RE: FOIA Request No. F-00040-21  
Final Response

The United States Agency for International Development (USAID) regrets the delay in responding to your Freedom of Information (FOIA) request. Unfortunately, USAID is experiencing a backlog of FOIA requests. Please know that USAID management is very committed to providing responses to FOIA requests and remedying the FOIA backlog.

This is the final response to your November 29, 2020, FOIA request to USAID. You requested a copy of each listing, list, inventory, or catalogue of films and videos at USAID Headquarters, for any such records that can be located within a five-hour search time. I understand that there might not be any comprehensive list of films and videos, but I would like each listing, etc. that can be found within a reasonable time period (five hours).

For your information, Congress excluded three (3) discrete categories of law enforcement and national security records from the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all of our requesters and should not be construed as an indication that excluded records do, or do not, exist.

USAID conducted a comprehensive search of the Bureau for Management, Office of the Chief Information Officer, Data Services, for documents responsive to your request. The search produced a total of 52 pages. We have determined the 52 pages are releasable in their entirety.

If you require any further assistance or would like to discuss any aspect of your request, you may contact Jenelle Lewis, the assigned FOIA Specialist, via email at [jenalewis@usaid.gov](mailto:jenalewis@usaid.gov). You may also contact USAID's FOIA Public Liaison, Christopher Colbow, at [foia@usaid.gov](mailto:foia@usaid.gov).

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services offered:

You have the right to appeal this final response. Your appeal must be received by USAID no later than 90 days from the date of this letter. To protect its workforce from COVID-19, USAID is implementing maximum telework. Our FOIA professionals are therefore working from home and do not have access to postal mail and fax machine. Accordingly, if you would like to appeal this disclosure determination, please send your appeal to [foia@usaid.gov](mailto:foia@usaid.gov), and address it to the Deputy Director of the Bureau for Management, Office of Management Services. In addition, please include your tracking number F-00040-21 final response in your email.

There is no charge for this FOIA request. As this concludes the processing of your request, it will be closed.

Thank you for your interest in USAID.
