Re: Freedom of Information Act (FOIA) Request Number # 26-00015-IG-F / OIG # 2026-019  
Initial Determination

Pursuant to the Freedom of Information Act (FOIA) (5 U.S.C. § 552), on December 24, 2025, you submitted a request to the NASA Office of Inspector General (OIG). Your FOIA request was received by this office on December 26, 2025 and assigned the tracking number listed above. Specifically, you sought the following records:

" 1) A copy of the final report, closing memo, or equivalent concluding document for each Inspector General investigation closed during CY2025. 2) A copy of the list of Inspector General investigations closed during CY2025, including relevant data fields such as the subject or topic of the investigation, the case number, closing date, and opening date."

In response to your FOIA requests, we conducted a search for responsive records within OIG's respective business units. Our search identified responsive information releasable under the FOIA as described below. Enclosed with this letter are the requested responsive records.

Certain exemptions have been applied to withhold information from the enclosed responsive documents that is not releasable under FOIA exemptions (b)(6), and (b)(7)(C). The exempt information has been redacted. In applying these exemptions, we have determined that the withheld information would cause foreseeable harm if released.

Exemption (b)(6) exempts from disclosure personnel and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Exemption (b)(7)(C) provides protection for law enforcement information and records compiled for law enforcement purposes, the disclosure of which "could reasonably be expected to constitute an unwarranted

invasion of personal privacy”. Exemption (b)(7)(C) is routinely applied to protect the personal privacy interest of law enforcement personnel involved in conducting investigations. Disclosure of the mere fact that an individual is mentioned in an agency's law enforcement files carries a stigmatizing connotation cognizable under FOIA Exemption (b)(7)(C). See, e.g., *Fund for Constitutional Government v. National Archives & Records Service*, 656 F.2d 856, 865 (D.C. Cir. 1981). Numerous courts have recognized that individuals’ privacy interests are substantial given the nature of law enforcement records, whether they are suspects, informants, witnesses or investigators. See, e.g., *Fitzgibbon v. CIA*, 911 F.2d 755, 767 (D.C. Cir. 1990); *Dunkelberger v. DOJ*, 906 F.2d 779, 781 (D.C.Cir.1990); *Stern v. FBI*, 737 F.2d 84, 91-92 (D.C. Cir. 1984)); see also *Neely v. FBI*, 208 F.3d 461, 464-66 (4th Cir. 2000). Among other concerns, an individual’s connection to particular investigations can result in harassment, annoyance, and embarrassment. See, e.g., *Halpern v. FBI*, 181 F.3d 279, 296-97 (2nd Cir.1999); *Manna v. DOJ*, 51 F.3d 1158, 1166 (3rd Cir.), cert. denied, 516 U.S. 975, 116 S. Ct. 477, 133 L.Ed.2d 405 (1995); *Nix v. United States*, 572 F.2d 998, 1005-06 (4th Cir.1978).

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison, Terri Thompson at (202) 358-2575 for any further assistance and to discuss any aspects of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

You also have the right to appeal this initial determination to the NASA OIG FOIA Appeal Designee. Pursuant to 14 CFR §1206.700(b), the appeal must (1) be in writing; (2) be addressed to the following:

NASA, Office of Inspector General  
Headquarters  
300 E Street, S.W., Suite 8V39  
Washington, D.C. 20546-0001  
Attn: Robert Steinau, NASA OIG Senior Official;

(3) be identified clearly on the envelope and in the letter as “Freedom of Information Act Appeal”; (4) include a copy of the request for the Agency record and a copy of the adverse initial determination; (5) to the extent possible, state the reasons why the requester believes the adverse initial determination should be reversed; and (6) must be postmarked and sent to the NASA OIG Senior Official within 90 calendar days of the date of receipt of the initial determination.

Sincerely,

Date: 2026.04.21
