Re: FEMA FOIA Case Number 2021-FEFO-00027

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), dated September 26, 2020 and received in this office on October 7, 2020. You are seeking the following:

- 1. a copy of the FEMA Intranet Page or pages (that's intranet, the internal employee site, not internet) that list the FEMA operational plans. By operational plans, I mean incident Action plans, advance operational plans, incident strategic plans, regional support plan (RSP), national Support plans, and functional plans.
- **2.** a copy of the title page or cover page only for each evacuation plan posted on the FEMA intranet page (each region).

A search was conducted of FEMA's Information Management Division (IMD) for documents responsive to your request. The search produced a total of 90 pages, which are enclosed in full. The cut-off date for the search is October 7, 2020. Please note that these pages are located on a secure Federal Government network and are inaccessible without proper credentials.

As part of the 2007 amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies.

You may contact OGIS in any of the following ways:

Office of Government Information Services National Archives and Records Administration 8601 Adelphi Road- OGIS College Park, MD 20740-6001

E-mail: ogis@nara.gov Web: https://ogis.archives.gov

Telephone: 202-741-5770/Toll-free: 1-877-684-6448

Facsimile: 202-741-5769

You have the right to appeal if you disagree with FEMA's response. The procedure for administrative appeals is outlined in the DHS regulations at 6 C.F.R. §5.8. In the event you wish to submit an appeal, we encourage you to both state the reason(s) you believe FEMA's initial determination on your FOIA request was erroneous in your correspondence, and include a copy of this letter with your appeal. Should you wish to do so, you must send your appeal within 90 working days from the date of this letter to fema-foia@fema.dhs.gov, or alternatively, via mail at the following address:

FEMA

Office of the Chief Administrative Officer Information Management Division (FOIA Appeals) 500 C Street, SW, Seventh Floor, Mail Stop 3172 Washington, D.C. 20472-3172

There is no charge for this FOIA request. As this concludes the processing of your request, it will be closed.

If you need any further assistance or would like to discuss any aspect of your request, please contact the assigned FOIA Specialist at juan.vegasandoval@fema.dhs.gov and refer to FOIA case number 2021-FEFO-00027. You may also contact someone at fema.dhs.gov, or (202) 646-3323, and you may contact our FOIA Public Liaison in the same manner. For a faster response please email the assigned FOIA specialist directly.

Sincerely,

Greg Bridges
