For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Subject: Completed Investigation OIG-I-558

This investigation was initiated on January 27, 2021. The case involved an allegation that Anett Rodrigues (subject), Field Examiner in Region 22 (Newark, NJ), allegedly sold unredacted Charge sheets and Petitions to an outside party for resale to other parties. The allegation was substantiated. The matter was referred to the U.S. Attorney's Office for the Southern District of New York and was accepted for prosecution. The subject was indicted on Honest Services Fraud Conspiracy, in violation of Title 18, United States Code, Section 1349; Honest Services Wire Fraud, in violation of Title 18, United States Code, Sections 1343 and 1346; Bribery, in violation of Title 18, United States Code, Section 201 (b) (2) (B) and (C); and, Conversion of Property of the United States, in violation of Title 18, United States Code, Sections 641 and 2.

On August 29, 2024, the subject entered a guilty plea to Conversion of Property of the United States, in violation of Title 18, United States Code, Sections 641 and 2. As part of the plea agreement, the subject agreed to resign her position with the National Labor Relations Board, effective immediately.

On May 27, 2025, the subject was sentenced to 2 years probation, with 3 months home confinement. The defendant also received a mandatory \$100 court assessment, a \$4000 fine and forfeiture was ordered in the amount of \$40,000.

Because no further action is warranted, I recommend that the case be closed.

Subject: Completed Investigation OIG-I-570

This investigation was initiated on February 16, 2023. The case involved a proactive investigation based on a review of NLRB employees' Social Security numbers and a comparison to information in pandemic relief programs' databases. Based on that review, we identified a number of NLRB employees who may have improperly received pandemic relief loans or grants. We initiated four investigations. Three of the four investigations substantiated the allegation that each employee engaged in theft when they received pandemic relief funds after submitting false information in an application. In each instance, we issued a report to Management for a determination regarding appropriate administrative action. See OIG-I-575, OIG-I-576, and OIG-I-578. One investigation resulted in a finding that the allegation was unsubstantiated. See OIG-I-577.

As a result of the investigation, we also sent notifications to employees informing them that they may have been the victim of identity theft. The notifications provided the employees with information to determine whether their, respective, identities were stolen and, if so, steps to take to address the matter.

Because no further action is warranted, I recommend that the case be closed.

Subject: Completed Investigation OIG-I-580

This investigation was initiated on April 10, 2024. The case involved allegations that **Exemptions 6 & 7(C)**, Field Attorney, **Exemptions 6 & 7(C)**, outside of her official duties, petitioned the Federal government on behalf of an organization in their dealings with the Federal government, in violation of 18 U.S.C. § 205(a)(2) and failed to obtain appropriate Agency approval for outside employment. On October 7, 2024, we issued a report substantiating the allegations. The Division of Operations-Management, through the **Exemptions 6 & 7(C)** Director, issued the subject a Letter of Counseling. The subject submitted a grievance of the Letter of Counseling through the Step 2 process. The grievance was denied on January 8, 2025. The subject did not appeal the decision within the time period for doing so.

Because no further action is warranted, I recommend that the case be closed.
