Re: OIP/10-R0642
CLM:VRB:GSA

This responds to your Freedom of Information Act (FOIA) request dated March 2, 2010, and received in this Office on March 19, 2010, in which you requested a log of Mandatory Declassification Review requests. This response is made on behalf of the Office of Information Policy (OIP).

We conducted a search of OIP's electronic tracking database, which includes all FOIA, Privacy Act, Presidential Records Act, and Mandatory Declassification Review (MDR) requests received by OIP, and 158 pages of responsive material have been located. This material consists of database reports listing both closed and pending MDR requests received by OIP.

I have determined that 155 pages are appropriate for release without excision, and copies are enclosed. Also enclosed are three pages with excisions made pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. Please note that entries which pertain to FOIA, Privacy Act, and Presidential Records Act requests, which are not responsive to your request, have been excised as such. In addition, please be advised that additional pages of these reports were located. However, because they do not reference an MDR request, they are not responsive to your request in their entirety and are not being provided at this time.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001. Your appeal must be received within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Carmen L. Mallon
Chief of Staff
