FOIPA Request No.: 1221687-000
Subject: FLOODING OF FBI RECORDS
(SEPTEMBER 08, 2011)

This is in reference to your Freedom of Information Act (FOIA) request.

The Federal Bureau of Investigation (FBI) has located approximately 5,500 pages of records potentially responsive to the subject of your request. By DOJ regulation, the FBI notifies requesters when anticipated fees exceed $25.00.

Releases are made on CD unless otherwise requested. Each CD contains approximately 500 reviewed pages per release. The 500-page estimate is based on our business practice of processing medium and large track cases in segments. DOJ regulations provide 100 pages or the cost equivalent ($10.00) free of charge. If all potentially responsive pages are released, you will owe $155.00 in duplication fees to receive the release on CD (11 CD's at $15.00 less $10.00). Should you request that the release be made in paper, you will owe $540.00 in duplication fees.

Please remember this is only an estimate, and some of the information may be withheld in full pursuant to FOIA exemption(s). Also, some information may not be responsive to your subject. Thus, the actual charges could be less. **No payment is required at this time. However, you must notify us in writing within thirty (30) days from the date of this letter of your format decision (paper or CD) and your commitment to pay the estimated fee.**

If we do not receive your format decision and/or commitment to pay within thirty (30) days of the date of this notification, your request will be closed. Include the FOIPA Request Number listed above in any communication regarding this matter.

You have the opportunity to reduce the scope of your request; this will accelerate the process and could potentially place your request in a smaller processing queue. This may also reduce search and duplication costs and allow for a more timely receipt of your information. The FBI uses a three-queue processing system to fairly assign and process new requests. Requests track into one of the three queues depending on the number of responsive pages - 500 pages or less (small queue), 501 pages to 2500 pages (medium queue), or more than 2500 pages (large queue). Small queue cases usually require the least time to process. Please advise in writing, if you would like to discuss reducing the scope of your request, and your willingness to pay the estimated search and duplication costs indicated above. Provide a telephone number, if one is available, where you can be reached between 8:00 a.m. and 5:00 p.m., Eastern Time. Mail your response to: Work Process Unit; Record Information/Dissemination Section; Records Management Division; Federal Bureau of Investigation; 170 Marcel Drive; Winchester, VA 22602. You may also fax your response to: 540-868-4997, Attention: Work Process Unit.

Sincerely,
