(e) authorizes GSA to render direct assistance to and perform special services for the Presidential Inaugural Committee during the inaugural period.

4. GSA roles. GSA is responsible for a wide range of activities to support the changing of a Presidential Administration. The Senior Career Executive in GSA, as specifically named by the Administrator, is responsible for overseeing the total program to support this transition. Transitions require the support of almost every major organization within GSA to carry out these responsibilities. Below, the Lead Office has been identified to support the Senior Career Executive in carrying out this role. It is expected that all GSA Offices will respond to requests by any of these lead offices to assist them in carrying out their assigned responsibilities.

a. Support to the President-Elect and Vice-President-Elect -- Lead: Senior Career Executive. Responsibility: To ensure that the full suite of services are provided to the President-Elect and Vice-President Elect in accordance with the Presidential Transition Act, as amended. Services and facilities include space, communication systems, IT support, financial management, human resources management, telephones, parking, furniture, vehicles, office equipment, mail management and administrative support services, such as payroll and financial services, contracting and other appropriate services. A Director of the Presidential Transition Support Team is usually named and is delegated full authority to carry out the responsibilities of this section under the leadership, direction and guidance of the Senior Career Executive. See Appendix A for a more detailed list of the actions and responsibilities of GSA during the transition to an incoming administration.

b. Support to the Outgoing President and Vice-President during a Presidential Transition -- Lead: Senior Career Executive. A Director of the Presidential Transition Support Team-Outgoing may be named and delegated full authority to carry out the responsibilities of this section under the leadership, direction and guidance of the Senior Career Executive. See Appendix B for a more detailed list of the actions and responsibilities of GSA during the transition of an outgoing

administration.

d. Office of the Former President and Vice-President -- Lead: Region as directed by the Senior Career Executive. ## ***Appendix VII***

### ***Frequently Asked Questions***

#### ***Moving***

**Question:** What are the parameters on the moving of things (what is allowed to be moved, are there costs for moving materials, and who does the moving?)

**Answer:** During transition, the former President is entitled to, on request to the GSA Administrator, "suitable office space appropriately equipped with furniture, furnishings, office machines and equipment, and office supplies". That would include moving such materials into the space. The move can be paid for with transition funds. GSA can contract for the move.

#### ***Travel***

**Question:** How many can go on travel and be reimbursed? Are there any differences in the number allowed to travel during and after transition?

**Answer:** There is no limit on the number of transition staff that can be on travel and be reimbursed by the government. Travel costs of transition team members traveling at government expense are subject to the limits in the Federal Travel Regulation. Once transition is over, only two members of the staff of the Office of Former president may be on reimbursable travel at government expense at any one time.

#### ***Furniture/Equipment***

**Question:** If transition space is desired in the DC area, can excess furniture and IT equipment be utilized, are there any charges for this?

**Answer:** Certainly excess furniture and IT equipment could be used if available. The cost for the use of excess furniture and equipment can vary, but often the only cost to the Office of the Former President is the cost of moving the furniture and equipment.

#### ***Staffing***

**Question:** What is the amount of staffing allowed during and after the transition?

**Answer:** There is no limit on the number of staff allowed during or after the transition period. Also, during the transition there is no limit on the total amount that can be spent on staff other than the overall limit imposed by the Transition appropriation. The Presidential Transition Act provides that individual staff members during transition are limited to salary no greater than that of a GS-18. This grade no longer exists; the current level would be no greater than that provided for Executive Level IV or \$149,000 annually.

After transition, for the first thirty months, the Former President's office may have a staff with an aggregate salary no greater than \$150,000. After that thirty month period, the Former President's staff can have an aggregate salary no greater than \$96,000. In both cases, the highest level of compensation for any individual staff member is a rate equivalent to Executive Level II (\$172,200). **Note:** There is no restriction on supplementing a staff member's salary with funds from other, nonfederal sources.

**Question:** How are details from other agencies funded, and are there any parameters on the details?

**Answer:** Details may be made with the consent of the head of the agency of the employee detailed and are fully reimbursable. The transition funds would be used to pay the reimbursement.

### ***Consultants***

**Question:** If consultants are needed, what is the maximum they can be paid?

**Answer:** Consultants can be paid at a rate equivalent of the rate paid to employees at GS-15, Step 10 -- \$59.42/hr or \$475.36/day.

### ***Real Estate***

**Question:** How can GSA assist in developing the real estate requirements?

**Answer:** We will meet with the outgoing President's transition team and conduct a needs interview. This could serve as the basis of our preliminary planning and formally initiate our engagement in the acquisition of the space. We will discuss the acquisition approach to make sure we have all the bases covered; our suggestion would be to do a market survey first and see what is available. The authority allows the Former President to select any location he desires within the United States.

**Question:** If the permanent office of the former president was connected to the library, how would the rent be allocated?

**Answer:** Typically, on a square-footage basis through an agreement with the library.

### ***Office Allowances***

**Question:** After interior space is completed, GSA furnishes a former President's office with furniture, computers, telephone systems, and other office equipment and supplies. Depending on date of purchase, either Presidential Transition Act funds or Former President's Act funds are used for these expenses. How are choices provided to former President's office for selection of furniture, equipment and furnishings? Do the items have to be selected from government approved catalogs or can the items be selected from any catalog/vendor/store? If the amount exceeds the balance of the Presidential Transition Act or Former President's Act funds, can private or foundation funds be used to supplement?

**Answer:** If the transition team or GSA uses government funds to purchase office furniture, equipment, and/or supplies, then such purchases will be treated as a normal government procurement, and will follow the Federal Acquisition Regulation. The Office of the Former President is authorized to use GSA schedules, but is not required to do so. Items purchased with government funds would be government property, and returned to GSA as surplus property at the end of the transition period (unless they were to be used permanently by the Office of the Former President). It is not permissible to commingle government funds with private funds for a single purchase.

However, private funds could be used to purchase items to supplement those items supplied by the government. For example, government funds and private funds could not be commingled to purchase a computer and telephone, but government funds could be used to purchase the telecommunications services and private funds could be used to purchase the IT equipment.

### ***President Transition Fund Breakdown***

**Question:** What are the breakdown amounts (within the \$8.5 million) and how long are these funds available?

**Answers:**

**Incoming President:** Presidential transition funds become available to the incoming President administration beginning the day following the day of the general election. The funds will be available until 30 days following the inauguration (February 19, 2009).

**Outgoing President:** Funds are available for expenses of the outgoing President and Vice President from 30 days before the term ends (December 21, 2008), until 7 months after their terms of office expire (July 20, 2009).

**Funds Breakdown:** The requested level of \$8.5M provides \$5.27M for the incoming administration and \$2.22 million for the outgoing administration.

In addition, \$1M is requested for costs related to providing for briefings, workshops, training and orientation for key prospective Presidential appointees.

### ***Outgoing Expenses***

**Question:** The Former President's Act authorizes, for six months after a President leaves office, suitable office space, office staff, appropriately furnished and equipped, at a location designated by the former President for the rest of his/her lifetime. Does this mean these funds are not available until July 20, 2009? Thus, the implication is the \$2,220,000 should cover the first 6 months of expenses at the permanent office?

**Answers:** During the transition period, the outgoing President can use the transition funds for any office space he feels is appropriate, including multiple offices, so long as the transition fund has sufficient money to pay for it. Therefore, if the outgoing President sets up what will be his permanent former President's office during the transition period then transition funds could be used to pay for that office during the transition period. A transition office could theoretically be up and running on December 21st, however, no transition funds can be spent prior to December 20th. In the past, the transition team has worked out of space in the White House from December 20th through January 20th.

**Question:** Are the transition expenses authorized by Presidential Transition Act (PTA) that is available for seven months beginning December 21, 2008 through July 20, 2009, meant to cover expenses for the temporary transition office or both the temporary and permanent transition offices. In other words, if permanent space is identified and ready to be occupied January 20, 2009, does the \$2,220,000 (less the Vice President's allocation) cover rent, salaries, and other expenses for the temporary office AND the

permanent office or just the temporary office? Can the temporary transition office be operational on December 21<sup>st</sup> if necessary?

**Answer:** The funds provided under the former President's Act are not available until the transition period is completed. If the outgoing President establishes a permanent office during the six month time frame between January 20th and July 20th, the expenses of that office would have to be paid for with transition funds. Private funds could also be used pay for some of the expenses of the outgoing President's office during this time frame, provided government funds and private funds are not commingled.

### ***Budget/Space***

**Question:** Is there a cap on the amount that can be spent on the Former President's permanent office?

**Answer:** There is no limit on the lease space; however in the past public opinion has been a consideration.

### ***Funds Accessed/Date***

**Question:** Can the transition move be started prior to December 21?

**Answer:** Transition funds cannot be accessed before December 21, 2008. Private funds could be accessed prior to the transition period.

### ***VP Funding***

**Question:** We have been asked if the Presidential Transition Account would be available for moving the Vice President from the Naval Observatory to his private residence. If so, how much would be available? If an amount can be used from the Presidential Transition Account, is the amount allocated for the VP move at the discretion of the President?

**Answer:** The Transition account is available to move office equipment and furnishings. The outgoing Vice President may use transition funds allocated to him by the outgoing President to move items to be used in his office. The Transition account is not available for moving personal household items.

### ***VP Allocation***

**Question:** Does the Transition Act provide guidance as to how much should be allocated to the outgoing Vice President?

**Answer:** No. The Transition Act does provide that if the outgoing Vice President is the President-elect, the amount provided for the outgoing administration shall be reduced by 16.67%. Our records of previous outgoing transitions do not show the allocations, but give the actual obligations.

The Congressional Resource Service Report - December 2007 update shows:

2001 Clinton (16.67% for Gore)

1993 G.H.W. Bush (16.67% for Quayle)

1989 Reagan (20% was provided for outgoing VP G.H.W. Bush; but he did not use it because he was President-elect)  
1981 Carter (no record of the allocation for Mondale)  
1977 Ford (9.50% for Rockefeller)

### ***Transition & Private Funds***

**Question:** What are the guidelines with regard to supplementing transition office costs and activities with private funds?

**Answer:** GSA will provide support for any transition expenses that are related to supporting the Outgoing President's Office up to the total \$2.22M requested in the FY 2009 budget for the outgoing transition. The expenses that can be paid for with these funds are described in the Transition Act, and generally include all the normal expenses inherent to running an office, including providing office space, office equipment, communications systems, paying office staff, and paying for travel for office staff. If the Outgoing President's Office wishes to incur office expenses in excess of available government funds, or for activities not covered by the Transition Act, they would have to seek private funding. These private funds may not be commingled with the government funds. Other than the requirement that private and government funds may not be commingled, there is no restriction on what private funds may be used for. Note that commingling does not prevent a single individual from working with items purchased separately from each source. For example, if the Transition Office purchases a desk with government funds, but a desk chair with private funds, there is no restriction on using them together, so long as the Office records clearly show which item was purchased using which funds. Similarly, an individual working in the Transition Office whose salary is paid with government funds may use the office chair purchased with private funds. Such an individual could, as their assigned task, make purchases using private funds, and keep records of those private expenditures.

### ***Past Transitions***

**Question:** What are the locations and square footage of transition offices for the past two outgoing transitions? **Answer:** The office location and square footage for the transition offices follows:

Office of President George H.W. Bush  
The Park Laureate Building  
10000 Memorial Drive  
Houston, TX 77024

Lease GS-07B-13940. This office consists of 8,691 usf (9,995 rsf), 5 reserved and 25 non- reserved parking spaces.

Office of President Bill Clinton  
55 West 125th Street  
New York, NY 10027

Lease GS-02B-23137. This office consists of 7,222 usf (8,308 rsf), and 3 reserved parking spaces.

In addition to the leases for office space, leases for storage space, approximately 50,000 sf, were executed for both of the previous administrations. We have documentation stating that Former President George H.W. Bush utilized his office located in Houston, Texas as his transition office. In addition, we have documents stating that both Former President Ford and Reagan went directly to their respective post White House offices and did not have a transition office in Washington DC.

### ***Sample MOU – Former President***

(SAMPLE)

#### **MEMORANDUM OF UNDERSTANDING BETWEEN THE GENERAL SERVICES ADMINISTRATION AND THE OFFICE OF THE FORMER PRESIDENT**

##### **Introduction**

This Memorandum of Understanding (MOU) establishes guidelines for obtaining services made available by the General Services Administration (GSA) from December 21, 2008, through July 19, 2009, to the Former President and paid out of funds appropriated by the Congress in accordance with the Presidential Transition Act of 1963 (Public Law 88-277, March 7, 1964, as amended, 3 U.S.C. § 102 note).

Upon request, the Administrator of General Services is authorized to provide to the Former President for use in connection with concluding the affairs of his office, necessary services and facilities including: suitable office space, appropriately equipped with furniture, furnishings, office machines, equipment and supplies; payment of the compensation of members of office staff designated by the Former President; payment of expenses for the procurement of services of experts or consultants; payment of travel expenses and subsistence allowances, including lease of motor vehicles; communications services; payment of expenses for printing and binding; and reimbursement to the postal service in the amount equivalent to the postage that would otherwise be payable on mail matter.

The Transition Act authorizes funds not to exceed \$2,220,000 to be appropriated to the Administrator for the use of the Former President and Former Vice President. Transition Act funds are available for a period beginning no sooner than December 21, 2008 and ending no later than July 19, 2009, Presidential Transition Act § 4.

As provided in the Transition Act, President Bush has designated **XXX XXXX** or his designee as an assistant authorized to make on his behalf such designations as may be required in connection with the services and facilities to be provided under the Act. This authority may be redelegated by either of the aforementioned in writing and delivered to the GSA Transition Support Staff. After the GSA Transition Support Staff disbands on February 19, 2009, the GSA point of contact will be **XXX XXXX**, Office of the Chief Financial Officer.

In order that all needs can be expeditiously provided for and necessary financial and other controls maintained, the following procedure for obtaining services made available by the GSA is effective immediately. The procedure outlined below does not attempt to be exhaustive and questions may arise from time to time with regard to

specific situations. In those instances, the Office of the Former President representatives should consult with the GSA Transition Support Staff or **XXX XXX**.

As used in this MOU, unless the context clearly requires otherwise, the "Office of the Former President" means the Former President, his designee and staff.

### **Control of Funds**

**XXX XXXX** or persons designated by him in writing delivered to the GSA Transition Support Staff are designated as the "Fund Manager(s)" for the Office of the Former President. These individuals shall be authorized to execute and deliver obligating documents, ensure that all transactions are documented and processed in accordance with Federal law, GSA procedures, and this MOU, and will serve as the contact for GSA on financial matters.

GSA will not pay any person with Transition Act funds on behalf of the Office of the Former President, nor reimburse the Office of Former President for expenses incurred by it, without the prior submission and approval from the Office of the Former President, executed by a person authorized under the preceding paragraphs.

### **Accounting Services**

Accounting records will be established and maintained by GSA to show the financial transactions of the Office of the Former President with regard to the obligation and expenditure of Transition Act funds. GSA will provide to the Office of the Former President such accounting reports in such frequency as requested by the Office of the Former President. In addition, GSA will prepare any reports required by the Office of Management and Budget, the Department of the Treasury or the Congress.

### **Personnel Services**

Upon request, the Administrator of General Services is authorized to pay the compensation of members of the office staff designated by the Former President. Payment shall be at rates determined by the Office of the Former President, but not to exceed the rate provided for by 5 U.S.C. § 5376, for Executive Level IV (\$149,000 per annum). Persons receiving compensation as members of the office staff under the Transition Act, other than those detailed from Federal agencies are not held or considered to be employees of the Federal Government. These individuals are eligible for the Federal Employees' Retirement System (FERS), Civil Service Retirement Systems (CSRS), Federal Employees' Health Benefits (FEHB) and Federal Employees' Group Life Insurance (FEGLI) only if immediately prior to the commencement of their employment in the Office of the Former President they were eligible for such benefits as employees of the Federal Government, and not otherwise.

### **Employment of Experts and Consultants**

The Administrator of General Services is authorized to pay "expenses for the procurement of services of experts, consultants or organizations thereof for the Office of the Former President, as authorized for the head of any department by Section 15 of the Administrative Expenses Act of 1946, as amended (5 U.S.C. § 3109)," at rates not to exceed \$475.36 per day for individuals.

### **Detail of Federal Employees**

Any employee of any agency of any branch of the Federal Government may be detailed to the Office of the Former President on a reimbursable basis with the consent of the head of the agency. Detailed employees shall continue to receive compensation for their regular employment and retain the rights and privileges of such employment without interruption. A letter from the Office of the Former President requesting the detail must be submitted to the head of the agency, with a copy to the GSA Transition Support Staff.

### **Payroll Services**

The employees of the Office of the Former President will be paid through Electronic Funds Transfer (EFT) to the Financial Institution of their choice. GSA will enter all payroll data and maintain all records. The employees of the Office of the Former President will be paid bi-weekly, based on written certification of the designee. Payroll deductions will be made for FICA, and Federal and State tax withholding (except for those employees making \$1 or less). The Office of the Former President will notify the GSA immediately if any employees terminate employment with the Office for any reason, including to begin new employment, so that these employees can be removed from the Office of the Former President payroll.

### **Office Space, Furniture, Equipment and Supplies**

GSA will provide office space and related services at the request of the Office of the Former President. The cost of office space is chargeable to Transition Act funds unless exempted by the Administrator of General Services, in accordance with 40 U.S.C. 490(j) and GSA Order PBS 4210.1, December 20, 1991. Any additional cost of space alterations and after hours utilities requested by the Office of the Former President will be charged to Transition Act funds.

GSA will make furniture and office equipment available for use by the Office of the Former President from stock inventory. The only charge to Transition Act funds will be for the cost of moving the furniture and equipment into the offices and for returning it (if applicable) at the end of the transition period. Furniture and office equipment not available from stock inventory will be obtained upon request of the Office of the Former President, and charged to Transition Act funds. Office supplies are available from the GSA on a reimbursable basis.

### **Travel**

All official travel by the Office of the Former President and persons not on the payroll but invited to travel at the Office's expense which is arranged through GSA or Adventure Travel, under contract to GSA, shall be in accordance with GSA Internal Travel Regulations and Control of Official Travel, PFM P 4290.1. The Transition Act also permits the payment of travel expenses to staff members at their duty station if it is different than their principal place of business or residence. No allowances are available for movement of household goods or for the transportation of family members.

### **Telecommunications and IT Services**

Telecommunications and IT services and equipment may be obtained on request from GSA. This includes (but is not limited to) technical assistance, planning, configuration, initial acquisition, installation, change orders, maintenance and deinstallation. Contracts for these services/equipment may be executed between private vendors and GSA. The GSA Transition Support Team will assist in coordinating these services/equipment. The Office of the Former President shall reimburse GSA for all charges relating to the use of GSA-provided telecommunications and IT services and equipment.

The Office of the Former President may use GSA's long distance service for official transition business only. Any other use of the service is prohibited.

### **Effective Dates**

This MOU becomes effective upon signature by both parties, but no sooner than December 21, 2008 and terminates on July 19, 2009.

### **Amendments**

Any of the terms and conditions of this Memorandum of Understanding, other than those reflecting existing laws or regulations, may be amended at any time by the mutual agreement of the parties in writing.

#### **MEMORANDUM OF UNDERSTANDING BETWEEN THE GENERAL SERVICES ADMINISTRATION AND THE OFFICE OF THE FORMER VICE PRESIDENT**

##### **Introduction**

This Memorandum of Understanding (MOU) establishes guidelines for obtaining services made available by the General Services Administration (GSA) from December 21, 2008, through July 19, 2009, to the Former Vice President and paid out of funds appropriated by the Congress in accordance with the Presidential Transition Act of 1963 (Public Law 88-277, March 7, 1964, as amended, 3 U.S.C. § 102 note).
