Re: NIGC-FOIA-0136

This responds to your Freedom of Information Act (FOIA) 5 U.S.C. § 552, request to the National Indian Gaming Commission (NIGC) received in the FOIA office on January 15, 2021. In your request, you stated that you are seeking:

FOIA Case Logs for the NIGC for each of the years 2013 through 2020.

Search Results

The NIGC FOIA Office has completed a search of its relevant recordkeeping systems and located 3 documents (totaling 29 pages) that are responsive to your request. These documents are being released to you in full and attached to the email transmitting this letter.

Fees

For fee assessment purposes you were designated as an “all others” requester and, therefore, required to pay the full reasonable direct costs incurred for searching for and reproducing records if that total costs exceeds \$15.00, except that the first 100 pages and the first two hours of manual search time shall not be charged.

Because the processing costs did not exceed \$15.00, there are no fees being assessed for this request.

Closure of Request

As this completes the processing of your request, the NIGC now considers your request closed. Pursuant to 25 C.F.R. § 517.8, you may challenge the NIGC FOIA Office's determination by submitting a written appeal to the National Indian Gaming Commission, 1849 C Street N.W., Mail Stop #1621, Washington, D.C., 20240 no later than ninety (90) days after the date of this letter. *See* 5 U.S.C. § 552 (a)(6)(A)(i)(III)(aa). Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." The written submission should include copies of the original request, the denial, and a brief statement of the reasons you believe the denial to have been in error.

Please be advised that you have the right to seek dispute resolution services from the NIGC's FOIA Public Liaison or the Office of Government Information Services (OGIS).
