This responds to your e-mail Freedom of Information Act (FOIA) request to the Institute of Museum and Library Services (IMLS) of December 10, 2011. Specifically, you requested a copy of all 2011 agency records and correspondence sent by IMLS to the Honorable Darell Issa in response to his January 2011 inquiry into the agency's "administration of the Freedom of Information Act."

In accordance with FOIA requirements contained in 5 USC § 552, I have attached a Microsoft Excel spreadsheet and copy of the correspondence provided by IMLS in response to Chairman Issa's inquiry into the agency's administration of FOIA. The IMLS FOIA Officer has determined the correspondence and attached spreadsheet is appropriate for release with the exception of the names of individuals who requested personal records. This information is withheld pursuant to FOIA Exemption 6, 5 U.S.C. § 552(b)(6), which protects information that if disclosed would constitute a clear unwarranted invasion of personal privacy. There is no fee for providing this information.

Thank you for your interest in the Institute of Museum and Library Services.

**Re: IMLS Freedom of Information Act Request Log**

Dear Congressman Issa:

This responds to your January 25, 2011, request to the Institute of Museum and Library Services (IMLS). You requested that the agency provide you a copy of its Freedom of Information Act (FOIA) request logs in Microsoft Excel or similar format for the “five years preceding the date of your letter.” Additionally, you asked that the agency provide you with various other FOIA-related information and documents, as applicable.

In accordance with the specifications of your request, I have provided you with an electronic copy of the IMLS FOIA Request Log from FY2006 to present, in Microsoft Excel format.

Please note that the IMLS does not have any FOIA requests, submitted more than 45 days prior to January 25, 2011, in which a final response from the agency has not been issued to the requestor. Additionally, the agency has not been ordered to pay “attorney’s fees or other litigation costs incurred by a FOIA requestor under 5 U.S.C. § 552(a)(4)(E) or under any similar law or regulation” by any federal judicial court within the five years preceding January 25, 2011.

Thank you for your interest in the Institute of Museum and Library Services.

Sincerely,

Mamie Bittner  
Director of Policy, Planning, Research, and Communications
