Re: *Congressional Review of the Occupational Safety and Health Review Commission
Fiscal Year 2006-2011 Freedom of Information Act Logs*

Dear Chairman Issa:

Thank you for contacting the Occupational Safety and Health Review Commission (OSHRC) regarding its implementation of the Freedom of Information Act (FOIA).

In response to item one (1) of your request dated January 25, 2011, enclosed please find the OSHRC FY 2006-2011 FOIA logs. Please note that we have converted these logs from tables in Microsoft Word to the requested format, Microsoft Excel. As the logs indicate, OSHRC has no incomplete FOIA requests dated more than 45 days prior to the date of your letter, and has had no federal judicial FOIA action taken against it within the five years preceding the date of your letter. As a result, we have provided no responses to items two (2) through five (5) of your letter.

We hope that the information provided is useful to you. OSHRC is committed to administering the FOIA with a presumption in favor of disclosure, and responds to FOIA requests promptly and in a spirit of cooperation.

If you have any questions regarding our response or OSHRC's FOIA program in general, please do not hesitate to contact OSHRC Chief FOIA Officer Nadine N. Mancini at (202) 606-5410.

Sincerely,
