Re: A-00001-24 - FOIA Appeal of F-00044-23 Final Response
Final Response

The U.S. Agency for International Development (USAID) regrets the delay in responding to your Freedom of Information Act (FOIA) appeal. Unfortunately, USAID is experiencing a backlog of FOIA requests and appeals. Please know that USAID management is very committed to providing responses to FOIA requests and appeals, and remedying the FOIA backlog.

This letter is in response to your October 4, 2023, FOIA appeal to USAID.

On December 20, 2022, you requested a copy of the listing of USAID Office of Inspector General (OIG) investigations (not audits) closed during calendar years 2021 and 2022, to include fields such as the case number, the date the investigation was closed, the title or subject of the investigation, the category or type of investigation, etc. You stated that if no such listing exists or can be produced from the computer database, then you instead request a copy of the title page and/or cover page for each OIG investigation closed during calendar years 2021 and 2022.

On October 4, USAID provided its final response in F-00044-23, 2023, consisting of 38 pages, wherein we released 38 records partially, with withholdings pursuant to FOIA Exemption 7(E).

On October 4, 2023, you appealed the withholdings under FOIA Exemption 7(E).

Agency Determination

After *de novo* review of the administrative record, USAID is reversing its initial response under F-00044-23. Given USAID's prior practice of releasing the investigation numbers of closed OIG cases (as you proved in your appeal email with publicly accessible internet links showing those numbers displayed in the responsive records of past FOIA requests), we find no foreseeable harm in releasing this information. Enclosed please find 38 pages of responsive records, released in full.

As part of the FOIA Improvement Act of 2016, you may contact USAID's FOIA Public Liaison Officer, Christopher Colbow, to discuss this determination at foia@usaid.gov. In the alternative, you may contact the Office of Government Information Services (OGIS). OGIS was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways: Office of Government Information Services; National Archives and Records Administration, Room 2510; 8601 Adelphi Road; College Park, MD 20740-6001; e-mail ogis@nara.gov; phone (301) 837-1996; Fax (301) 837-0348; Toll-free 1-877-684-6448.

This constitutes USAID's final decision in this matter. Pursuant to 5 U.S.C. § 552(a)(4)(B), you are entitled to seek judicial review of this decision in the appropriate United States District Court.

Thank you for your interest in USAID.

Sincerely,

Myra YUMIKO Emata-Stokes
