This letter is final response to your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP) requesting a copy of the listing or database or spreadsheet of contraband items seized at Dulles International Airport by CBP personnel.

After careful review of your FOIA request, CBP identified 87 pages of responsive records that are released in full.

You have a right to appeal the decision. Should you wish to do so, you must send your appeal and a copy of this letter, within 60 days of the date of this letter, to: FOIA Appeals, Policy and Litigation Branch, U.S. Customs and Border Protection, 799 Ninth Street, N.W., Washington, D.C. 20229-1179, following the procedures outlined in the DHS regulations under Title 6 C.F.R. § 5.9. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

The Office of Government Information Services (OGIS) also mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. If you wish to contact OGIS, you may email them at ogis@nara.gov or call (877) 684-6448.

Provisions of the FOIA used to recover part of the cost of complying with your request are under Title 6 CFR § 5.11(d)(4). In this instance, because the cost is below the \$14 minimum, there is no charge.

If you need to contact our office again about this matter, please refer to 2011F16602. This office can be reached at (202) 352-0150.

Sincerely,

A handwritten signature in cursive script that reads "Dorothy Pullo".
