Re: Freedom of Information Act Request # 21-OIG-F-00182/2021-07

Pursuant to the Freedom of Information Act (FOIA) (5 U.S.C. § 552), you requested from the NASA Office of Inspector General (OIG) certain information. This Office received your request on December 26, 2020, and assigned it tracking #21-OIG-F-00182/2021-07. Specifically, you sought the following information: a listing of OIG investigations closed during calendar year 2020.

Please find enclosed the information that you. Some portions of the enclosed information are not releasable under FOIA exemptions 5 U.S.C. § 552(b)(6), (b)(7)(C), and (b)(7)(E). The exempt information has been redacted.

Exemption (b)(6) exempts from disclosure personnel and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Exemption (b)(7)(C) provides protection for law enforcement information, the disclosure of which "could reasonably be expected to constitute an unwarranted invasion of personal privacy." Exemption (b)(7)(E) affords protection to all law enforcement information that "would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law."

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Liaison, Francis P. LaRocca, at 202-358-2575 for any further assistance and to discuss aspects of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

You have the right to appeal this initial determination to the Deputy Inspector General. Pursuant to 14 CFR §1206.700(b), the appeal must (1) be in writing; (2) be addressed to the following:

NASA, Office of Inspector General
Headquarters
300 E Street, S.W., Suite 8V39
Washington, D.C. 20546-0001
Attn: George Scott, Deputy Inspector General;

(3) be identified clearly on the envelope and in the letter as “Freedom of Information Act Appeal”; (4) include a copy of the request for the Agency record and a copy of the adverse initial determination; (5) to the extent possible, state the reasons why the requester believes the adverse initial determination should be reversed; and (6) must be postmarked and sent to the Deputy Inspector General within 90 calendar days of the date of receipt of the initial determination.

Sincerely,

James R. Ives
Assistant Inspector General for Investigations
OIG FOIA Officer – Investigations
