FOIA Case: 10083B
30 August 2005

This is the final response to your Freedom of Information Act (FOIA) request of 29 March 1997 for "1996 FOIA Case Log (excluding Privacy Act requests)." In keeping with your August 2003 and September 2004 telephone conversations with Pamela Phillips, Chief of FOIA/PA Office, the requested Case Log will also exclude referrals. Even though you agreed to not include request origination dates, we were able to include those in the logs. For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. As such, you are allowed two hours of search and the duplication of 100 pages at no cost. There are no assessable fees for this request. A copy of your request is enclosed. Your request has been processed under the FOIA and the documents you requested (49 pages) are enclosed. Certain information, however, has been deleted from the enclosures.

The names of NSA/CSS employees have been deleted from the enclosures. These deletions are exempt from disclosure pursuant to the third exemption of the FOIA which provides for the withholding of information specifically protected by statute. The specific statute applicable in this case is Section 6, Public Law 86-36 (50 U.S. Code 402 note).

In addition, information regarding other individuals has been deleted from the enclosures in accordance with 5 U.S.C. 552 (b)(6). This exemption protects from disclosure information which would constitute a clearly unwarranted invasion of personal privacy. In balancing the public interest for the information you request against the privacy interests involved, we have determined that the privacy interests sufficiently satisfy the requirements for the application of the (b)(6) exemption.

Since these deletions may be construed as a partial denial of your request, you are hereby advised of this Agency's appeal procedures. Any person denied access to information may file an appeal to the NSA/CSS Freedom of Information Act Appeal Authority. The appeal must be postmarked no later than 60 calendar days from the date of the initial denial letter. The

FOIA Case: 10083B

appeal shall be in writing addressed to the NSA/CSS FOIA Appeal Authority (DC34), National Security Agency, 9800 Savage Road STE 6248, Fort George G. Meade, MD 20755-6248. The appeal shall reference the initial denial of access and shall contain, in sufficient detail and particularity, the grounds upon which the requester believes release of the information is required. The NSA/CSS Appeal Authority will endeavor to respond to the appeal within 20 working days after receipt, absent any unusual circumstances.

A document explaining the case dispositions is also included for your use.

Sincerely,

A handwritten signature in black ink, appearing to read "Louis F. Giles", written in a cursive style.
