Re: Freedom of Information Act Request (2026-EPA-01987) – Final Disposition Letter

This letter responds to your Freedom of Information Act request to the Environmental Protection Agency Office of Inspector General received on December 29, 2025, in which you requested the following: “1) A copy of the final report, closing memo, or equivalent concluding document for each Inspector General investigation closed during CY2025. 2) A copy of the list of Inspector General investigations closed during CY2025, including relevant data fields such as the subject or topic of the investigation, the case number, closing date, and opening date.” In an email on January 16, 2026, you agreed to modify your request to narrow your request to only include part 2 of the original request – the list of closed EPA OIG investigations.

Documents responsive to your modified request are enclosed via FOIAXpress. Some redactions of information have been made to the documents pursuant to the FOIA, 5 U.S.C. § 552, Subsections (b)(6), (b)(7)(A), (b)(7)(C), and (b)(7)(F). EPA OIG has considered the foreseeable harm standard when reviewing records and applying FOIA exemptions.

Exemption 6 exempts from disclosure any information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Exemption 7(C) provides protection for personal information in law enforcement records the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. The names of individuals and any information which may identify them have been withheld pursuant to both Exemptions 6 and 7(C).

Portions of the record you requested are part of one or more open law enforcement file(s). Exemption 7(A) exempts from disclosure records or information compiled for law enforcement purposes to the extent that the production of such records could reasonably be expected to interfere with ongoing enforcement proceedings.

Exemption 7(F) protects from public disclosure “records and information compiled for law enforcement purposes [if disclosure] could reasonably be expected to endanger the life or physical safety of any individual.” EPA OIG is invoking Exemption 7(F) to protect information the release of which could risk the life or physical safety of informants or other individuals.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard

notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may appeal this decision by email at [oig.foia@epa.gov](mailto:oig.foia@epa.gov), or by mail to the Counsel to the Inspector General, Office of Counsel, Office of Inspector General, 1200 Pennsylvania Avenue NW, Mail Code 2491T, Washington, D.C. 20460, or through FOIAXpress if you are an account holder. The OIG will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal."

Additionally, you may seek dispute resolution services from either the EPA FOIA Public Liaison ([hq.foia@epa.gov](mailto:hq.foia@epa.gov); 202-566-1667) or the Office of Government Information Services (OGIS). OGIS serves as a bridge between FOIA requesters and agencies and can be reached by email at [ogis@nara.gov](mailto:ogis@nara.gov), or by phone at 1-877-684-6448.
