UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

OFFICE OF  
INSPECTOR GENERAL

January 20, 2023

Re: Freedom of Information Act Request (EPA-2023-001401) – Final Disposition Letter

This letter responds to your Freedom of Information Act request to the Environmental Protection Agency Office of Inspector General dated December 20, 2022, seeking disclosure of a “listing of Office of Inspector General investigations (not audits) closed during calendar years 2021 and 2022...”

Documents responsive to your request are available for download via FOIAonline by searching for your request tracking number at <https://foiaonline.gov>. Some redactions of information have been made to the documents pursuant to the FOIA, 5 U.S.C. § 552, Subsections (b)(6), (b)(7)(A), (b)(7)(C), (b)(7)(E), and (b)(7)(F). EPA OIG has considered the foreseeable harm standard when reviewing records and applying FOIA exemptions.

Exemption 6 exempts from disclosure any information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Exemption 7(C) provides protection for personal information in law enforcement records the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. The names of individuals and any information which may identify them have been withheld pursuant to both Exemptions 6 and 7(C).

A portion of the material you requested is part of one or more open law enforcement file(s). Exemption 7(A) exempts from disclosure records or information compiled for law enforcement purposes to the extent that the production of such records could reasonably be expected to interfere with ongoing enforcement proceedings.

Exemption 7(E) allows agencies to protect from disclosure all law enforcement information that would disclose techniques and procedures for law enforcement investigations or prosecutions or which would disclose guidelines for law enforcement investigation or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

Exemption 7(F) protects from public disclosure “records and information compiled for law enforcement purposes [if disclosure] could reasonably be expected to endanger the life or physical safety of any individual.” EPA OIG is invoking Exemption 7(F) to protect information the release of which could risk the life or physical safety of informants or other individuals.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may appeal this decision by email at [oig\\_foia@epa.gov](mailto:oig_foia@epa.gov), or by mail to the Counsel to the Inspector General, Office of Counsel, Office of Inspector General, 1200 Pennsylvania Avenue NW, Mail Code 2411T, Washington, D.C. 20460, or through FOIAonline if you are an account holder. The OIG will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal."

Additionally, you may seek dispute resolution services from either the EPA FOIA Public Liaison ([hq.foia@epa.gov](mailto:hq.foia@epa.gov); 202-566-1667) or the Office of Government Information Services (OGIS). OGIS serves as a bridge between FOIA requesters and agencies and can be reached by email at [ogis@nara.gov](mailto:ogis@nara.gov), by phone at 1-877-684-6448, or by fax at (202) 741-5769.

If you have any questions concerning this matter, you may contact EPA OIG FOIA Officer Scott Levine at (202) 566-1512 or [oig\\_foia@epa.gov](mailto:oig_foia@epa.gov).

Sincerely,

**SUSAN**

**BARVENIK**
