**RE:** Freedom of Information Act Request #23-F-00354: A copy of the EPDSI Information Request Tracking Spreadsheet. EPDSI is the Data Intake Branch at CPSC. This relates to the CPSC Clearinghouse. This information does not seem to be available on the CPSC website.

Thank you for your Freedom of Information Act (FOIA) request seeking records from the U.S. Consumer Product Safety Commission (CPSC). Enclosed is a copy of the records responsive to your request, contained in CPSC spreadsheets, with certain excisions explained below.

Portions of the enclosed records are being withheld pursuant to FOIA Exemption 6, 5 U.S.C. § 552 (b)(6). CPSC considered the foreseeable harm standard when reviewing these records and applying FOIA exemptions.

*Exemption 6.* FOIA Exemption 6 permits withholding personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Absent authorizations to disclose the records or personally identifying information from the persons identified in the records or their representatives, such information falls within the protection of this FOIA exemption to disclosure and is being withheld accordingly. Information withheld under this exemption include individuals' names and addresses, as well as dates of death.

### FOIA Administrative Procedures

*Right to appeal.* According to the CPSC's regulations implementing the FOIA at 16 C.F.R. § 1015.7, a partial denial of access to records may be appealed. If you are not satisfied with the response to this request, you may administratively appeal in writing, addressed to FOIA APPEAL, Office of the General Counsel, ATTN: Division of Information Access, U.S. Consumer Product Safety Commission, 4330 East West Highway, Room 820 Bethesda, MD 20814-4408.

Your appeal must be postmarked or electronically transmitted ([cpscfoiarequests@cpsc.gov](mailto:cpscfoiarequests@cpsc.gov)) within 90 days of the date of the response to your request. You may also fax your appeal to 301-504-0127. You may contact us Monday – Friday from 8:00AM – 4:30PM EST, by telephone at 1-800-638-2772, by fax to 301-504-0127, or by e-mail addressed to [cpsc-foia@cpsc.gov](mailto:cpsc-foia@cpsc.gov).

Before filing a formal appeal with the CPSC, you may contact me or one of CPSC's FOIA Public Liaisons, Korinne Super ([ksuper@cpsc.gov](mailto:ksuper@cpsc.gov)) or Robert Dalton ([rdalton@cpsc.gov](mailto:rdalton@cpsc.gov)), via email or at 1-800-638-2772, for any further assistance, or to discuss any aspect of your request. Assistance may include guidance on possible reformulation of your request or an alternative time frame for processing the request.

*Right to Mediation.* Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, MD 20740-6001; e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile to 202-741-5769.

*Fees.* No fees were charged.

Sincerely,

ABIOYE

OYEWOLE

2021101401	22-F-00010	10/14/2021	10/19/2021	seeking information that is responsive to FOIA Request #22-F-00010 which has requested I am requesting records for the following: All records of deaths submitted to the CPSC from January 1, 2018, through October 7, 2021, where the ingestion of magnets were recorded as the cause of death or a factor of death. This information should include but not be limited to the date the death was reported, the county and state of where the death was reported, the age of the victim (if releasable), the type of magnet ingested and if available, the company that manufactured the magnet sourced as a cause of death. (Date Range for Record Search: From 01/01/2018 To 10/07/2021).	I searched on a date range of 01/01/2019 - 10/07/2021 for product codes 1345 and 1345 (magnets). 124 records were returned however while there was serious injury to children there were no deaths reported. I have attached the Excel spreadsheet of the results even though there were no deaths in case it would still be of interest. (01/05/2021, 2 records of death were found regarding magnet ingestion.	1/1/2019	10/7/2021	1345/ 1381, toy not classified elsewhere	magnet

2022053101	22-F-00275	5/31/2022	5/31/2022	Specifically, we were wondering if there is documentation or information that you could provide on when hospital/ED replacements occurred and within which PSUs so that we can run sensitivity analyses in a restricted sample of PSUs that did not experience replacement. We initially contacted CPSC statistical support around this, and received helpful guidance from Dr. (b)(6) that we would first need to initiate a request for the hospital/ED replacement information through the CPSC FOIA office (see correspondence below). Is there a particular web platform we should be making this request through or is an email request such as this preferable?	Forwarded to NEISSWeb. NEISSWeb provided records to FOIA						
2022053102	22-F-00279	5/31/2022	5/31/2022	has requested As part of the death certificate programs, the CPSC collects death certificates with external cause of death codes of ICD-10 from 52 health jurisdictions in the United States. I am requesting the most current list of ICD-10 codes that are collected as part of this program. In the past, there have been special lists for a few select jurisdictions. I do NOT need any of those, just the most standard of the lists of ICD-10 codes. (Date Range for Record Search: From 01/01/2017 To 05/25/2022)	ICD 10 list for death certificates was provided.
