FOIA No.: 2021-05467

This letter responds to your Freedom of Information Act (FOIA) request seeking a copy of our FOIA log for calendar years 2017 through 2020. The Environment and Natural Resources Division (ENRD) received your request on January 11, 2021.

Please find attached an Excel spreadsheet containing data responsive to your request, portions of which have been redacted pursuant to Exemption 6 of the FOIA. Exemption 6 relates to information about individuals in "personnel and medical files and similar files" where the disclosure of such information would "constitute an unwarranted invasion of personal privacy." 5 U.S.C. § 552(b)(6).

There are no fees associated with the processing of your FOIA request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with ENRD's determination in response to your request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account following the instructions on OIP's website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

If you need any further assistance, please contact Christine Ennis at (202) 616-9473 or our FOIA Public Liaison Amber Blaha at (202) 616-5515. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services it offers.
