Date: August 4, 2022

Delivered via ELECTRONIC MAIL

This letter is in response to your Freedom of Information Act (FOIA) request dated and received on October 6, 2021, by the U.S. Department of Agriculture's Forest Service Washington Office FOIA Service Center and assigned tracking number 2022-FS-WO-00098-F. You requested "a digital/electronic copy of the database identifying/listing/cataloguing Archeological and Cultural Resources surveys conducted by or for the U.S. Forest Service."

Your request specified your agreement to narrow the scope to exclude any data protected under Section 9 of the Archeological Resources Protection Act.

As a preliminary matter, in a November 12, 2021, email exchange with Eileen Harke, Government Information Specialist, you specified a date range of January 1, 2000, to present.

In response to your request, we conducted a search and found one (1) responsive page and one (1) responsive spreadsheet: one (1) page and one (1) spreadsheet are released in entirety.

Please note that the National Heritage Program provided as much data as possible to further the purposes of the statute and not create a risk of harm to such resources or to the site(s) at which such resources are located.

The FOIA provides that requesters pay the reasonable costs for search, review, and duplication of records. Pursuant to Title 7, Code of Federal Regulations, Subtitle A, Part 1, Subpart A, Appendix A, there is no charge as the amount falls below the minimum required to collect fees.

This concludes the Forest Service's response to your FOIA request.

The FOIA provides you the right to appeal this response. Any appeal must be made in writing, within 90 days from the date of this letter to the Chief, USDA Forest Service. Additionally, due to the concerns surrounding the COVID-19 virus we are only accepting appeals electronically at this time. Please email your appeal to SM.FS.WOFOIA@usda.gov. The term "FOIA APPEAL" should be placed in capital letters on the subject line of the email along with the FOIA case number assigned to your request. To facilitate the processing of your appeal, please attach a copy of this letter to your request as well.

If you need any further assistance or would like to discuss any aspect of your request, please do not hesitate to contact the FOIA Public Liaison at (202) 205-6560. Additionally, you may contact the Office of Government Information Services, National Archives and Records Administration, to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, MD 20740-6001, email ogis@nara.gov; telephone at (202) 741-5770; toll free at (877) 684-6448; or facsimile at (202) 741-5769.

Sincerely,

A handwritten signature in cursive script, reading "Gordon Blum".

GORDON BLUM

Acting Director, Recreation, Heritage, and Volunteer Resources
