Note: * Ernie Lazar is an expert researcher in the history of FBI surveillance of right-wing and anti-communist organizations and individuals, and other politically active groups. He has invoked the Freedom of Information Act to obtain historical files from the FBI. Several years ago, a fee dispute Mr. Lazar had with the FBI caused the FBI to administratively cancel all of his pending FOIA requests. This documentation identifies the subject matter of Mr. Lazar's requests cancelled by the FBI.

Mr. Ernie Lazar

Dear Mr. Lazar:

This letter is in reference to your pending Freedom of Information Act (FOIA) requests and to your request that we destroy the two checks that you have recently submitted.

A review of our FOIPA Document Processing System reflects that you owe duplication fees in the amount of \$1,254.30 for releases sent to you in 2007 and 2008. See a complete listing enclosed. As requested we have not cashed your checks. We have received partial payment for duplication fees from you in the form of a money order for \$103.00 which was enclosed in your correspondence of July 16, 2008. However, the above mentioned balance remains outstanding. Please see the enclosed letters dated April 21, 2008 and May 22, 2008, wherein you were advised of the duplication fees due at that time. In those letters, you were advised that if we did not receive a response from you within 45 days, all of your pending requests would be closed.

The purpose of this letter is to inform you that all of your pending FOIA requests with the FBI are being closed immediately due to lack of payment for the duplication fees. In addition, should you wish to make any additional requests in the future, Department of Justice (DO) regulations state that:

Where a requester has previously failed to pay a properly charged FOIA fee to any component or agency within 30 days of the date of the billing, a component may require the requester to pay the full amount due, plus any applicable interest, and make advance payment of the full amount of any anticipated fee, before the component begins to process a new request or continues to process a pending request from that requester.

In addition, we are returning your checks dated 6/16/2008 in the amount of \$94 and 6/24/2008 for \$83.

Sincerely yours,

David M. Hardy

Mr. Ernie Lazar

Dear Mr. Lazar,

This is in response to your Freedom of Information Act request dated May 12, 2008, which was submitted to the Los Angeles Field Office and forwarded to FBI Headquarters for processing.

This letter also addresses the duplication fees outstanding for your pending Freedom of Information Act (FOIA) requests. We received a check from you in the amount of \$125.90 on April 29, 2008, which was applied to the duplication fees owed for six of your requests. That leaves an amount due in excess of \$600. As of today we have not received the amount due so we are returning your new requests. Enclosed is your newest FOIPA request dated May 12, 2008.

Also enclosed for your convenience is the duplication fee letter that was mailed to you on April 21, 2008, from this office.

Please be advised that if we do not receive a response from you within 45 days from the date of this letter, the FOIA requests you currently have pending will be closed administratively. Should you have any questions, please feel free to contact Margaret P. Jackson at (540) 868-4843.

Sincerely yours,

Ronald Gostick (July 18, 1918 - July 16, 2005) was a figure in the self-described "freedom movement" in Canada. He was founder of the Canadian League of Rights^[1]. Gostick through the CLR published the periodicals *Canadian Intelligence Service* and *On Target*^[2].

He was born in Wales and in 1919 moved to Canada with his parents. They established a farm near Stettler, Alberta before moving to Calgary in 1928. From 1933 to 1935, he attended Crescent Heights High School and was influenced by the school's principal, William Aberhart, who was a proponent of the social credit movement in Alberta. Gostick and his family became members of the Alberta Social Credit League. His mother, Edith Gostick, was elected to the Legislative Assembly of Alberta in the 1935 provincial election that brought Social Credit to power making Aberhardt Premier of Alberta. She would remain the Member of the Legislative Assembly for Calgary until 1940.

Ron Gostick entered the Canadian Army in 1941 and fought in World War II. After demobilization, he worked as a court reporter in Ontario and also served as general secretary of the Social Credit Party of Canada, the less successful federal counterpart of Aberhardt's Alberta Social Credit. In the 1945 federal election, he ran as the Social Credit candidate in the Ontario ridng of Grey North, coming in last place with 250 votes.

He also began his publishing activities at the same time, beginning to issue *Canadian Intelligence Service* in 1947.

David Lethbridge, Director ^[3], of The Bethune Institute for Anti-Fascist Studies (<http://bethuneinstitute.org/>),^[4] in a small circulation article claims the periodical is critical of Jews and progressives.

Federal Bureau of Investigation
Attn: FOIA REQUEST SECTION
935 Pennsylvania Avenue NW
Washington DC 20535-0001

Good morning:

Recently I have received correspondence from you asking me to confirm willingness to pay estimated fees on the following FOIA request.

As you know, all of my request letters stipulate my willingness to pay fees plus I specify the maximum number of pages -- but since you insist on duplicate instructions, please be advised regarding the following:

FOIA #1093096 -- Denver 100-3076 -- estimated 250 pages -- \$15.00
= YES I agree to pay reproduction costs.

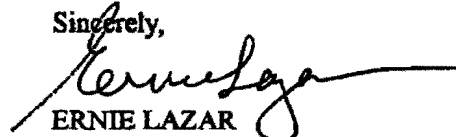

UNPERFECTED REQUEST

You returned my 12/13/07 request to Denver field office for proof-of-death on Robert LeFevre. For some reason, you did not accept the Wikipedia article which reported his birth and death dates so I enclose the Social Security Death Index data.

QUESTION RE: FIELD OFFICE FILES

Several years ago I received a letter from you which mentioned the types of documents which a field office would not normally send to HQ. I cannot find my copy of that letter and I would appreciate learning the types of documents not forwarded from field offices to HQ.

Sincerely,

ERNIE LAZAR

Mr. Ernie Lazar

Dear Requester:

~~Your Freedom of Information/Privacy Act (FOIPA) request letter for records maintained by the FBI concerning another individual is being returned to you. Your request was forwarded to FBI Headquarters from the Denver Field Office.~~

Before we process your request for records pertaining to another individual, we ask that you submit either proof of death or a privacy waiver from the subject(s) of your request. Proof of death can be a copy of a death certificate, Social Security Death Index, obituary or a recognized reference source. Death is presumed if the birth date of the subject is more than 100 years ago. Without proof of death or a privacy waiver, the disclosure of law enforcement records or information about another person is considered an unwarranted invasion of personal privacy. Such records, if they exist, are exempt from disclosure pursuant to Exemptions (b)(6) and/or (b)(7)(C) of the FOIA, Title 5, United States Code, Section 552.

Enclosed is a Privacy Waiver and Certification of Identity form. (You may make additional copies if you are requesting information on more than one individual.) The subject of your request should complete this form and then sign it or prepare a document containing the required descriptive data and have it notarized. The original privacy waiver or notarized authorization with the descriptive information and a legible, original signature must be provided to the FBI before an accurate search of our records can be conducted.

This response should not be considered an indication of whether or not records responsive to your request exist in FBI files.

Sincerely yours,

David M. Hardy
Section Chief,
Records Information
and Dissemination Section

Federal Bureau of Investigation
Attn: FOIA SECTION
935 Pennsylvania Avenue, Northwest
Washington, D.C. 20535-0001

Good morning:

This is a request under the FOIA. Please limit each requested item to 250 pages.

As you know, during its history, the FBI created a number of "Indexes" or lists to track persons suspected of, or known to be, involved in subversive or espionage activities or any activity "detrimental to the internal security of the United States."

Among these Indexes or Lists were the following:

Index	Approximate Start-Date
<u>S</u> Custodial Detention List	September 1939 <i>3420</i>
<u>S</u> Security Index (SI) <i>new 1952</i>	August 1942
<u>S</u> Administrative Index (ADEX) <i>new 1971</i>	September 1971
<u>S</u> Reserve Index <i>new 1962</i>	1962

I request a copy of the following documents:

1. The first memo for each List or Index wherein FBI HQ describes the purpose and scope of the Index or List, and the criteria for inclusion of a name.
2. Subsequent HQ memos which explain changes to the criteria for listing names.
3. Annual Reports: Insofar as the Bureau compiled Annual Reports to summarize statistical and/or demographic information contained in these Indexes or Lists, I request one copy of such Annual Reports for the following periods. In the event that reports were issued on a quarterly basis, the final quarter's report (December edition?) will suffice.

Index	Annual Reports desired
Custodial Detention List	1939, 1942, 1943
