Subject: Request under the Freedom of Information Act

This is in response to your letter dated May 1, 2011, requesting certain Access Board documents under the Freedom of Information Act (FOIA). In that letter, you requested a digital copy of our complaints database for all years contained in the database.

In response to your request, please find attached an electronic file providing information on all complaints received by the Access Board to date. Personally identifiable information related to complainants has been redacted from the file.

Please let me know if you have any questions regarding this response to your request.
