Re: FOIA Request No. DOC-NOAA-2021-001813

This letter is in response to your Freedom of Information Act (FOIA) request a copy of (1) the Justification & Approval (J&A) Log found in the NOAA contracting/Acquisition Office covering the last three years, and (2) also request a copy of each J&A document during calendar year 2021 to date. On July 22, 2021 an email was received narrowing the scope of the second part of your request to the last (most recent) 10 J&A documents. Then on July 23, 2021 a second email was received withdrawing the second part of your request at this time. Your request is now narrowed to the J&A Logs for Fiscal Years 2019, 2020, and 2021 to July 19, 2021 (the submission date of your request).

We have located three (3) records responsive to your request. A review of the responsive records reveals certain parts are exempt from disclosure exemption 5 U.S.C. § 552(b) (5), inter-agency or intra-agency communications that are protected by legal privileges, including the deliberative process, attorney-client and attorney work-product privileges; and exemption 5 U.S.C. § 552(b) (6), because they contain private personal information in which an individual's right to privacy outweighs the general public's interest in seeing the personally identifying information.

Based on the above information, this constitutes a partial denial of your request. You have the right to file an administrative appeal if you are not satisfied with our response to your FOIA request. All appeals should include a statement of the reasons why you believe the FOIA response was not satisfactory. An appeal based on documents in this release must be received within 90 calendar days of the date of this response letter at the following address:

Assistant General Counsel for Employment, Litigation, and Information
U.S. Department of Commerce, Room 5896
1401 Constitution Ave. N.W.
Washington, DC 20230

An appeal may also be sent by email to FOIAAppeals@doc.gov.

For your appeal to be complete, it must include the following items:

- A copy of the original request,

- Our response to your request,
- A statement explaining why the withheld records should be made available, and why the denial of the records was in error.
- “Freedom of Information Act Appeal” must appear on your appeal letter. It should also be written on your envelope, email subject line, or your fax cover sheet.

FOIA appeals posted to the email box, or Office after normal business hours will be deemed received on the next business day. If the 90th calendar day for submitting an appeal falls on a Saturday, Sunday or legal public holiday, an appeal received by 5:00 p.m., Eastern Time, the next business day will be deemed timely. FOIA grants requesters the right to challenge an agency's final action in federal court. Before doing so, an adjudication of an administrative appeal is ordinarily required.

The Office of Government Information Services (OGIS), an office created within the National Archives and Records Administration, offers free mediation services to FOIA requesters. They may be contacted in any of the following ways:
