Re: Final Response to Freedom of Information Act (FOIA) Referral No. 2021-02200

This is the final response to your FOIA request dated January 10, 2021, to the U.S. Office of Personnel Management (OPM), assigned tracking number 2021-02200. You requested the following:

“A copy of the FOIA Case Logs for the Office of Personnel Management for each of the years 2017 through 2020.”

Your request was processed under the FOIA, 5 U.S.C. § 552.

A search was conducted by the Office of Privacy and Information Management. Responsive records totaling 115 pages were located.

Upon review, OPM has determined to partially withhold certain records pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6), described below. Redactions have been placed on the withheld information and indicate the exemption applied.

Exemption 6 allows an agency to withhold “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” 5 U.S.C. § 552(b)(6). The phrase “similar files” covers any agency records containing information about a particular individual that can be identified as applying to that individual. The privacy interest that would be affected by disclosure has must be balanced against any public interest in the information. Under the FOIA, the only relevant public interest to consider is the extent to which the information sought would shed light on an agency’s performance of its statutory duties or otherwise let citizens know what their government is up to.

The information that has been withheld under Exemption 6 consists of the names of FOIA requesters who are asking for records about themselves or the names of individuals who are the subject of the FOIA request. OPM has determined that the disclosure of this information would shed little or no light on the operations of the government. Because the harm to personal privacy

2021-02200

is greater than whatever public interest may be served by disclosure, release of the information would constitute a clearly unwarranted invasion of privacy.

If you are not satisfied with OPM's determination in response to this request, you may administratively appeal in writing by email to OGCAffy@opm.gov or by mail to:

U.S. Office of Personnel Management
Office of the General Counsel
1900 E Street, N.W.
Washington, D.C. 20415

An appeal should include a copy of the initial request, a copy of the letter denying the request, and a statement explaining why you believe the denying official erred. Appeals must be electronically transmitted or postmarked within 90 days of the date of the response to your request. It is recommended that FOIA administrative appeals be submitted via email to avoid processing delays.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. You may contact OGIS by e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; facsimile at 202-741-5769; or mail at:
