OFFICE OF THE GENERAL COUNSEL

Re: FOIA Request

This replies to your Freedom of Information Act (FOIA) appeal, received on November 30, 2010, challenging the Office of the General Counsel FOIA Officer's decision denying your request for Congressional Inquiry Logs for the years 2002 through the current time on the basis that no records exist.

Your appeal has been granted. The FOIA Officer's representation that the OGC does not have records responsive to your request is accurate. However, in an effort to be responsive, we have examined our files and have attempted to compile a reconstructed list. (Attached). We have made a good faith effort to ensure that the list is as accurate as possible.

Sincerely,

A handwritten signature in black ink that reads "Julia Clark". The signature is written in a cursive style.

General Counsel
