This letter is in response to your Freedom of Information Act (FOIA) request dated October 21, 2020, and received November 2, 2020, by the U.S. Department of Agriculture's Forest Service Washington Office FOIA Service Center. Your request is assigned tracking number 2021-FS-WO-00634-F. You requested the following:

A copy of the most recent Tabletop Exercise for Dams (Training and Exercise Plans for Dams) at the US Forest Service.

For example, those might include Tabletop Exercises developed by K. S. Ware & Associates or Great West Engineering, Inc. for modified USFS.

As a preliminary matter, in an email exchange dated May 13, 2021, you amended the request to exclude everything but the information stored in INFRA indicating if a tabletop was performed, including the region that preformed it.

In response to your request, we conducted a search and found two (2) spreadsheets containing responsive records. These spreadsheets are released in entirety.

The FOIA provides that requesters pay the reasonable costs for search, review, and duplication of records. Pursuant to Title 7, Code of Federal Regulations, Subtitle A, Part 1, Subpart A, Appendix A, there is no charge as the amount falls below the minimum required to collect fees.

This concludes the Forest Service's response to your FOIA request.

The FOIA provides you the right to appeal this response. Any appeal must be made in writing, within 90 days from the date of this letter to the Chief, USDA Forest Service. Additionally, due to the concerns surrounding the COVID-19 virus we are only accepting appeals electronically at this time. Please email your appeal to [SM.FS.WOFOIA@usda.gov](mailto:SM.FS.WOFOIA@usda.gov). The term "FOIA APPEAL" should be placed in capital letters on the subject line of the email along with the FOIA case number assigned to your request. To facilitate the processing of your appeal, please attach a copy of this letter to your request as well.

If you need any further assistance or would like to discuss any aspect of your request, please do not hesitate to contact the FOIA Public Liaison at (202) 205-1542. Additionally, you may contact the Office of Government Information Services, National Archives and Records Administration, to inquire about the FOIA mediation services they offer.
